

Apple and Snow White

The Fairy Tale of Snow White holds the answer to our eating of the Apple of Mother Eve and of Steve Jobs.

The Success of Apple's introduction iPhone 4S is remarkable. Some expect 4 million devices will be sold over this weekend...!

What is the cause of this extraordinary success?

The People of Israel, our people, have a strong subconscious desire to commune with Father as they are in Him and He is in them. For this reason they will, in the darkest moments of their blindness, just before their New day, invest heavily in any medium of communication to fulfil that burning desire 'to commune', 'to attach' or 'to become One', in order to become fulfilled. It is this subconscious desire which causes them to rush to the stores for a New Phone. However, because of their blindness, they trust on their own ability, their 'Self Will', and 'use' this 'Apple iPhone to become fulfilled. By doing so, they figuratively take a 'bite' out of their Apple, as the Logo indicates. This 'bite' out of the Apple, relates to the same expression of the 'Self Will' of our mother Eve who took a 'bite' out of the legendary fruit of the Tree of Good and Evil. Both 'bites' indicate a desire to become fulfilled, to become One with our Father and both, the people of Israel at the present time as well as their mother Eve, trust their own ability, their 'Self Will'. As Eve died through her 'bite', her 'Self Will', so will our people die through their 'bites', their expressions of 'Self Will'.

Some of us who are familiar with the fairy tale of Snow White¹ and the 'Seven' Dwarves may see some interesting comparisons and the solution of this conundrum. When Snow White had eaten from her Apple she died and it was not until her Prince, the Son of the King, lifted her up but fell², that the piece of Apple was coughed up out of her throat. Through his fall and her coughing up of her bite she came to Life in order to become married with the Son. As Snow White died from her piece of the Apple, so are our people dying who eat from their 'Apple', their trust in 'Self'. Some of them are now woken up and see that the Son has 'fallen' for them and they with Him. By their fall their 'bite', or 'Self Will', has dropped to the ground where it belongs. They see that their 'Self Will' has died and they start to be in communion with the Sovereign Father within them through the Son. When

¹ We may see Snow White as the people of Israel whose sins will be made 'White as Snow'.
Isaiah 1:18 *"Come now, and let us reason together, saith YahWaH: though your sins be as scarlet, they shall be as white as snow..."*

The Seven Dwarves are the Seven Creation Days and as Snow White felt most comfortable in the bed of the Seventh Dwarf, so the people of Israel will be most comfortable in their Seventh Day, their 'Day of Healing', wherein they will lay in His bed, in His Rest.

² To complete the parallel of this fairy tale with the story of the people of Israel, the following may be of interest. The Son of the King bought Snow White, so are the people of Israel bought.

1 Corinthians 6:20 *"For ye are bought with a price..."*

The Son in the fairy tale fell with the coffin whereupon her name was written, Yahshua 'fell' placing the cross on the ground whereupon the names of the people of Israel are written.

they are finally united with the Father they partake of the Tree of Life, not by the bite of the Apple but through the bite of the Apple, that is not by 'Self Will' but through the death of 'Self Will'.

Four Million devices are expected to be sold and, as 4 symbolises the 'Completion of Creation', it may well be that we come to see that the time of the Completed 'illusion' of Creation has been reached for their Apple, their illusionary 'self will'. The people of Israel cannot 'hear' and 'foresee' through the ~~iPhone~~4S or, they cannot '*I (i) hear the sound (Phone)and fo~~w~~reSee (4S)*' and come to Life, but they will choke in their piece of 'self will' and die, to come to truly '*hear and envision*' their Father within them, through the Son and find themselves 'Alive'. This may be indicated by the meaning of the name of the co-founder of Apple the late Steve Jobs (א י ו ב) who passed away just a few days ago and whose name means the '*Crowned (Steve) made the First in the House (Jobs א י ו ב)*'. That the people of Israel, as Eve, will die to 'self' to become alive is also confirmed by the meaning of Eve's name, who is the Mother of all LIVING... and this Mother 'Eve' indicates their 'eve', which is for many a time now, the 'eve' before an important Eve-nt..., the birth of 'Living' Sons....
