## Introduction

Just a few hours ago I returned from my trip to Paris and I have started to write down the remarkable reason for my visit to this city. This reason reveals the wonderful implications of the current affairs in relation to the outburst of past cases of sexual abuse within the Catholic Church. It is my task, as a Judge, to witness of this Truth in order that anyone who may 'see this Door'<sup>1</sup> may establish it and enter in, so that his, or her Witness, **עדה** *edah* (Idea), BECOMES.

## The Reason of my Trip

For some time now we are making nougat which we sell in our tourist business in Chudleigh, Tasmania. As our nougat sales increased it became necessary for us to look for a machine that can cook a larger volume as well as one that can cut the cooled mass. France is the home of the nougat so these confectionary machines were to be on display at an international exposition called 'Europain 2010' in Paris.

## The Spiritual Description

The physical events of our lives mirror the spiritual. So, in order to understand the spiritual reason of my trip I desired to look at the physical indicators. These are briefly summarised as follows:

- The manufacturing of Nougat, as the object of my trip.
- The details of my flight to Paris with a stopover in Doha.
- The Europain 2010
- Paris
- My stay in the Hilton Hotel
- La Ville-Lumière
- The Nougat Machine

Following, I will disclose the spiritual side of these indicators and, with the addition of some smaller details, this will then reveal the most wonderful true reason and purpose of my journey. A reason, which 'establishes' a wonderful truth in this world wherein we live, in this realm of time and space. It is a reason of Revelation, coming from within, which in this time will be understood by those who are to be called the Firstfruits in Israel, those who are in pain and crave for Nougat.

---

<sup>1</sup> I refer to 'Seeing the Door' to my recent article 'The Two Witnesses'.

## Nougat

Traditionally, nougat is made of two main ingredients, Honey and Almonds. In the Scriptures the symbolical meaning of the word Honey is ‘enlightenment’<sup>2</sup> and of Almond is ‘Firstfruit’<sup>3</sup>. Putting this together we see that Nougat has the spiritual meaning of **‘Enlightenment of the Firstfruit’**. A machine to manufacture this Nougat or ‘Enlightenment of the Firstfruit’ therefore represents the ‘mechanics’ of ‘how’ this Enlightenment of the Firstfruits will come about and the nougat cutter shows the ‘many’ coming out of that mass. So, in other words, this article will show how many of the Firstfruits will be brought into their Enlightenment.

## The Trip

I left our home in Tasmania on the 4<sup>th</sup> of March 2010 and flew via Doha, in Qatar, to Paris. This date indicates already a significant start as 4.3.2010 tells us: *Spiritual Perfection* (4+3=7) leading *Good and Evil* (2) into *Oneness* (1). The flight from Melbourne to Paris took 21 Hours (3x7), indicating that the road or the way to ‘Europain 2010’ in Paris was going to be **complete** (3) and **Spiritual Perfect** (7).

## Doha

After about 14 hours of flying I had my stopover in Doha and needed to change aircraft. The word Doha is a beautiful name, for the name of this city ‘*ad-dawha*’, as in the Arabic language, means: ‘Sticky Tree’. Now, we are all participating of the Tree of Good and Evil (2) though we are divinely attracted to the Tree of Life (1). The Tree of Life is our life source, our Sticky Tree, our Doha.

Some say that the name Doha is derived from the word *dohat*, which is the Arabic for ‘bay’ or ‘gulf’, referring to the gulf on which the city is situated. A bay or a gulf pictures an entrance to the sea and, as the ‘sea’ pictures ‘life’, the name Doha (gulf) means in this context therefore, the entrance or the ‘Door to life’.

Both meanings of the word Doha, being the ‘Sticky Tree’/‘Tree of Life’ or ‘Gulf’/‘Door to Life’ confirm the phonetic explanation of this Arabic word which is ‘D’ *the door* and ‘H’ *reveal* or, Doha: **The Door Revealed**.

## Europain 2010

The exposition I attended was called ‘Europain 2010’. Of course the word ‘pain’ is the French word for ‘bread’ however, it is interesting to note that if we take the word in the English context it reflects a different meaning, it is ‘pain’ful, it hurts. Additionally, according to the Online Etymology Dictionary, the word Europe is based on a Semitic Akkadian word *erubu* meaning “to go down”. So this year ‘Europain 2010’ has the connotation of ‘going down in pain from the duality into Oneness’ or: **to be brought down from a flesh illusion into spiritual reality through pain**.

---

<sup>2</sup> 1Sam.14:27,29 “But Jonathan heard not when his father charged the people with the oath: wherefore he put forth the end of the rod that was in his hand, and dipped it in an honeycomb, and put his hand to his mouth; and **his eyes were enlightened**. Then said Jonathan, My father hath troubled the land; see I pray you, how **mine eyes have been enlightened, because I tasted a little of this honey**.”

<sup>3</sup> The Almond tree is the first tree to wake up from her winter sleep with an abundance of flowers to give fruit. The symbolic meaning of the word Almonds is therefore: ‘Firstfruits’, representing those people who are ‘called out’ ahead of the rest of Israel.

For an even deeper spiritual meaning we will look to the word 'Pain' as the 'bread' which we have eaten in Europe, as the people of Israel, during our 'flesh', or 'six' thousand/ 'six' years. We may consider Proverbs 6:26 "*For by means of a whorish woman (Eve/Israel) a man is brought to a piece of bread: and the adulteress (Eve/Israel) will hunt for the precious life.*" Now, we have all been whorish as, through our blindness, we have all given credit to an illusion, called 'self', and for this reason we have to 'till the ground', or to 'work', or to 'provide'<sup>4</sup>, so as to eat bread/pain in order to die.

Contrastingly to our 'self' consciousness, as we come into the 7<sup>th</sup> year/7000<sup>th</sup> year, we will look for Yahshua as our Living Bread and '*will hunt for the precious life*'. In that period of rest we will love to eat of His Bread and by eating of His Bread we will be healed.

The physical bread that Yahshua ate, whilst on this earth, had caused Him pain and when He referred at His last supper to this bread, as His physical (six years) existence, He stated that He would not eat of that bread anymore, but would eat it 'new with us' in our Seventh year. This eating it 'new with us' was referring to the 'eating of His Bread', His Body spoken of in John 6. So we see within the context of 'bread' that Europain 2010 also reflects "**the fall** (Europain/physical bread) **into Oneness**" (2010/His bread).

### Paris

The exposition was held in Paris. The name 'Paris' is derived from the Celtic word *Parisii* or *Quarisii*. Celts are a people of Israelite stock who, according to most historians, settled on the banks of the Seine from the middle of the third century BC. These Israelite people were commonly referred to as '*parisio*' which is derived from this word *Parisii* and means "**the working people**" or "the craftsmen". It is interesting to note that it is 'work', our 6 days, which will bring us into enlightenment, our Seventh (7) day.

### Hilton

I stayed in the Hilton Hotel. The name Hilton means: 'fenced place(ton) on a hill(hil)' and, as far as the Hotel chain concerns, one can see this symbolised on their logo as the 'H' within a circle.

The Spiritual meaning of my stay in the Hilton is symbolic for the presence of all Israelites on this earth and in particular, in the context of my address in this paper, to the small number of them who are called the First Fruits, they live protected(ton) as in a fenced city on a hill(hil). No one can harm them, no one can touch them.

The word Hill has the biblical meaning of 'His *Presence* in the people of Israel' and forms the basis of mutual Love or Unity yet without man's full awareness. It reflects the basis, the beginning of man's awareness of His sovereignty in him. The word Hill or Hills refers therefore to Father's 'dwelling place' during the days of man's flesh consciousness, during his six years, or his period of flesh awareness. This in contrast to the word 'Mountain', which denotes man growing into accumulated awareness of Him wherein the Oneness of His Sovereign Power heals him into Spiritual Perfection at the end of his seventh year. The word 'ton' comes from the old Norwegian word 'tun', which describes an 'enclosure', a word

---

<sup>4</sup> To provide is to 'see (vide) before (pro)' that is, to look before blindness lifted, which is a 'self'-attempt destined to be raised into Life through the death of 'Self'.

which later became the word 'town'. So, staying in the Hilton has the meaning of: **living in the protected place** (*ton / the earth / the body*) **wherein one is growing into awareness (Hill) of Him.**

I stayed 6 nights and indeed this characterises the darkness of our 'six' thousand or 'six' years existence. My abode was on the 7<sup>th</sup> floor, showing that we have entered into our period of healing towards Spiritual Perfection (7). This was emphasised by my room number 715 which tells that the Father, the One (1), as the central digit, reveals Himself in the flesh through Grace (5) as Spiritual Perfect (7).

### **La Ville-Lumière**

Matthew 5:14 "*Ye are the light of the world. A city that is set on a hill cannot be hid.*"

A well known nickname for Paris is; "La Ville-Lumière" ("The City of Light"). Yahshua was talking to the Firstfruits at the time of the Sermon on the Mount and told them, not the multitude, that they were 'the Light' and a 'City on a Hill' (*Paris Hilton*). The fact that I stayed at the *Hilton* in this *city of Light* is remarkable and a wonderful witness reflecting the Authority of the reason of my visit as is summarised below.

### **The summary of the Spiritual Description of my trip so far**

If we bring this together, then my trip is going to show: "The way (*Machine*) the Enlightened Firstfruits (*Nougat*) go through the Door to Life (*Doha*) to become complete Spiritual Perfected (*21 Hours*) in a place where they, through work (*Paris*), fall into Oneness (*Europain 2010*), while all the time they live protected in His sovereign consciousness (*Hilton*)."

## **The way (*Machine*) emphasised**

### **The Clochards**

Memories of the few times that I have visited Paris in the past are marred with the sight of beggars, young and old, male and female. These clochards, as they are called, who are living on the fringes of our society, have always made an impression upon me. I believe they do to most of us. One of the first books I read in my younger years was about a man who impersonated himself as a clochard and lived amongst them. I remember that he wrote that it was not a romantic lifestyle, but a selfish existence having little respect for anyone or anything, least of all for themselves. As I was walking in the inner city of Paris on that cold Saturday, I looked at these lonely and miserable people with sadness and with love.

