

Jacob's Ladder

Henk Beerepoot 'Melita Park' 13.10.2012

Just yesterday I heard on the ABC news bulletin that a winding road leading to Ben Lomond, a 1572 metre high plateau in North Tasmania, is open again.

The road, which is called 'Jacob's Ladder', was closed on Tuesday after a rock was discovered overhanging this road which leads visitors up the mountain's ski fields. Inflatable air bags were used by Parks and Wildlife officers to dislodge the rock, which hit the road and split in two before being removed by an excavator.

The fact that this happened at this time is wonderful and the implication provides a witness to our entering into His Rest.

Ben Lomond

The name 'Ben Lomond' is a Scottish name, meaning 'The Son' (**Ben**) of 'the Law' (**Lo**) 'Man' (**Mond**). The 'Law Man' is our Father who gave us the Law at Mt Sinai and we are to become His Sons. Hence 'Ben Lomond' is to be our future destiny. Some say that 'Lomond' or 'Lamond' means 'The Mountain', which is correct too, because we are His Mountain and there on the peak, in our mind, in our diencephalon, we will meet Him. It is there that His Glory will return into His Temple, His Holy of Holies.

Last Tuesday, when the road to *Lomond*, (**our Father**), where we are to become *Ben*, (**His Son**), was closed we celebrated the day of Atonement. In the history of our people, our forefather Jacob started this day with a nightlong fight with his brother Esau. Jacob's road was closed, he had to overcome a blockage which prevented him to enter into His Rest. This blockage was his perception of a 'self will' and he overcame this blockage by losing his fight. He lost his fight with 'self' as he saw the face of El in the face of his brother.

Genesis 33:10 *"I have seen thy face, as though I had seen the face of El..."*

Jacob saw that Father had given him an enemy in Esau to bring his trust in 'self' down and when he saw the face of Father in the face of Esau, his blockage to Life was dealt with and he could move on in his journey to Bethel, from whence he came.

Jacob's Ladder

It was in Bethel that Jacob started his Lifelong journey, namely with his dream featuring what is commonly referred to as 'Jacob's Ladder'. In this dream he was promised to be *"brought back into this Land"* (Gen.28:15), which was, to be brought back into Bethel, the 'House of El'¹.

After Jacob had seen the Face of El (**Peniel**) at his Atonement experience, his blockage was removed and he could continue to go to Succoth, or 'Booths', to travel upwards on His Ladder to the House of El. The Road to Lomond, to the 'Man of the Law', or to 'El', which is 'Jacob's Ladder' is now accessible and safe to travel where we become Ben, (**the Son**) to be in His House (**Beth**) in order that we become 'Bens Lomond' in Bethel. This road, this Jacob's Ladder, was opened on the 12th of October 2012 and tonight on the 13th of October 2012 we have started the Feast of Tabernacles, we have arrived in Succoth².

The Rock was split in two

And the Rock which came down? The rock was our Rock, Yahshua, who had for our sake become Man. He was, as the rock on Jacob's Ladder in Tasmania, for our sake split in 2, and dislodged in order that we can have access to His Living Water and be healed in Succoth. The one part of the rock, pictured the Spirit and rolled off the road and gave us way, the other part fell, as planned, on the road and pictured the Flesh and became our blockage, a stone of stumbling (Isa. 8:14), which had (has) to be removed by our death to 'self'.
