

The 266th Pope, named Francis and described as Peter the Roman¹

This morning, the 13th of March 2013, I heard on the news bulletin that the 76-year-old archbishop of Buenos Aires, the Argentinean Cardinal Jorge Mario Bergoglio was elected as the 266th Pope of the Roman Catholic Church.

He has taken on the name Francis, drawing connections to the 13th century St. Francis of Assisi, who saw his calling as trying to rebuild the church in a time of turmoil.

Francis

It is interesting to know that the Franciscan order, which St Francis founded, was authorised by Pope Innocent III, but not until after this Pope had a dream in which he saw Francis holding up the Basilica of St. John Lateran, which is the Cathedral of Rome, the so called 'home church' of all Christendom. This dream of 'holding up the Church' is the crucial element in Innocent's prophecy which purposes to be the task of the present newly elected Pope. Pope Innocent saw Francis supporting the church by his strength, the strength of 'self'.

The Roman Church or the People of Israel

Pope Francis is a Roman Pope and the head of the Roman church. The word 'roman' means: '*Flesh man*'² and the word 'pope' means: '*Father*'.

As a Roman Pope he is thus a 'flesh father'. However the 'Church of Elohim' is a community of people belonging not to a flesh father but to a heavenly Father, as the members of this church are intently the People of Israel. These people are descended from the man

Pope Innocent III has a dream of St. Francis of Assisi supporting the tilting church (attributed to Giotto)

¹ According to the prophecy of St Malachy the 266th Pope is described as 'Peter the Roman'.
"In the final persecution of the Holy Roman Church there will reign Peter the Roman, who will feed his flock amid many tribulations, after which the seven-hilled city will be destroyed and the dreadful Judge will judge the people. The End."

² The word 'Rome' comes from the Etruscan word, 'rhome', meaning: '*hard*' and is relative to the Greek word: "ῥώμη, *rhōmē*", meaning: 'strength', 'vigor' (physical). Hence the name, 'Ro-man' means: '*The strength of man*', which is 'Self' and 'self' relies on his 'flesh', thus '*Flesh Man*'. We do see this meaning confirmed in the ancient Roman culture as every 'strength of man' was attributed to an expression of a flesh god.

Yahshua did not build His Church upon Peter⁵ as a flesh man, He builds His Church upon The Rock, the revelation of the manifested Father IN man, which is Him the Messiah, the Son of the living Elohim. The illusion of man to come into unity with his Father through the eucharist is a false gospel of salvation which comes from the 'outside' and is proclaimed and practiced by the collective members of the Catholic Church. It is a false gospel purposed and destined to fail and die.

Throughout history many amongst the people of Israel have in their blindness perceived that Yahshua started to build His House upon a flesh man and they thus called Simon Peter the first Pope and a Roman, a flesh man thus. They gave birth to 'Peter the Roman' as a 'flesh body corporate', the Catholic Church. Now, at the final era of this dying body we see in the dream of Pope Innocent III, the last effort of that Church community. Pope Francis supporting this tilted church, which is built on flesh or sand, will not restore her into her rest, it will not bring her into the Kingdom but it will fail and this universal church representing all her offspring will fall. Thereby will Pope Francis, as the 266th ⁶ 'Peter the Roman', see the end of the 'era of man' in the poverty whereto he is attracted, becoming destitute into his death.

⁵ See for a more detailed explanation of the word 'Peter' pages 2 and 3 of [The Stone](#)

Also, from my recent article: ['Mount Hermon, Damascus and Jerusalem'](#) (footnote 14) the following:

He builds His Church on that Stone, which is on man's consciousness of being united with the Father, through the Son, and in his head. It is the Life awareness of the Father which man receives from Him and on that Stone, or Rock, or diencephalon, or Holy of Holies, or Yahshua, He builds His Church, as He told Simon Peter.

It was not upon 'the man Peter' whereupon the Church was to be built but upon 'that revelation', which came from the inside of Simon's head, it was upon Peter's 'awareness', thus upon His unity of flesh and spirit, that Yahshua told him he would build His Church. His Unity of flesh and spirit is 'Him Manifested' and ... indeed... 'Him Manifested' is Yahshua and He is our Rock, or our Stone, or our Peter. And surely as this revelation, which Peter received and was predetermined before time began, it was reflected in the meaning of his name as he, and we all, 'live up' to the meaning of our names. He was called Peter, which means: 'Rock' or 'Stone' and in Matthew 16:16 'Simon Peter', which means: 'He has Heard the Stone' and in verse 17 Yahshua called him 'Simon Bar-Jona', which means: 'He has Heard the Son of the Dove'.

There, where formerly man united with his idol 'self', which is his 'will', Father 'Unites with man through the Son and so ... subsequently in man with His People'... and this 'Uniting His People' is the perfect outworking of His Church.

⁶ The number 266 indicates: The separation (2) will come to the completeness of man (66), resulting into (2+6+6=14) flesh and spirit (2) to be healed into Spiritual perfection (7) , (2x7=14).

In conclusion

Pope Francis⁷ as ‘Peter the Roman’ is not the Rock whereupon the Church of Israel is built. The Rock whereupon the people of Israel are built is the Rock Yahshua, who lives as flesh and spirit United within them. He is their manifested Father and upon Him they are firmly built. They are Not built upon the ‘father of flesh’, upon the Papa or Pope or on the prophesied description of this flesh church, ‘Peter the Roman’. Flesh is not solid ground and Pope Francis’s tilting ‘flesh’ church, which he supports, will therefore topple. Her collapse following will cause the people of Israel, who were part of her, to lose their ‘self’ consciousness in order to dis-cover their identity in the consciousness of the Father and thus to be erected by Him, as He emanates from within them, to be the re-stored people of Israel. Then she will be healed into Spiritual Perfection to become the Glorified Father, thereby showing herself a Light to the nations, restoring all of Creation, bringing All into All.

⁷ The Latin Motto Pope Francis chose for his job is “*Miserando atque Eligendo*”, which means ‘with mercy and choosing’. He did not choose this motto himself, indeed he was given this phrase by our heavenly Father who has ‘chosen’ him for the work He will be doing in him and He WILL have ‘mercy’ on him.