At one time I was trying to get my bearings and was looking at a street map erected on the bank of the Seine. In the corner of my eye I saw a woman walking up to me, she bended over and picked up a golden ring which was apparently lying just close to my right foot. I had not seen this ring before and this middle aged lady, who did not look like a beggar or clochard, said: "Oh Sir, did you drop this ring, is this yours?" I looked at the ring and she continued: "Look it is nice and oh, see... it is an 18 carat one!" I was taken aback and told her that it was not mine, suggesting that she should go to the police. She told me that she could not go to the police because she was an 'illegal' and she also could not wear a ring because of her religion. She pushed the ring into my hand and said: "It is yours, now is your lucky day" then she walked away. After a few steps she turned around and said again: "It's your lucky day" and she walked up to me with the words: "you have the ring, have you maybe for me some

money for a meal? I am hungry.” Now it was my turn to push the ring back into her hand and, hardly realising what was going on, I hoped to end this confrontation by saying: “No, no, it is not mine, you have it now and you can go to the police or pawnbroker and that’s it”. After that she pleaded again with the words: “Ah sir, but could I have some money?” I am so hungry.” I trusted her and I drew my wallet and gave her some. When she had the money in her hand she wanted to say something more, though she hesitated and uttered the words: “Thank you.” Then I looked her into the eyes and started to realise that I had been deceived, because her eyes were evil.

It was only a short time later on the Place de la Concorde that a man bended himself just right next to me and, pretending to pick up a same size golden ring, he said: “Here Sir, you dropped something”. I told him to go away and by that it was confirmed to me that **the lady before had broken my trust, she had defrauded me** and she was, like the people of Israel homeless, a clochard, who, like them, were without nourishment to keep themselves alive. It is by defrauding that Israel ‘lives’, and this by relying on ‘self’, which is not theirs<sup>5</sup>. Existing (means literally: ‘*stand outside*’), much like the clochards in Paris, while they do not realise their enormous grand potential because they are blinded. It is their subconscious Power of Life, present within them and creating their hunger, which keeps them defrauding..., which keeps them begging....

### **The Louvre**

On that Saturday I also went to visit the Louvre museum. It is the largest museum in the world and attracts by far more visitors than any other museum. It is housed in beautiful buildings which formed for many centuries the Palace of Kings who ruled the people of Israel. I spent most of the day looking at the expressions of the culture of Israel during the many centuries of her history. Seeing all day so many amazing pieces of art, most of them religious in character, I was contemplating not so much as on the impressive workmanship rather than on what had moved these artists to paint, sculpture or design this all. I was considering their spiritual drive.

I surmised that all the grandeur and magnificence that they expressed in their work, all their ideas, hopes and expectations which they made visible in their different forms of art and which they, through their work attempted to establish, has not been built upon by later generations. Their gods and strong men, or their images, which they so artistically made, had let them down.

Many of their works displayed men in their nakedness which shows the desire of the artists ‘to bring forth’ and although the curators had done their best to preserve the lustre of these works, deterioration towards death, instead of the ‘bringing forth of life’, had set in long ago. Most of the themes of their work reflect virtues which the artists must have anticipated for themselves and future generations, but it is vice what has been the outcome of their culture and which is visible in the morality of many of the visitors who at the present time come to see their works.

---

<sup>5</sup> 1Cor 6:19 ‘*Know you not that your body is the temple of the Holy Spirit...which you have of Elohim, and you are not your own?*’

Summarised, The Louvre displays a 'Hope of Life' in the works of art produced by a culture which has not lived up to these Hopes. It is the culture of the people of Israel displayed within her buildings and on her grounds at this present time which displays the evidence of Death. It is therefore that 'Death Works' can be seen inside the Louvre<sup>6</sup> of a culture which has fallen.

This is the destiny of Israel as the woman, or the wife, of YaHWaH out of whom we came. We have been blinded for who we are. As Eve, our mother, started her fall through blindness so we will fall as individuals and as a people. We fall because through our blindness we trusted on 'self' and defrauded Him who is Life. When our humanity, our six years or six thousand years, has been made complete we come to the point that we in our life of duality, eating from the tree of Good and Evil, realize that we could not bring ourselves to rise and as a result we die, our illusion of self dies<sup>7</sup>.

'Self' dies because the reality, to who we really are, touches this 'illusion of Self'. This is the fall of man. However, as it is written, Life will swallow up Death in victory, it is therefore the realisation that Father is The Sovereign in man which will complete man and kills his 'self' consciousness. This is Israel's 'Hope of Life' as expressed in the Louvre and this 'Hope of Life' in the Louvre is ad-mired by well over 5 million visitors per year. Consciously most visitors may think that they are attracted to the ability of the artist, though subconsciously, they are attracted to the Spirit, to that which 'defines', not the artwork but, the 'beauty' of the artwork and that is the substance of Hope, which will eventually make them 'see' their Life and Kills them.

This, I found, is a most joyful time in his-story, this is a time of having seen the birth and the decline of the people of Israel, this is a time when all hope seems to have left them, this is a

---

<sup>6</sup> 1) According to the French Larousse encyclopaedia the etymology of the 'Louvre Palace' shows it to be a 'Wolf's Den' or 'Wolf House' (derived from *lupara*, which means: "she wolf"). The people of Israel are His sheep, we can consider the artwork housed in the Louvre, or the 'wolf' in the 'house', to be deadly for Israel, because all artwork pictures 'duality' and duality kills.

It is interesting to note that the word 'wolf' is the Hebrew word זאב *zeeb* and has the pictographic meaning of 'the weapon' (ז) 'of the Father' (אב). This reflects that what is in the wolf house (Louvre) causes Life through Death, because it is His weapon. This is confirmed in the 'Testament of the 12 Patriarchs 11:2-5 where it is said: *"The light of knowledge will mount up in Israel for her salvation, seizing them like a wolf coming upon them, and gathering the gentiles (the tribes of Israel). Until the consummation of the ages he shall be in the congregations of the gentiles and among the rulers, like the musical air in the mouths of all... he shall fill up what was lacking of your tribe"*.

Another point of interest is that the Zayin (ז) has a numeric value of 7 so, the weapon is 'spiritual perfection' and the total word value is 10 (ז = 7 + א = 1 + ב = 2) which marks 'a new beginning'. (from: 'The Festival of Lights' page 27)

2) The Louvre Palace can also be seen as a place behind a shutter (louvre), a place where direct sunlight (Father) and rain (Life) is kept out, indeed a place like the 'life on this earth', where Death is present.

<sup>7</sup> As we step into our duality, by embracing the illusion of 'self', adhering to the images displayed in the Louvre, and, being blinded for who we really are, we walk away from our One consciousness in Him. In reality we move from the First Commandment into the Second. Indeed by having other gods before Him we violate the Second Commandment. As a result of this our Father will kill our flesh after our 'sixth year'/'flesh life' in order that we will never murder our fellow man again. He fulfils thereby the sixth commandment.

time that they are dying in order to be-come and to be-loved more than ever. ‘Life through Death’ is represented in the Louvre or the Wolf House, a place where we **Come to Life**.

## **The summary of the Spiritual Description of my trip**

Through Defrauding (*Clochard*) we Die to be made Alive (Louvre). This is the “The way (*Machine*) how the Enlightened Firstfruits (*Nougat*) go through the Door to Life (*Doha*) to become complete, Spiritual Perfected (*21 Hours*) in a place where we, through work (*Paris*), fall into Oneness (*Europain 2010*), while we live protected in His sovereign consciousness (*Hilton*).”

## **The Spiritual Reason**

In understanding the Spiritual Description of my trip, we have now come close to the Spiritual Reason for my journey. Because the Spiritual description leads ‘naturally’ to the Spiritual reason and is always Life and this Life, when so understood, is the establishment of Spiritual Perfection in the Flesh and on this earth. This Life will come therefore, for all of us, from the inside. At this time in the history of the people of Israel this revealed knowledge will enter into the consciousness of the Firstfruits. And this entering of Life in the flesh marks their passing through the flaming sword towards the knowledge that they ARE the Tree of Life.

So, the remainder of this article will be dedicated to address the issue of ‘Defrauding’ in order that within those who are attracted to read this paper the reason will be revealed that indeed it is them who are the Nougat and it is them who know that they too have stayed in the Hilton in Paris.

## **Defrauding in the Catholic Church**

During the time of my stay in the Hilton Hotel I enjoyed the luxury of starting the day with a lovely breakfast such as croissants and orange juice together with reading a fresh newspaper ‘The International Herald Tribune’.

From the first day that I read in this paper about the many sexual abuse cases, committed in the past by the clergy of the Catholic Church, I knew that this subject would become the very reason of my visit.

As I have given the Summary of the Spiritual Description of my trip, based upon the unique indicators of my visit, it may become clear that ‘Defrauding’ marks the way for the Firstfruits to enter into the realm of Oneness with our Father. This Defrauding is played out and has come to its accumulation in the Catholic Church, an organisation which has dominated the people of Israel in different forms and under different names as a system of faith from the outside. A blinded Church believing that it could lead people to come into Oneness through per-formance.

This Catholic or Universal Church is said to be the ‘Mother’ Church and indeed she is, as she follows her blinded ‘Mother’ Eve, who could not ‘see’ and, not having access to the Tree of Life, partakes of choices; Good and Evil.

The present leader of this church the Pope Benedict XVI expressed in the beginning of his pontificate as his central project; The desire to bring Europe back to its Christian roots. Often people, unbeknown to themselves, prophesy, so also did this Pope with the theme of this project. Our *roots* are where we come from and the Word, or our Christ, said in the beginning: “*for dust thou art, and unto dust shalt thou return*” (Gen.3:19). In ‘Dust’ lies our *Christian roots*, it is there where we started. Therefore Pope Benedict expressed the desire to bring us back to ‘dust’ and this, as the head of an ‘outside’ belief organization, he will do.

