Why the **Bee**...?

Ephesians 1:17,18 *“That the Elohim of our Master Yahshua Messiah, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints...”*

Preface

Lately our **Honey Bee** appears in the news connected with a world’s doomsday scenario. Articles and T.V. documentaries report on the alarming rate of deaths and the disappearance of thousands upon thousands of **Bee** colonies in our western world. Many suggestions are offered as to the cause of this phenomenon and there is much discussion. All these publications stress the one fact that we are dependant upon the **Bee** for pollination of crops. When pollination fails, crops fail to grow. We may be advanced in our technical knowledge and many may live a, so called, sophisticated life style far away from the land but, when it comes to our daily sustenance, we need the **Bees** and when the **Bees** are gone, life is gone.

There are not many things in my life that have fascinated me more than the **Honey Bee**. When I observe them in our family tourist business “The Honey Farm” I feel a great intimacy and a love for these wonderful creatures. The order in their seemingly apparent chaos, the perfect communication, the diligence in their work, the cooperation amongst them, all these things and more are so interesting to see and when I am with them for a while it becomes unmistakably clear to me that their tasks appear to have one purpose and that purpose is directed towards serving the **Queen** either in a direct way or indirectly by nurturing her offspring or any other of the many tasks involving the running of her house(hive)hold. The **Queen** is the pivot of the colony and all the, so called, **‘workers’** **‘work’** for her and through **‘work’**, they pollinate and facilitate life.

I have noticed that many people are far removed from these natural realities and the realization of our dependency upon the **Honey Bee** and even fewer people see the wonderful spiritual realities the **Bee** and the **Bee** colony represents. A few of these realities are explained in this paper. Lifting the veil a little, I will disclose

that **Bees** are metaphorically described for all the people of the tribes of Israel and in particular for the rulers who belong to the dynasty of Judges of the House of Dan. Another of these realities is, that it is the **Queen Bee** who represents Yahshua. Yahshua who came out of the Father is regarded feminine. The **Queen Bee** is mated in the beginning of her Life cycle and been given the offspring for her entire life of about 5 years, which means a few thousand **bees** per day. This relates to the offspring of Yahshua.

John 17:9 *“I pray for them... which thou hast given me; for they are thine.”*

Before we go on with this article, I like to mention one more thing that I always enjoy in our shop and that is to observe the observers of our glass observation **beehive**. The people who visit us have undoubtedly different backgrounds and interests but it is remarkable that most share the same thing and that is their fascination of what they see. When they spot the hive their body language starts to change, they do not tense up but approach the hive relaxed. They look at the **Bees** with an ‘open’ face desiring to know and to find out and to discover and to see the **Queen Bee**. Especially the little ones who may not know too much about **Bees** can watch for quite a length of time looking for the **Queen** and when they have found her they are elated. It is a great joy to see.

The purpose of this Paper

I would love to write a great many things I have come to learn about the **Bees**, however in this paper I have set out to write about how the **Bees** identify to us and how they identify to the tribe of Dan, one of the sons of Jacob. Furthermore, I like to write down the revealed answers of, what makes the **Bee** such an intriguing creature and why they identify with Dan and why in particular the Judge Dan is identified with the **Bee**. Many people who do recognize that Dan must have something to do with the **Bees** because of the Riddle of Samson, who was of the tribe of Dan and the last Judge of the old order and the first of the New Order¹, may wonder why it is that throughout history the **Bee** appears into our culture as a mysterious creature, a creature that is held in such high esteem by many of the powerful.

Many who have ruled Israel throughout history have revered the **Bee** as a totem, we think about the fascination the Merovingian Kings must have had for the **Bees** through the discovery of 300 golden **Bees** in the tomb of Childeric I, the founder of the dynasty. Napoleon, who claimed to have descended from this line, had made copies of these golden **Bees** and had them fixed on his Coronation cloak and on the wedding gown of his wife Marie Louise (Habsburg). Napoleon himself was known as **The Bee**. In our more recent history, men as Thomas Jefferson and Benjamin Franklin were intrigued with the symbolism of the **Bee** and even on the Washington Monument, the obelisk that was built as a memorial to George Washington, the first president of the United States, homage is paid to the **Honey Bee** as the Lord of the nation because on the monument it states: *“Holiness to the Lord Deseret”* (deseret means, **Honey Bee**).

¹ See my paper “The Judge Dan”

Some claim that the, so called, 'antichrist' would come from Dan, fearing that this 'antichrist' would destroy them. However, the New Order Judge of Dan is not the 'antichrist' but he may provoke the 'antichrist' (flesh man) in the individual Israelite in order that the 'antichrist' will stand up and be killed.