Pope Benedict will be instrumental in more than that. He will give the ‘coup de grâce’ to the faith of the last remaining believers, destroying the belief in the ability of ‘self’, a belief based upon the tenet that one is separate from his Maker and that the separation has power to ‘con-form’ to His Will. This ‘faith’ is an illusion and this illusion will be brought to dust. When therefore Pope Benedict has brought himself, as his last remaining disciple, to his root of dust, we know that it has come to pass that “*Babylon is fallen*”<sup>8</sup>, the ability to reach to Him is destroyed and the people of Israel are healing.

Pope Benedict spoke on Maundy Thursday during the yearly ‘Via Crucis’ (Stations of the Cross) in the presence of thousands of people, and referring to the current saddening events, the following remarkable words: “*Our failing, our disillusions, our grief, which seem to be the signal of total collapse, will become relieved through the hope*”. How wonderful is the sound of these words... and spoken by a man who epitomizes all the people of Israel’s belief systems in this year, the year 2010, the year of healing. Whilst ‘*failing, disillusions and grief*’ signify the defrauding of man, our Father speaks through the mouth of Pope Benedict who prophesied of the spirit of ‘*hope*’ which marks Faith or Trust and this Trust is not the trust of the Pope or of man but it is His Trust, His Faith. This ‘*hope*’ is His substance and indeed is His Faith/Trust which will ‘*fill to the former state*’ or *re-lieve* our failings, disillusions and grief into His Glory.

The question arises, who then is the author of this ‘*collapse*’ this power of destruction whereof the Pope spoke? This power of destruction is the dissolving of an illusion, because that Power is Not in the Will of the Pope nor is it in the will of any man, on the contrary this is the ‘Power of Life’ of the Father. It is Him who causes the defrauding through blindness and through circumcision He re-lieves or re-lives the deception into His Trust, His Faith. It is the Power of Life which reveals His Faith, His Trust, for us to partake of the Tree of Life, knowing that we are the Tree of Life. This **Is** the very substance of things hoped for, and this Faith destroys man’s ability. Through the ‘Power of Life’ man’s ability is made complete. Life of His Separation made Holy.

## The Concepts of Sin and Lust

### Sin

Many have written about 'Sin' and have not come further in their understanding than that Sin is breaking YaHWaH's law, as if 'Sin' is an action. We have even made a verb of this word. However Sin is 'a state of mind', a state of mind which falls short of the fulfilment of the Law and if we want to use the word 'sin' as a verb, describing a motion, then we are remaining in the state of mind of Sin.

Because of our blindness to who we really are we have been put in the realm of choices and indeed we are therefore eating of the fruits of the tree of Good and Evil. In our illusion that we are separate flesh beings, we think that by making choices between good and evil, we can obey the Law or, in the words of other Christians, 'accept Christ', and so enter into Life. In that manner we expect, by 'tilling the ground' or 'cultivating the mind', to partake of the tree from which we were cut off, the Tree of Life. This surely is impossible and reflects the very blindness of our mother Eve. In all our doing, be it Good or Evil, we cannot come to Life, we fall short of the Glory of YaHWaH. This falling short is Sin. (Rom. 3:23). Summarised, it is our mindset of 'ability' which fixes us to the realm of Sin.

Strong's Concordance gives the following meaning of the word חַטָּא' חַטָּא' chatta'ah Sin:

*Strong's 2403 חַטָּא' חַטָּא' chatta'ah {khat-taw-aw'} Meaning: 1) sin, sinful 2) sin, sin offering 2a) sin 2b) condition of sin, guilt of sin 2c) punishment for sin 2d) sin-offering 2e) purification from sins of ceremonial uncleanness*

Let us look at the 'word picture'.

חַטָּא' חַטָּא' chatta'ah; Sin

- ח Chet, Symbolic meaning: *private, to separate*. Literal meaning: *fence*.
- ט Tet, Symbolic meaning: *to be around*. Literal meaning: *snake, surround*.
- א Alef, Symbolic meaning: *strength, leader, first*. Literal meaning: *Ox, Bull*.
- ה Hey, Symbolic meaning: *'the', to reveal*. Literal meaning: *Behold, Presence*.

The word picture shows the word Sin to be: ***'around the fence where the presence of the leader is'***.

Our state of mind is *around the fence where the presence of the leader is* or, 'outside of the Tree of Life', in the realm of 'Good and Evil'. Because Good and evil are outside the fence they are both perceptions and so, they both fall short to the Glory and therefore, both perceptions are Sin.

### Lust

The dictionaries give the following meaning for the word 'Lust': *obsessive sexual desire; strong desire, intense craving; enthusiasm, great enjoyment*.

When we look at the 'Word Picture' of the Hebrew word for 'Lust', we learn a much deeper meaning.

The word 'Lust' is Strong's 2530 **ד נ ח** chamad {khaw-mad'}

**ח נ** *chamber* (ח) of *water, chaos* (נ)

**ד** *door*

The word picture for the word 'Lust' illustrates: '*The Chamber of Water before the Door*'. This refers to our existence inside the womb.

The two letters **נ ח** also refer to 'Passion' both *good* and *evil*, as together they cause friction. Thus both passions are *hot*, like a 'boiling pot' or a *chamber* of *water/chaos*, which these two letters indicate. Truly within the *chamber of water*, or the womb, we are all conceived and it is there that our passions are developed, as 'Passions' are the demonstrations of the mind or, as Noah Webster states, 'Passions are the expressions of the sensible effects of impressions'. It is in the womb that we learn the feelings of our mind, our passions.

As the womb is the world of the unborn child so is our realm of 'time and space' our world, our womb. The Passions of the unborn child are all it knows but these passions cannot open the matrix. Our Lust, *the chamber of water before the door*, is all that we know and this too cannot open our matrix, the Door to Life.

When all our Passions are completed, when our Lust is made full, then we come to realise the identity of the one who gives birth, then we come to realise that we are the feminine side of the Father, that we are the flesh Mother, and that we give Spirit Life in pain realising that New Life comes forth through the death of 'self', this is our pain. This pain is not caused by the Lusts or limitations of us in the womb..., how can it...? This Pain is caused by the victory of Life over the limitation of the womb and this Victory of Life has made the womb/mother/lust subject to it... and fulfilled it...! As this Life is the Creator of the New Life in Us and of Us.

This is the Expression of the Dynamics of Life and this is the very road to the Inner Room where Lust and Sin are made full.

## The Road to the Inner Room

The road to the inner room, or *the pathway to Life*<sup>9</sup>, is best explained as the 'frequency of our Father' or the 'drive of the Heart'. It is the inner desire to be made whole, the inner desire to make flesh and Spirit ONE. The word 'de-sire' is such a good word, because this word does not reflect an ambition of man but it indicates the power of Father. He 'sires' and flesh answers 'de'. Because we are blinded to our Spirit identity, we assume that our mind is the seat of our individuality this assumption is incorrect, in reality our true identity is our individual Spirit, who has Sovereign control of our mind. Our mind cannot comprehend this and this is our blindness and this is purposely so.

---

<sup>9</sup> 'Dan' pictures *the Pathway to Life*. (For a more detailed explanation of the word **ד נ** dân, please see the article 'The Judge Dan'. It is interesting to know, that although the New Order Judge Dan will lead his brothers on this *Pathway to Life*, all of Israel will 'walk' 'Dan' because they, as **ד נ** dân, (*the Pathway to Life*), will precede Life itself just as Dan, in history, had already departed in ships to his destiny.

Our mind, which is part of the created or flesh realm, needs to be made subject to the realm of Spirit Life. The flesh mind can do nothing towards this aim of Spirit Life, on the contrary the mind will show itself at enmity to Life, to become subject to it and to be made full with that Spirit Life.

## The Mechanics

As *the pathway to Life*, or the road to the Inner Room, is led by the frequency of the Father or, the drive of the Heart or, in other words, '*the inner desire to be made whole*', we come to identify with that *inner desire...*, we come to know that in reality we are that drive, that we are that Spirit power. The fact that we, as a flesh being, begin to feel attracted to that Spirit Power is the sign of the awakening of the mind. Although this awakening is the first 'sign' of Life to us, the Spirit Power has always been present with us, and indeed has made / formed us from within the womb.

It is this Spirit Power which is the only force behind what we, in our illusion of self, call 'our will'. It is this Spirit Power only which 'drives us', though without our awareness. This Spirit Power is therefore the driving force of everything we think and undertake and this driving force is the only real energy and power there is, as it is the Force of Him which will make us whole. Life in the flesh is the Uniting Force of the Spirit Father with the flesh which came out of Him. He has separated Himself to that 'flesh' in order to establish Himself into that very realm which came out of Him. This 'establishing' is what may be called 'healing', because this Power makes 'whole'. For flesh man however, this Love or this Uniting will come at a cost.

The process of making whole, or this Love, or this Uniting, is deadly for the flesh. In this process the illusion of 'self' will go down in much pain and purposely so. Only out of worthlessness, out of nothing, He creates Himself, as it is His Work of Rest, a healing work, performed by Him through His revealing Power in man and of man, resulting in the dissolving of the perception of 'self' and thus dissolving Sin.

As stated earlier, this is the power which has created us and this is the power forming our inner desire to be made whole, to make us partake of the Tree of Life, so that we will realise that we are the Tree of Life.

Summarising, while we perceive ourselves to be separated, partaking of the Tree of Good and Evil, all our works are energised by Him without our awareness. Whatever we do in our life, whether our ideas or ideals are grand or small, whether we pursue vice or virtue, the drive is His. It is because of our blindness that we fall short, indeed that we are and live in Sin, and it is that perception that deserves to be killed and will be killed. Because when we 'see' His uniting power in our crimes and accomplishments, or in our Sins, we see Him. Then we recognise who we are and we do not live in Sin anymore. For the mind this is horrifying and impossible to comprehend and so it should, but for the Spirit Father He is accomplishing His purpose because He establishes Himself through Rest in the Flesh.

## The Act of Uniting

The Act of Uniting is the Marriage, which is the very moment man and wife become physically one. The emotions leading up to that moment, which we may call ‘attraction’ or, a ‘feeling’ of being in Love, is the Spirit Power or, the inner desire to be made whole. The woman came out of her husband, a unity they had before time began and for which they are blinded, and they return back to each other to give Life. This is the power of attraction and this is the very power of Life itself.

Everything and all that our Father has created has been, by the fact that it was created, a separation, His separation<sup>10</sup>. Because He separated, all ‘creation’ contains His Life which will return unto Him after He has run the full course of His separation which is experienced by the separation as something called ‘death’. However, Life is thus the ultimate outcome of separation. The separation itself is ‘Work’; the attraction is ‘Rest’. These are not two forces, as ‘the separation’, or man, imagines, but ONE. All will return to Him in the order he has separated it. First the Word, our brother Yahshua, then the Firstfruits followed by His people, the people of Israel, then the other nations and last but not least the rest of His separation or His Creation.

The Return to Him is the dynamic of Life, the only dynamic of All Life. This ‘Return to Him’ is pictured and enacted in the Marriage Act and is described in more detail in my papers ‘The Sexual Drive’ and ‘Love and Marriage Explained’.

This attraction is the marriage act which, for the descendants of Adam and Eve, is pictured in the return of Eve to become, once again, one flesh (Gen 2:21-24). We are Eve and we, as His wife, desire ‘His Life’ to bring forth ‘a child who is like Him’. This is pictured in this realm through our ‘Sexual Conduct’.

---

<sup>10</sup> The Word *dabar* דָּבָר (word) is the ‘separation’. All references to ‘*dabar*’ in the Scriptures indicate ‘the separation’ and ‘the separation’ is the ‘cause of’ therefore the dictionaries also give as a meaning for the word ‘*dabar*’: ‘*because of*’. The ‘Word’ belongs to this realm of Good and Evil. Some dictionaries claim that this word means: ‘harm’ but that is deceptive because the ‘Word’ indicates ‘expression’ though that means all ‘expression’, ranging from Good to Evil and sure in the strictest sense all expression, without the Spirit consciousness, causes harm. Yahshua is the ‘Dabar’, He ‘Is’ the ‘Cause of’ (*because of*) all there is in this realm of Good and Evil. He is the *dabar* דָּבָר (word) or, the Door (ד) of the House (ב) as the Highest (ר) and He became Flesh. The *cause of All* the passions is Him and so All passions will be made to Life, will be made full, from the inside through the death of All the separation/expression. As the ‘manifested’ Father He did that for us and as He, Yahshua, said: John 10:17,18 “*Therefore doth my Father love me, because I lay down my life, that I might take it again. No man taketh it from me, but I lay it down of myself. I have power to lay it down, and I have power to take it again. This commandment have I received of my Father.*” He laid it down and took it again, from within Him, from the inside!

Some, mistakenly, claim that the word דְּבָרָה (*Deborah*) means an ‘evil’ word because of the Hey (ה) at the end of the word. However this is far from the truth. The Hey (ה) indicates the feminine of the word and indicates ‘that which comes from’. So, in this case, דְּבָרָה (*Deborah*) means: ‘*that which comes from the Word or, that which comes from the Cause*’ and indeed דְּבָרָה (*Deborah*) is translated as: “The Bee”. The Bee indicates ‘work’ (see the article: ‘Why the Bee’). Therefore, it is through Work (Bee) that we come, to the ‘Word’, to the ‘Because of’, so that our Passions or Lusts will be made full into Life from the inside.

## The People of Israel as Fathers' Feminine Side

In the marriage act the Male pictures our Father and the Female, that which came out of Him, pictures us as the people of Israel. A man loves his wife because she came out of him thus be-longs to him. For this reason our Father loves us, His people of Israel, because we came out of Him and were ONE with Him before time began. In the marriage act the husband seeks to possess his wife, he seeks to own the womb. The moment he owns the womb, he gives all he has; he gives His Life (sperm) to the womb. His wife desires Unity with Him or His Love, in fact she desires His very Life in order to recreate Him through caring and nurturing. Therefore she surrenders all her power (self) in exchange for His Love (unity) to receive this Life. This is the act of Love between a husband and his wife, this is the Love of our Father who unites His Wife, Us, His people Israel<sup>11</sup>.

Although there are many forms of blindness or many harlots (forms of religion/sexual orientation), this is the only Love there is, there is no other Love.

Our Father has chosen us and, as we came out of Him, we subconsciously desire Him and through this desire, this power within us, we will come to know Him. When we are getting to know Him we see that our perception of power, our 'self', was an illusion and thus our will is surrendered. As we are so circumcised of our blindness, we become re-united with Him to receive His Life in exchange for our power and His sperm/Life unites with the awakened man sprung forth in His womb. Then the man-child is conceived within us to be cared and nurtured by the Life within the womb.

In the natural as well as in the spiritual the woman will tend and nurture her unborn child and He, who gave Himself to her for the sake of the child, will care so that, as the one body, she will come to her potential to give birth to a Son. Though not without pain, because through the caring and nurturing, 'issue' or 'self', which so called sustained her during her 9 months of supposed apparent separation, has emanated out of her becoming a nutriment unto the child and when she is in heavy labour, she is dying because all she has and ever had is birthing from her into the fullness of the unity of Life.

This Dynamic of Life is seriously compromised in the present understanding of our Sexual conduct. However it is this Dynamic of Life which will 'bring forth' and by bringing forth our present Sexual Conduct will be made full. Then we know that all our Sexual Conduct, all our passions were His manifestations, his desires to the Life behind the door. Then, as our Sexual conduct/Lust has been made full, we know that we have lost ourselves to become united with Him.

---

<sup>11</sup> In this process of surrender Power and Life one may want to meditate upon an old and simple Chinese proverb which is short and goes as follows: "*You only own something once you have given it away*".

## YaHWaH

Who then is our Father?

As from the moment our true identity is revealed to us, we learn to ‘know’ Him. The first acquaintance we make with Him is when He introduces Himself to us. That introduction took place in the beginning, when we first met Him.

A name describes that which it characterises or portrays. This applies to our Father’s name first, because He was the Word as from the beginning and the Word brought everything into being. Therefore His name describes all there is of Him. He reveals Himself as יהוה י ‘YaHWaH’ and with this Name He covenanted Himself with man through His ‘Breath Covenant’<sup>12</sup>. In other words, this is the name which He ‘intro’-duced Himself with as ‘Breath’ in the flesh and the ‘Breath’ or ‘Life’ in the flesh became His identity and ‘naturally’ this took place and is described the very first time this name was used in the Scriptures.

**Genesis 2:7** “*And YaHWaH (יהוה י) Elohim formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.*”

According to the pictographic meaning of the Hebrew letters this is the meaning of the word: יהוה י ‘YaHWaH’:

- י *yood* His Presence (His manifested power)
- ה *Hey* His Breath (in the middle of a word reveals the Heart)
- ו *Vav* The Union; (He in You/You in Him)
- ה *Hey* Your Breath as His Breath (as the last letter indicates *the feminine* of the word or, that what comes from Him).

Together the name יהוה י ‘YaHWaH’ describes; His manifested power or, His Presence or, that what IS (י) is His Breath (ה) which is (ו) Your Breath (ה).

Or: יהוה י ‘YaHWaH’, My Breath is Your Breath.

Or: יהוה י ‘YaHWaH’, **I am You**

selah

---

<sup>12</sup> His name is not ‘God’ because the word ‘god’ is merely a title. We can also not change His name into another as much as we can’t change any word into another. His name is YaHWaH (יהוה). Any other name will not reveal who He is.

## **Defraudment**

We are all eating of the Tree of Good and Evil. We live our six days within the spectrum of Good and Evil and we 'work' our six days, subconsciously energised by the Dynamic of Life and blinded by it. Not knowing who we are, we 'trust' the only one thing we are aware of through our senses, and which we learn to know as 'Self'. We ascribe therefore 'ability' to the illusion of 'Self'. When the Dynamic of Life enters into our awareness on our seventh day and we come into the realm of the Tree of Life, it is our ability, our 'trust in self', which will be crushed so that we come to know who we really are.

This 'Trust in Self' is for us a reality and we treat it like it is the ONLY tangible thing we, as flesh men, want to preserve. This 'Trust in Self' controls and determines our knowledge of the things we are confronted with, it forms our ideas about laws and, most importantly, it elevates us into a false sense of security. However, this 'Trust in Self' is insufficient to come into Life and it will be crushed on man's pathway to Glory. This crushing of the 'Trust in Self' will be experienced by all of us through 'defrauding', as we travel on our road to be made full.

As I have stated before, all our thinking, all our deeds in this flesh life are energised by the Dynamic of Life' in order for us to become united with our Father. It is 'His Siring' of Himself in man, for which we are blinded. This process is typified by the marriage 'act', of 'two becoming one', and 'act' it is, and this act defrauds and purposely so.

## **The Imperfection of Marriage comes to Perfection**

We are driven towards our union with Him and we all need to go through the pain of circumcision to bring forth Life. Because we are living in this realm of Good and Evil we all need to go through the healing, or through the flaming sword, to come into the realm of Life.

Even the embodiment of the Union, the marriage 'act' of husband and wife, though it will bring forth Life in the 'form' of a child, cannot bring the loving man and his wife into the lasting Union they desire. Their embodiment itself is insufficient; indeed it belongs to the realm of Good and Evil, to the realm of Sex (6).