The mystical symbolism of the **Bee**, furthered in our culture by many, finds its origin with the appointment of the Judge Samson and is expressed within the Riddle recorded in the book of Judges chapter 14. The Riddle requires to be unraveled by all flesh and the outcome will effect all and everyone of Israel, not just the Philistines². We will learn that if one is unable to unravel the Riddle within the SEVEN days (verse 12) his flesh will die, 'self' will be killed. It is therefore the 'Christ Dan' not the 'flesh Dan' who will kill the philistine in Israel at the end of the 7th day, concluding their 'Pathway to Life'³, making each and every one of His people Spiritually Perfect (7).

We will come to see, Father willing, that the Riddle of Samson, though it had its application in Samson's time, has held its power throughout the ages. Many of the tribe of Dan have felt that power and were energized to 'play' their part, unbeknown to themselves that they were but tools or steppingstones, to further Israel on their 'Pathway to Life'.

This is that time that the mystery of the **Bee** will be revealed. That which identifies the **Bee** with Dan will be shown. The Riddle of Samson has lived its life and it is the purpose of this paper to unravel the Riddle and establish this truth so that anyone who reads and, Father willing, 'sees' will receive LIFE.

The Riddle of Samson

Samson was a Judge in Israel. He was the last of the Judges (Samuel was rejected) and he had an encounter with a lion which he killed with his bare hands. Later when Samson returned to the spot where he had killed this lion, he found the carcass and he saw that there was a swarm of bees and honey in the carcass of the lion. I have written about this story, described in the 14th chapter of the book of Judges, in my paper 'The Judge Dan' pages 9-14. It is a wonderful revealing story which shows that Samson is the first of the long line of New Order Judges and it is Samson who began to deliver Israel from their flesh nature.

Judges 13:5 "...he shall begin to deliver Israel out of the hand of the Philistines."

² The word Philistine in the Scriptures is allegorical for 'flesh' or 'flesh nature'.

³ The word 'Dan' is in the Hebrew language a two letter word. It is Strong's 1835 דן דן "judge". The word picture tells us the following:

ד Dalet Symbolic meaning: pathway, to enter

Literal meaning: Door

ן Noon Symbolic meaning: activity, life

Literal meaning: fish

The word picture shows the meaning of the word דן דן, which is: 'the pathway to life'.

We want to keep in mind that in Scripture the Philistines are symbolic for flesh and/or flesh nature. The beginning of the deliverance therefore set the stage for the task of the Judges in Israel throughout history starting with Samson's appointment until the time this task will be accomplished and that is the time we are living in today.

Yes, the House of Judah has been given the sceptre, but the House of Dan the task to Judge.

Genesis 49:16 "*Dan shall judge his people*"

Dan has judged his brothers ever since he has been given this commission through his father, he has led Israel on their '*Pathway to Life*'. Thus the beginning of the deliverance from the flesh started with the Riddle about what had occurred to Samson in Timnath, a Riddle he firstly presented to the Philistines, to the Flesh.

Judges 14:14 "*... Out of the eater came forth meat, and out of the strong came forth sweetness.*"

Samson asked the Philistines to declare the Riddle within seven days. The outcome was that they extracted an answer from his wife Delilah and gave that answer to Samson on the seventh day:

Judges 14:18 "*What is sweeter than honey? and what is stronger than a lion?*"

Although the Philistines had given Samson an answer, it was an answer which implied that they knew what had happened and in that respect they "found out" and "expounded" that which he had experienced, this is confirmed in the verses 18 and 19. However, they actually never declared, solved or revealed the 'meaning'. Because they 'pretended' to declare the meaning, which they received by stealth, Samson did not give them the garments of Life (30 = 3x10 = completion of the perfection of Divine order⁴), nor did he give them 30 sheets (=Strong's 5466 *linen wrapper*; 'linen', symbol of righteousness) but instead, gave the apparel, or change of garments, of 30 dead men prophesying to us that death completes Life. Flesh (philistine) can never come to unravel a meaning or have a revelation, and is thus destined to die.

Nowhere in the Scriptures is this Riddle explained or revealed because the meaning has firstly a strict personal relevance. As the metaphors of the Riddle took shape and progressed throughout the history of the people of Israel, the outworking and revelation for corporate Israel are for this time.

To make it even more intriguing the 'flesh' Philistines added another dimension to it and, as we may see, getting to know the completed Riddle gives Life.

Ever since the Judge Samson received his commission to "*deliver Israel out of the hand of the Philistines*", the life of the people of Israel has been ruled and influenced by the House of Dan. As the eagle became Dan's emblem, the **Bee** stands as a symbol for Dan's **Work**. The great task of Dan to deliver Israel from the flesh, as the **Worker Bee**, has

⁴ 'Number in Scripture' by E.W. Bullinger.

throughout history influenced many cultures and peoples and caused the **Bee** to become the symbol for resurrection however the result of her **Work** has not yet been shown.