The love they express for each other in the marriage act is energised by the 'Dynamic of Life' however, in their blindness they cannot see through the door (sin) or over the fence (lust). They are stimulated by their feelings which seem to simulate the 'surrender of power' of the wife and the 'giving of Life' by the husband but, because of their blindness, these feelings are merely ex-perienced as emotions. For this reason the flesh man and wife will only 'feel' the excitement but after the culmination of emotional pleasure this feeling ebbs away and even in the best of marriages this short time of joy makes place for a feeling of slight disappointment. Although they 'love', they are not able to hold on, to establish. The Union of flesh man and his wife is thus reckoned to be insufficient. This is in essence a 'defrauding', they defraud their 'Trust in Self', they will not deliver, they will not become One, it will not bring them into Glory, because they trust in 'ability'.

Finally, after a lifetime of trusting in their ability, though, not being able to realise that which they longed for as from the beginning, death de-parts them and the grief of the 'survivor' is

caused by his/her realization of this lack of ‘ability’ to become One during their lifetime. The grief they experience is therefore the evidence of the defrauded ‘Trust in Self’.

The entrance into Glory starts when one is revealed to ‘from within’ that one belongs to each other, that one was One before time began and has returned in the flesh to become One again. That one has indeed become One flesh, prophesied as from the beginning (Gen.2:24). When this is realized then the culmination of physical and emotional pleasure of sexual intercourse has entered into the realm of spiritual healing, and then their inter-course enters the realm of sufficiency. Then they come to see that their inner desire, the ‘Dynamic of Life’ makes all their ‘attempts’ full and kills them into their Oneness, into the Glory of Yah.

By virtue of their Inner Desire to become One they have travelled through defrauding into Love, from Separation into Union, from insufficiency into sufficiency, from the tree of Good and Evil into the tree<sup>13</sup> of Life.

The Desire to become One or the ‘Dynamic of Life’ will seek to bring us to Oneness, to Life. This is ‘a way’, it is a pathway which is kept for all of us, a pathway we must travel and this pathway runs through a flaming sword. The Flaming Sword is the sword which purifies us of the notion of self.

*Genesis 3:24 “So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life.”*

## **Sexuality of the Priests leads to the Awareness of His Calling**

What we presently read about the sexually abuse of children and especially in the Catholic Church, is not what there really is. Most of Israel read the effects in blindness and call out for measurements to curb the behaviour of ‘would be’ offenders to protect the vulnerable, while failing to see the spiritual Desire to become One in the ‘so called’ abuser and in his victim.

For some in Israel this subconscious Desire to become One, or this ‘Dynamic of Life’, comes abundantly and forcefully strong. Father decides for them to follow a deeper path, even a pathway following the intense darkness of selfishness, to the depths of the most sinister of all wickedness which indeed is present within this spectrum of the realm of Good and Evil. Father within them determines a defraudment which will cut deep into their souls and into the souls of those who gave their trust to them.

Their Desire to Become One witnesses of a task to fulfil of unknown beauty, though their way to get there must run through the extremes of selfishness. The depth of their

---

<sup>13</sup> After a blind man is touched, as in Mark 8:22-25, he sees “*men as trees walking*”. His blindness being healed he sees “*clearly*” that fellow Israelites are the ‘Tree of Life’, the ‘Manifested Father’. The disciples in Yahshua’s time were waiting for outside signs, so too are His disciples in this present time waiting for Him to come to them from the outside... until their eyes are washed and they are touched, then they will see that they are, like unto the healed blind man, like unto Yahshua, Trees of Life.

defraudment is thus deeper than most mortals experience. In this way they follow close the footsteps of the Man who was despised of all men, Yahshua Messiah.

Those who, subconsciously, 'connect' with the Dynamic of Life' of these men and thus 'trust' them, find themselves through defraudment on that same pathway. They become defrauded to the extremity which ruins their life and kills their soul in the darkest corners of their being, to bring them to Life.

These people, whether they are called perpetrator or victim, and all of them are both<sup>14</sup>, are being brought to the deepest echelons of Evil in order to be raised to the highest level of Truth Awareness. It is therefore that many of these 'deeply fallen men' will belong to the First Ones to enter into the Kingdom of our Father in order that the Last will become the First. Through their Desire to Become One, their 'Self' has been defrauded in ways deeper and more intense than most of their brothers in Israel. They finally 'loose' themselves in order to surrender their 'Self', their 'Power', to Him so that they become a faithful wife, united with Father, truly ex-periencing His Love. This spiritual process of a total surrender of their deepest 'Self' consciousness is a surrender of Power which He initiates, exercises and authorises into the Fulfilment of their Desire to become One, their 'Dynamic of Life'. Indeed He marries them through the Power of His Love within them. He kills their idea of 'Self' through defraudment to establish His perfect marriage, His Glory in the Flesh.

The Catholic, Roman, or Babylonian church is the fundamental organisation which has attempted to lead the people of Israel, throughout her history, to Salvation. Indeed upon her system all of Israel's present religions are based, as a system of precepts, teaching that from man's 'outside', through his abilities, his origin and the way to his destiny is to be found. This church is, as is said before, the Mother church, sprouted from her mother Eve who was blinded. One can thus say that the Roman Church as the Mother of all churches has the spirit mindset of Eve.

Until this present time she and her many daughters are still building their; *tower whose top may reach unto heaven* (Gen. 11:4). They aspire through their 'good' works to come into the realm of the Tree of Life. Why do they still want to do that? For the very reason, as in past times, that they want to "*make us a name (שם shem)* (Gen. 11:4)", which means: "they want to Destroy(ש) the Chaos(ם)" though on the accord of 'their will', through 'their choice' of 'doing Good'. In other words, they want to become One with Him, to destroy the chaos of their mind through 'their expression of Self will'. They want His Name (שם shem), because with Him there is peace. However..., as He is the only One Name in heaven above and on the earth below, they cannot and will not make themselves 'a Name' on the accord of 'Self', they cannot שם shem, they cannot Destroy(ש) the Chaos(ם) and Live. For as long as they remain in their 'Self -will' they cannot see Him and live (Ex. 33:20). Yet, because they, as Eve, are blinded, they feel the 'Dynamic of Life', the 'inner desire to become One, to Destroy the Chaos' and in their blindness they want to 'build' their; tower whose top may reach unto heaven, ex-pecting to 'become', which they will, though through their fall.

**Genesis 11:3** "*And they said one to another, Go to, let us make brick, and burn them throughly. And they had brick for stone, and slime had they for mortar*".

---

<sup>14</sup> In the flesh the terms perpetrator and victim are easily understood. In the Spirit both are defrauded by their own 'Self' consciousness. Their 'Self' is brought down, they both are killed, to be made alive. So the victim is also the perpetrator and the perpetrator also the victim.

To become united through the 'will of Self' is symbolised by the deceptive guardian of the Israelite people today, the mindset of Eve, The Catholic Church. Many young men who, guided by their strong subconscious 'Dynamic of Life', were led to become seminarians and priests. In their consciousness they wanted to build their tower however, by trusting their humanity, they saw themselves failing. Father did not lead them to Him through their human saintliness, but their path to Him ran on account of the 'break down' of their expectations. Their expectations were high and their fall was deep.

These men were affected, even more than most other people, by the rapid decline in morality which started just after the Second World War. Father shrouded Israel with an intense darkness and these men who, through their subconscious 'Dynamic of Life', hoped to serve as priest in a New World saw their 'ideas' squashed through their reliance on 'Self' and the subsequent onslaught of changes in the doctrines of their faith on which they had built their calling. Changes in the stronghold of their faith they relied on, changes ratified through the Second Vatican Council by the upper echelons of a hierarchical system they so trusted. Their desire to serve was challenged by relentless attacks from the outside, their church and their brother Israelites, calling them to become more egocentric out of 'self'-preservation.

Accelerated by new concepts of faith, accommodating the people of Israel's fast growing blindness, many priests have been walking their 'Pathway to Life' through the utter darkness of 'Self'. Because of their strong subconscious 'Dynamic Power of Life' many of them, trusting ever more in their 'self'-consciousness, were led to the innocence and chasteness of their young dependant males who, with their equally strong 'Desire to become One', appeared for these priests to be proxies of Father, to be a substitute for them of Him, to become fulfilled.

And the children? As seminarians, these children's strong 'Dynamic Power of Life' to become united with Him, gave their 'trust' to these priests while in their consciousness they were young men with an awakening ability to 'bring forth'. To 'bring forth', in order to become united, as in a marriage proper. In other words, these priests attempted to arouse the purity and dedication of the Father in these boys, desiring to become united with Him and the children gave their power, their trust, to receive the unity they longed for...

Oh, how bitterly sad this is and how gruesome the act... This truly is the nadir of all 'self attempts', the lowest level to which 'self' can come to in order to '*make a name*', to '*destroy the chaos*', to reach unto heaven.

This act of defrauding committed by the abuser and victim (and they are the same) shows the deepest Love of our Father in them. And this defraudment, which cuts deep in the soul of the abuser and his victim (and they are the same) will eventually kill them, only to be raised up to their new task in the equivalence of their fall in order that the last will become the first.

Of course this is not the only pathway but this pathway epitomises the true purpose of my trip to Paris. The purpose of my trip, which outlines my given task as a New Order Judge<sup>15</sup> at this time, reads clearly: "To **acquire** the defrauding of some of the people of Israel facilitating

---

<sup>15</sup> For a good understanding about the New Order Judges one could read 'The Judge Dan'. They show, through Yahshua, the '*Pathway to Life*'.

them to bring forth His enlightenment.” In some other words, a task to establish them as Firstfruits a task to fulfil their attempts, to make their laws full, wherever and whoever they are. Indeed, to purchase the Machines to make the Nougat.

## Life after Nebuchadnezzar’s Dream

Man does not see Life. In his consciousness he sees the limitation of Death. That is the reason why he consciously seeks security and self-preservation all his life. Through this article some may have seen, by our Father’s revelation, that Death is only a stage on man’s pathway towards his potential, his healing into His Glory in the Flesh. Death is the end of man’s limitation and his search for security, a moment of joy, because death gives way to true Freedom, then Life will be seen.

King Nebuchadnezzar had a dream about a statue, described in the book of Daniel chapter 2. He threatened that all the ‘wise’ men would die if they did not come up with an answer to his dream. Daniel told him that no man could interpret that dream, but only the Elah in heaven (Daniel 2:28). Daniel interpreted the dream and he and the ‘wise men’ were saved. However, as their physical life was preserved by this king, and only for that time, the threat of Nebuchadnezzar was prophetic in character because all ‘wise men’, including the flesh of Daniel and Nebuchadnezzar himself has died and will die as only Elah has the power to interpret dreams.

Daniel told Nebuchadnezzar that not he, Daniel, but the Great Elah had made known the interpretation of the dream (verse 45). Why then prostrated and worshiped this great king Nebuchadnezzar himself before Daniel upon hearing of... the eventual destruction of his dominion? Was it because he saw ‘Death’ when he was told that all the pieces of gold, silver, brass, iron and clay were blown away in that vision...? Did he therefore *‘fell on his face’* (verse 46)? No, this king ‘saw’ the Life, he saw the stone cut out of the Mountain, representing our Father who will consume All Nebuchadnezzar’s kingdoms, thereby filling the Earth. He saw that he, Nebuchadnezzar himself, would be filled up by our Father, because *“the Great Elah hath made known to the king what shall come to pass hereafter”*. That is, after the destruction of his line of dominion (verse 45). And the Stone? The Stone had always been there, because that Stone out of the Mountain had already started His Kingdom *“in the days of these kings”*.

In the dream this Stone did not touch the heart or brain of Nebuchadnezzar to kill him, no, this Stone would destroy the ‘way he walked’, his feet. This ‘way he walked’ ended his flesh dominion and filled him and this realm of time and space with the Dominion from the Mountain, our Father. It was this revelation which brought this man to his knees, He ‘saw’ Father’s Sovereignty and he made obeisance to Elah before Daniel. He saw our Great Father YaHWaH in Daniel and he ‘saw’ that our YaHWaH is the Master of All the Sovereigns in the earth.

While this earthly ruler himself sentenced death upon ‘wisdom’, he received Life ‘by revelation’ from Elah upon ‘death of wisdom’. This is the interpretation of the dream and this interpretation gives Life.

This great king Nebuchadnezzar saw that, at the end of his dominions, there would come a time of change in the 'way of his walk'. The 'way of his walk' was through 'ruling'. Reign or Dominion has for men always come through 'rulership', from the 'outside'. Now, Nebuchadnezzar saw that at the end of his dominion the Stone would consume his 'rulership', the 'outer rule', and fill the earth. This Stone is the Stone of DESTINY, Our Destiny. This Stone is the Stone which we are going to BE. This Stone is the Stone whereupon we, as Jacob, will rest our head/mind in order that we, our mind, will be healed. When we are healing, we will learn to see that from this Stone of Destiny, from our Heart, the angels communicate with our mind and bring our mind into Life.

And the Stone? The Stone has always been there inside of us, because that Stone out of the Mountain is Him who manifests Himself and already has started His Kingdom within, "*in the days of these Kings*", in the days of our flesh rulership, in the time we walked this earth.

Nebuchadnezzar saw that this change of 'rulership', on a corporate level for the people of Israel and as is pictured in the dream, was going to happen at the end of his dominion. This destruction of 'outside' rulership was going to be changed to 'inside' rulership and this will obviously happen through his last successor, because his last successor epitomises this outside rulership, the rulership of 'Self', which started with our Mother Eve.

Pope Benedict XVI, in his former appointment as Cardinal Ratzinger, was Prefect for the Congregation for the Doctrine of the Faith. As a magistrate he was the highest authority to 'promote and safeguard the doctrines of the faith and morals throughout the Catholic world'<sup>16</sup>. He advised the then Pope John Paul II on matters of Justice. In other words, he held the ultimate office of the, so called, 'outside rulership' within the Catholic/Babylonian Church. His name 'Ratzinger' is a remarkable confirmation of his office, as he is a singer (zinger) of advice (rat), a man who, as his name indicates, 'pleasantly guides', which is an almost perfect description of 'outer', or 'self rule'. Our Father truly qualified this man, Joseph Ratzinger to take the office of Nebuchadnezzar as an 'Outside Ruler' and he thus became elected as the Bishop of Rome taking on the name of Pope Benedict<sup>17</sup> XVI. In his office he was now made responsible for the ultimate consequence of 'Self'.

Pope Benedict XVI who now, as Nebuchadnezzar's last successor, heads the Babylonian system/Catholic Church assumes the role of guardian over the people of Israel. He presides over the ultimate of defrauding, which is exposed in this time. We have come to see that this defrauding is the corruption of trust completed between two people who, in their subconsciousness, 'Desire to become One in the Flesh', rely on 'Self' and thereby go through the very depth of defrauding. As Nebuchadnezzar's successor he ultimately presides over this mindset of man, man's rule, the 'way of his walk', the dominion of his feet. As the last successor of Nebuchadnezzar, he is thus going to fulfil the prophesy in Daniel chapter 2. He

<sup>16</sup> One of the basic tenets of the Catholic Faith, defined by the Council of Trent, is that: "*Salvation is appropriated by grace through faith and works of that faith*". This is the mindset of 'Self ability' not just because of the word 'works', but rather because of the word 'appropriated', which denotes that one 'can take' salvation as his own...by grace...through faith and works of that faith. No one can appropriate, but He gives and the faith and the works of that faith are His'.

<sup>17</sup> It is interesting to note that Joseph Ratzinger took the name 'Benedict' after Saint Benedict of Nursia who is the founder of, so called, 'Christian Monasticism'. The word 'monasticism' comes from the Greek word 'Monastikos' which means 'live alone'. 'Living alone' means, to stay separated, to be with 'self'.

is going to fulfil the corruption of man's 'idea' to stand or to 'walk' into union with Father as He, as Pope Benedict XVI, represents the reign whose feet will be crushed... to become filled with the Stone...!

## **Pope Benedict's 'Year For Priests'**

In June 2009 Pope Benedict proclaimed a 'Year For Priests' to commemorate the 150<sup>th</sup> anniversary of the death of the priest John Mary Vianney. This French parish priest became notable for: *'the radical spiritual transformation he brought about within his community parish and its surroundings'* (Wikipedia).

The word 'priest' is a most interesting word. In the Hebrew language the word 'priest' is the word; כהן *kohen*. The first and the last letter together is the word; כן *ken* and means 'Yes' or 'So'. The pictographic meaning shows: an 'open hand' (כ) to 'life' (ן), thus: 'yes'. If we find the letter ה *hey* in the middle of a word it shows, a 'revealed heart'. The word כהן *kohen* or 'priest' therefore means: 'The Heart of Yes Revealed'. There is only One 'Yes' and that is our Father, He is the Yah or the Yes (Ja, Jest, Oui etc). In other words, the word 'priest' has the intrinsic meaning of: "The Heart of Father Revealed".

When we see the meaning of the word Priest, in the context of the Pope's proclamation of a 'Year For Priests', we note that our Father will bring forth the Firstfruits (*nougat*) through defraudment (*machine*), His Priests! It is wonderfully remarkable that it is only through Him that a "radical spiritual transformation" will be brought about, not *within his community parish and its surroundings* but in the world, through Him as the Firstfruits starting with a 'Year For Priests'. The office of Priest will be given to defrauded men and women, victims and abusers, those who are filled up with the 'Stone cut out from the Mountain', leading their brothers as a 'New Way' into their Stone of Destiny, from the Inside through Their 'Heart of the Father Revealed'. For them to become the People of Israel, a nation of Kings and Priests, to Rule the World..., as the New Ruler but..., from the inside...

## **The Truth of our Being**

Traditionally, many in Israel use the period of lent as a time of self examination. Rightfully so, this theme is used by most leaders in the churches to prepare their flock for Easter.

As they live blinded to their true identity, the people of Israel look for ways how they can resist Evil and try to do Good in order that they may be worthy to eat of the bread (be one with His Body) and drink of the wine (partake of His Life), only to find out that they, in their flesh, cannot do it. It is only when they find the Truth of their Being that they begin to 'know' Him. They do not make themselves ready to receive Him, they cannot. Over time our Father 'makes' them ready by manifesting Himself in their body/mind to finally become fully united with them, realising that they are His manifestation and so are His Wife. This, of course, occurs only through the 'giving of Life' the sacrifice of Himself, as His manifestation Yah-shua and this sacrifice is then completed within them. For this they have done nothing, no appropriation, no faith, and no works of that faith. It is only when this has been revealed within those of the people of Israel, that they have become worthy to partake of His body (be One with Him) and drink of His Blood (has the Life) to BE ONE.

With this in mind it is again wonderfully remarkable to read what Pope Benedict, being the head/principal, even the pontiff<sup>18</sup>, of this system symbolising the ‘outside’ rule of Israel, had to say to his followers in the beginning of this period of lent in the year 2010, (duality 2, coming into unity 1). He stated that it was time to: “*return to ourselves and listen to the voice of God, in order to overcome the temptations of the Evil One and find the truth of our being*”. Whether he personally understood what he said or not, our Father said that we should listen to the voice inside of us to find the truth of our being, and then we have overcome the temptations of the Evil One, being our flesh...!

## Louis Vuitton

When I was walking through the city of Paris, I found myself at one time in a courtyard of one of Paris’s monumental buildings amongst many photographers and fashion journalists. It was the final day of the international women’s fashion show for autumn 2010 and I was there in the middle of the action.

There were obviously many models walking up and down and, as I gathered and later read, the trend these fashion designers want to set for this season is, ‘*to bring out the feminine in the women*’ (International Herald Tribune), that means, according to them, more dresses, less pants and longer skirts.

One of the leading fashion houses, the one of Louis Vuitton, had built quite a presentation. There was a huge fountain with arcs of water falling down in curtains of spray, which was called ‘A Fountain of Creativity’.

Most remarkable was the title of this International Fashion Presentation of 2010 which witnesses to our main subject, because the title was: “And God Created Woman”! What a wonderful closing theme had our Father chosen for this article... because indeed it summarizes and encapsulates the whole of His femininity. Today, the Woman, Eve who has lived her 6 years in her illusion of ‘self will’, will enter into her Completion. Today she will be made Full. Today she will be healed by entering into His Rest.

**‘And Yah Created Woman... to be YaHWaH’.**

Melita Park 7 May 2010

P.S. As I finalise this article from our estate ‘Melita Park’, Pope Benedict, whilst his church is at the height of the present traumatic happenings, visits the island Malta, formally called Melita. Melita means Honey and Honey, as mentioned before, has the meaning of Enlightenment. It also happens that at this same time a dark cloud of ash from a volcano in

---

<sup>18</sup> The word ‘Pontiff’ is derived from the Latin *Pontifex* and this word has taken the meaning from its roots *pons* (bridge) and *facere* (to do, to make). So, this word ‘Pontiff’ means ‘bridge-builder’. In his office Pope Benedict will indeed actualize the connection between the people of Israel with the Father, though not through their elevation into Life, but through the valley of their death.

Iceland covers most of Europe. Iceland is the home of the tribe of Benjamin who are 'the Light Bearers'.

At this time the people of Israel are going through the process of 'dying to come to Life'. It is given to the Judge in Israel to establish this, to the Firstfruits of Israel to witness hereof. This process of 'dying to come to Life' will be enacted by the remnant. The events of today therefore are in many ways a repeat of the things that happened some 2000 years ago when our brother Yahshua, as the First of the Firstfruits, went through this same process.

At the time of the Passion of Yahshua, Palestine was cast into darkness. Similarly, we see now the financially ruined people of Iceland, the Benjamites, who, like Yahshua, have been stripped of their possessions, are bearing His Light in darkness. Not only they, but all of the people of Israel are witnessing this as the Ash Cloud covers and dims the Light over the vast area of Europe.

The Pope, as the head of the 'Self' worshipping system is, with his visit to Malta/Melita, enacting and commemorating the shipwreck of the apostle Paul 1950 years ago on this same island. The Pope has now completed Paul's commission to preach the 'Life' gospel unto the lost tribes of Israel, but he has completed it into their death. Just as the Passions of Yahshua died then on the cross, so too have the collective Passions of Israel died now. His death makes place for His Life in our body, our death makes place for His Life in our consciousness.

Paul started His commission of bringing the Gospel to the lost tribes of the House of Israel, this gospel being that 'Life' will spring forth out of every one of Israel through their death. The Pope, picturing the height of 'self', brings about the death of the people of Israel, as a nation, which is so wonderfully illustrated by the cloud of Ash, symbolising death, over this very same area whereto Israel migrated.

Paul and his companions were saved, the island gave them... Life. This Life will now also start to be experienced by those of Israel who have passed through the killing fields of Malta into Melita.

During Paul's visit to Malta he was bitten in the hand by a viper, but he did not die. A 'hand' symbolises 'work', and a bite of a viper means 'death to work'. Paul had been given Life by the Island of Enlightenment/Melita. That Sin was made complete by the Life he had received, was illustrated by the bite of the viper to the fact that the New works of his hands, his Completed humanity, would not bring forth death after he was given Life by... The Island. The natives regarded him therefore to be god.

'No man is an island' is a famous line from "Meditation XVII" written by the English poet John Donne and this phrase means that, 'Human beings necessarily depend on one another', that one need 'other beings'. Indeed, in our blindness we do, we need to be 'connected'. However, when we get to know who we are, we become Sufficient, we come to realise that Life, the water of the sea, has made us an island and, rephrasing the poem line, that 'Man is an Island' that everyone has Life within Him, that One need no other.

Pope Benedict said recently, in regard to Paul's shipwreck, wherein he died to be given Life: *"Just as St. Paul's shipwreck brought Malta the good fortune of getting the faith, we can also think that the wrecks of life can bring God's project to us and be useful for a new start of our life."* These are wonderful words, however, it was not only Malta, but the rest of Europe who received the faith from Paul through the commission of preaching the gospel of His 'Life over death'. More wonderfully still, Father spoke through the mouth of Pope Benedict that His Project, which is His Rest or His Healing, will be brought to us from our "wrecks", our lives 'defrauded', to the revelation of the illusion of 'self', towards our true identity, *"for a new start of our life"*, Our New Life...!

As we have seen Death, where then do we see Life?

Life will be seen inside of each and everyone of us. Once we have gone through the agony of Death and come to understand it, we have met Life.

Father has revealed this Life to me in my Life story as an ex-ample for all of the people of Israel and which is written in the Appendix 2 of this paper. Everyone of the people of Israel will come to a similar personal story, a story of Life, Our Life.

So, as your ex-ample or as your ex-similis:

When the Life of the sea kills our humanity, we are revealed from the inside, from our sufficiency, that our body is indeed the island, our Island of 'Tasmania', which means, Our Island of 'Great Faith' where we return to our Home which is called 'Melita Park'<sup>19</sup> or 'Garden of Enlightenment'. There we will arrive back in our Paradise to be healed in His Rest. There we will be made complete.

## Appendix 1

Many, so called, fundamental believers claim that 'Mystery Babylon' is the Roman Catholic Church, this claim is certainly not complete. The name 'Mystery Babylon' is part of the full name mentioned in the book of Revelation chapter 17 verse 5 which is: "*Mystery Babylon the Great, the Mother of Harlots and Abominations of the Earth*". This name is written upon the foreheads of all Israelites because their 'Mother of Harlots' is their 'Self' which has dominated all their harlots, all their 'self' interests, and has done shameful acts in their 'Earth', their body.

The Scriptures identify the harlot and this is outlined in the verses 9-14, beginning with the text: "*And here is the mind which hath Wisdom*".... Many perceive that what follows describes the Catholic Church with her headquarters in Rome. However this is purely the reasoning of the mind. The explanations relating this chapter with the Catholic Church may well be called the intelligence of the mind, though they can hardly be called 'Wisdom'.

What we understand with the mind is in reality a reflection of what there really is. The Catholic Church 'reflects' Israel as a people and also as an individual. Wisdom reveals that the Israelite is "Mystery Babylon" and he/she is spoken of in this part of the Scriptures and reflected in the corporate body of the Universal Church in Rome, in her history and future as well as in her geography.

"*And here is the mind which hath Wisdom*".... is the presently awakening Israelite and he too is reflected in this Universal Church because as his mind/universe comes to Light through defraudment so too will this Universal Church come to Light through defraudment.

Israel's body is the Woman, the feminine, the created, side of the Father and she sits on a beast which is her 'self' consciousness or, better still, Jacob's 'self' consciousness. She sits on seven heads and a 'head' is the highest pertaining to man. So, she covers the totality of man. She sits on that beast as this beast gives her rest, she is therefore the Whore, because Rest should be in Him.

She, as Father's wonderful manifestation, is perfectly made, yes even Spiritual Perfect, which is denoted by the 7 heads. Though she is drunken with the blood of the saints and has a cup in her hand full of abominations and filthiness of her fornication, she cannot sin, because she is His Spirit. She came through her 'seven days' of creation, Father completed her and '*He saw and it was good*'. It is her blindness which is her beast whereupon she sits, her 'self' consciousness, which has to die by His rest in her.

As Israel, He has completed her and His Presence is within her all her 'Seven Years', His Presence over the Completeness of her Creation and, as His presence is pictured by a 'Mountain', she sits on Seven Mountains, because she is made complete and Spiritual Perfect.

There are also the seven Kings and these Kings are His 'Rulerships' in every descendant of Israel. Five rulerships, or Kings, are fallen (verse 10), that means, these are accomplished in man.

1. The first Rulership being the Father in man. He is the first and the only ONE. Besides Him there is no 'self', no other.
2. The second Rulership is His manifestation in man. He made man in His image and in His likeness.
3. The third Rulership in man is His Breath, which means, He completed His Life in man, not just a little bit, no as His Life cannot be quantified, He gave all He had.
4. The fourth Rulership is the completeness of all things material in connection to man. It was the 'creature' therefore who could praise the Lamb fourfold as in Revelation 5:13 because they possess the attributes of: "*Blessing (1), Honour (2), Glory (3) and Power.*"
5. The fifth Rulership is the Grace given to redeem man from his separation, a power established in man to bring him back.

Verse 10 of the 17<sup>th</sup> chapter of the book of Revelation says, that "*one is*". This is the sixth rulership.

6. The sixth King or Rulership is thus the rulership of our humanity, our 'self' consciousness which, at this time is being made full. It is a rulership of insufficiency to come into Glory.

At the time of writing of the book of Revelation, the seventh King "*was not yet come*" and the seventh must, according to verse 10 "*continue a short space*".

7. The seventh Rulership is therefore a "*short*" period of His Rest in man. Corporately this period has started now at the beginning of this seventh millennium.

That "*beast that was and is not*", is thus the 'self' consciousness which will be healed into 'His' consciousness. That 'beast' will "*goeth into perdition*" because it will be destroyed into 'healing', into a New Beginning. Therefore, this beast who was, is not as yet that 'new beginning', but when it is, it is not a beast anymore, though it was of the seven, it is completely healed and then He is the Glorified Man "*He is the eighth*".

8. The eighth Rulership is thus a New Beginning of the Glorified Man, a Rulership of the ONE MAN.

The Ten Horns are, indeed like Kings, exercising power in the earth. They are truly His 10 Commandments. These 10 Laws or Kings have never enjoyed full dominion in man, they have not received their Kingdom. However they will be given strength by our Father in the time of healing the Beast, of healing 'Self'. Then these 10 laws/kings will be given complete power to the beast and strife<sup>20</sup>, for a short while, together with the Lamb and the Lamb makes Himself conscious in the Beast by bringing the 10 Laws in man's consciousness, making the Beast/Self complete by killing him into a New Man.

Further on in the chapter it is said again that the 'Ten Horns' or the Law hates the Harlot. The Harlot who has exercised an illusionary power over the Life she perceived to have had within her as well as the power she wielded over the Life of other people and the multitudes and nations and tongues, and the Law makes her alone and naked so that her flesh will be consumed.

---

<sup>20</sup> The word 'war' is a fairly modern word. The origin should be understood as 'strife in order to beautify', or to win. The Lamb shall 'overcome them', should in that context be understood that man shall, through the lamb, be made complete by the Law.

'Our life' is further narrated in verse 17 wherein it is said: "*For Elohim did give it into their heart to do His Will, and to agree (with us in Him before time began), and give their kingdom (rulership) unto the beast (self-will), until the words of Elohim shall be accomplished.*" Father had long decided to blind the people of ~~Israel~~ Jacob by giving them the perception that they could fulfil His will, that they had power over His Law/kingdom, to obey. This He did, so that their humanity, their separation, would fall to give way to their completion into His Glory. That great city which had reigned over the powers of the earth would then be called Isra-El which means, El Rules

Out of the flesh birth of everyone of the people of Israel comes forth 'Mystery Babylon'. Individually we have given power to the outside, to 'Self' as to a city and collectively we have been called, amongst other names, the Babylonian Mystery Religion, or the Catholic Church. None of these have ever had any power but the illusion we held to them, as Father gave to us this 'enigma within our confusion' which waits for His Rest to be solved. In order that out of this child a son will be given to us, so that we too will be called Wonderful, Counsellor, The mighty El, The everlasting Father, The Prince of Peace.

## Appendix 2

The ex-ample here are spiritual references reflected in me and in my family, the place where we live and work. This list is by no means a kind of Curriculum Vitae to qualify. Most things written here will apply to all of the people of Israel with whom we are united. Every one of the people of Israel have in a 'similar' way, in their names and circumstances, their Life Story and their task described, hence the word ex-ample or ex-similis.

My Christian name is:	Henk, which means:	'The Ruler of the House', the people of Israel will become 'Hens', they will become Kings and Priests.
My surname is:	Beerepoot, which means:	'Paw of a Bear', Bears feed on honey thus on 'enlightenment'. All of Israel will be fed on honey.
From racial descent I am:	an Israelite	and more defined, a Zebulonite because I fit in the character of the Hollander and feel my 'father' Zebulon speaks to me in his Testament <sup>21</sup> . I descent from the tribe of Dan as well because of the task given to me <sup>22</sup> . Just recently I found the genetic Dupuytren disorder on my hands linking me also to the tribe of Dan.
My birth place is:	Haarlem, which means:	'raised from the mud', as we all are. Harlem is also a boys name with a similar meaning as: 'the chosen one'.
On the date:	23-2-1947	Scriptural gematria tells us that this date has a value or sum of 28 which is (3+1) x 7 which indicates: <i>an election (1) out of the creation (4) will come to Spiritual Perfection (7)</i> . The baptism date of me and my wife Lida is 4-1-1985 which has the same value of 28: <i>'an election out of creation to come to Spiritual Perfection'</i> .
I am raised on the address	Leeuwerik straat 6	My favourite piece of music is therefore 'A Lark/Leeuwerik Ascending' by Vaughan Williams and I will 'raise/ascend' after my years of humanity (6, being the number of man).
There I became a:	Butcher	Working with my parents, as their eldest son, in dead flesh in the time of my Humanity (6).
I am united with:	Lida, whose name means:	'the Overcomer' with whom I am One. Israel will overcome. They indeed will be $\underline{\text{L}}\text{i}(\text{ל})\underline{\text{d}}(\text{ד})\underline{\text{a}}(\text{א})$ which means: <i>the Authority(ל) of the Door(ד) Revealed(א)</i> . When they 'know' their authority, the door has opened and they have 'overcome'.
Her maiden name is:	Broersen, comes from the dutch word 'Broer' which is:	'Brother' and in Hebrew, $\text{אח } Ach$ , meaning: that what comes from (א) the first (א). All of the people of Israel are brothers, coming from the first, our Father.
Our first daughter's name:	Bianca, which means:	'White' or 'Unspotted. Her body died soon after birth. All of Israel's Flesh, which she brings forth, will die in order to be called: White, Unspotted, Bianca...

<sup>21</sup> See the 'Pseudepigraphal' book 'The Testament of the Twelve Patriarchs'.

<sup>22</sup> See my paper: "The Judge Dan"

Her birthdate is 14-2-1974 and this has the numerical value of 28 = 'an election out of creation to come to Spiritual Perfection', see above.

Our son's name:	Remmo, which means:	'The Reminder'. The Male (Father) in Israel will Remember to make us One with Him. Ezekiel 16:60 "And I will remember (Remmo) my covenant made with thee in the days of thine infancy, and I will establish to thee an everlasting covenant".
Our second daughter's name:	Fanny, which means:	'The Crowned One'. All of Israel will be a Crown of Glory. Isaiah 62:3 "Thou shalt be a crown of glory (Fanny) in the hand of the YaHWaH".
Our first residence was in:	Armadale	transliterated in Dutch, our native tongue, it means: Poor (Arme) part (dale/deel). Here in Armadale our Father has brought us down. We all live or have lived in Armadale.
Our second place of residence was in:	Denmark a small town in S.W. Australia	Here I received, as a Zebulonite, the Mark of Dan to become a Judge in Israel. (See footnote 9 on page 11)
We live now on:	the Island Tasmania, meaning:	Island of 'Great Faith'. All of Israel are Islands and all are of 'Great Faith', within them they have "the substance of things hoped for, the evidence of things not seen".
Place of residence:	Mole Creek, meaning:	'Life stream (creek) underground (mole)' and is most of the time not visible. The Creek or the River of Life is mostly not 'seen' in the 'flesh' years of the people of Israel.
<u>The house we live in</u> Was firstly used as a:	Local abattoir, meaning,	All of Israel live in a slaughter house which is their body where 'self' is killed.
Then as a:	Health Farm, a place of Healing.	After Israel's flesh is killed they enter their Health Farm, their 7 <sup>th</sup> year, His Rest, in order to be healed.
Which was called:	'Mc Carthy's Mountain Retreat'	'Mc Carthy' means: <i>Son of (Mc) the Loving One</i> (Carthy). The 'Mountain' means <i>our Father</i> and 'Retreat' means <i>move back to a place before occupied</i> . All the Sons of the Loving One (Israel) will come to realise that they will move back to a place where they come from, where Father is. This is their Home where they return to and be healed, His Rest
When we acquired the the property it was called:	'Blue Wren Hideaway'	A Blue Wren is a little blue bird and 'blue' is the colour of obedience. As the name of the property indicates, this Blue Wren has the habit of hiding in the bushes and yet they also come out and hop onto the lawn. Reflecting this personally we see that; He who was once <u>hidden</u> in us will <u>overcome</u> into (our) world, onto the lawn. 1 John 4:4 "Ye are of Elohim little children (wrens), and have overcome (obey/blue) them: because greater is he that is in you (hideaway), than he that is in the world".
Now we call it:	'Melita Park'	Melita means: Honey/Enlightenment. Melita Park is an Estate which accommodates people who desire to be

filled with enlightenment as all the people of Israel will be delighted to be fed with Enlightenment in their own Estate, Melita Park, their Body.

Our main business is a (honey/melita) tourist business called:

‘Melita Honey Farm’

We provide ‘wanderers’ with Enlightenment. In a sense all Israelites are wanderers or tour-ists being nourished with the enlightenment of their own ‘Melita Honey Farm’, their body.

Father willing, we will open a new tourist attraction called:

‘Bees around the World’

This is a photographic exposition of beekeeping in different countries especially where they are endangered. All of Israel are Bees, indeed ‘worker’ bees. The spiritual and prophetic applications can be read in the article: ‘Why the Bee’. It is particularly interesting that we feature in our segment on France the Beekeeping of a Benedictine Monastery, which we visited last year. These 40 monks held 40 beehives. This pictures the time of our human efforts wherein we were alone, as monastery life indicates this, in our Creation (40 is the number of creation). We bought 2 of their jars of honey which we had to empty at the security on the airport. The honey was a reflection of their lonely human efforts and had to make place for the honey/enlightenment which is to be distributed, in Chudleigh.

The village where we ‘work’ is called:

‘Chudleigh’

The real meaning of the name Chudleigh is not known, however her parent town in Devon, England, has the description of a ‘Phoenix of a town’ because she has been rebirthed many a time in her history, just as a phoenix who rises from her ashes. This shows the character of ‘our’ Chudleigh as being one of ‘rebirth’, as she indeed did, once during the time of the ‘van Diemensland Company and one time as a timber town. Now Father, as the true Tourist business owner of the ‘Melita Honey Farm’, dominates and enlightens in Chudleigh so that wonderful Phoenixes can be raised up from the ashes.

An interesting fact is also that, although I was the initiative taker of the community project to spruce up the township, a man with the name of Peter Ashton came with the idea of planting roses. Peter is a ‘rock’ and ‘ton’ means ‘place’. So, Peter Ashton is a ‘*rock in a place of ash*’.

All Israelites are indeed phoenixes and will therefore be risen up from their death and in rising will ‘serve (work) their wanderer (tourist) with enlightenment (honey).

The second name for this village is:

‘The Village of Roses’

As a community project we, the people of Chudleigh, have planted 500 ‘Old World Roses’. The scriptural meaning of the Hebrew word for ‘Rose’ (חַבַּטְסֵלֶת) *chabatstseleth*) is: ‘*The Concealed Heart Desires to Reveal*’ (see the art. ‘*Rose and Heart United into Love*’). All of the people of Israel live inside their ‘Village of Roses’ where our Father, through grace (500), has planted 500 roses; a ‘Desire to Reveal Himself from their concealed Heart’ into their mind.