Dan as the **Worker Bee** has ruled the nations of Israel through Kings and lines of Kings, Emperors, rulers in government and in religion, individuals and groups of individuals, openly and in secret. All of them have held the **Bee** in an esteem intrinsic to the truth hidden within the riddle. In spite of the fact that some of them have elevated the **Bee** to a god or goddess, all have received a level of revelation and performed their task, playing out their purpose of being instrumental in their **work**, furthering the people of Israel on their **'Pathway to Life'**.

Dan has lived up to his commission given to him by his Father in Genesis 49:16 "*Dan shall judge his people*", However the greatest **work** for Dan as the **Bee** is yet to be done and is still ahead of us. As the **work** of the Judges of Dan to deliver Israel from the flesh started with the Riddle of Samson the final unraveling of the Riddle is about to come upon us. As just mentioned, many throughout history had some awareness of the **work** of Dan, a dreadful **work**, which reaches it's acme for Israel in this time. A **work** which destroys the flesh through the revelation of the Riddle, but when the **work** is completed and the flesh destroyed, Life is revealed.

Our **work** and our perception of 'Self'

As I have explained in the paper "The Judge Dan", the Lion in the Riddle represents the adversary or the beast. In the Scriptures it is made clear that before we become perfected *the adversary is walking about as a roaring lion seeking whom he may devour* (1Peter 5:8). Samson was confronted, at this stage in his life, with the lion. It was 'his' lion and thus his adversary. As he held no weapon, he relied on the strength of YaHWaH to kill it. It is clear that the **eater** is the Lion, the adversary, which needs to be killed by **work**.

Our **work**, as we perceive it to be, is the essential element to come to the Father. This **work** though is the **work** of our Sovereign Father who does this **work** in us to destroy our perception of self, indeed to kill our adversary, our Lion. Thus it is this **work** which is represented by the **Bee**. It is **work** performed by flesh/**meat**, it is 'Yah' conscious man coming out of 'self' conscious man⁵. This is the **meat** coming out of the eater. **Meat** performed by Man. On a personal level, all of the descendants of the Israel have to come to identify themselves as a **Worker Bee**, because it is through **work** that one comes into union with Father. All need to die to 'Self'. While many of our brother Israelites have

⁵ All of us need to come to the stage in our life of 'self worthlessness' and see the '**work**' of Father within us, be it Good or Evil. We need to come to see that ALL this **work** serves the one and only purpose in our life which is that our 'self consciousness' comes to nothing. As Jacob, who defended his birthright all his life, was confronted with his brother and fought h(H)im in his night long struggle and was made to give-up and to surrender, said to his life long enemy Esau: **Genesis 33:10** "*And Jacob said...I have seen thy face, as though I had seen the face of Elohim...*" Jacob/Israel did not only see Elohim ruling his own life, (the name Israel means "El-Rules" NOT "Ruling with El" as is generally been taught) he saw Elohim ruling in his adversary. It was Jacob's "**WORK**", his Lifelong Fighting, which brought his 'self-consciousness' down to be replaced by his 'Yah-consciousness'

died to 'Self' before us on an individual level, now, at this time in history we as the people of Israel are at the stage that we are dying on a corporate level.

And the **Bees**...? The **Bees**... they are dying...!

The life story of Samson wherein the Riddle is posed stands as an example for all and every one of us, we all need to fight our lion, we all need to unravel the Riddle. Samson, as the descendant of Dan, was qualified to be the first New Order Judge for corporate Israel. He fought his battle, lost his stinger and died to self. All of the New order Judges following, until the present times have been qualified by their death to facilitate the individual as well as corporate Israel in their fight with their Lion, their adversary.

Dan will lead his brothers into the Kingdom

Up to the Kingdom age corporate Israel has been led by their adversary, 'Self'. They have made their 'six' thousand years full and have reached the lowest point of their wickedness. Kingship was given to Judah with the promise that it would not depart from him until the arrival of Yahshua who is the King of Kings.

Genesis 49:10 *"The sceptre shall not depart from Judah, nor a lawgiver from between his feet, until Shiloh come; and unto him shall the gathering of the people be."*

The "sceptre" is an interesting word it is Strong's 7626 שֶׁבֶט *shebet* and is given to mean: shaft (of spear, dart) 1c) club (of shepherd's implement) 1d) truncheon, sceptre (mark of authority) 1e) clan.

The Paleo Hebrew word picture shows a much deeper meaning.

ש Sheen, means literally *Teeth* symbolically *to consume, to destroy*

ב Bet, means literally *House*, symbolically *household, in, into, family*

The *sheen* and *bet* together שֶׁבֶט *shoov* shows "the House destroyed" or "the inside destroyed" שֶׁבֶט is the word for "repent" or "*return*". When your house or your inside is destroyed you want to *return*.

ט Tet, means literally *snake*, *surround* symbolically *to surround*

The word שֶׁבֶט *shebet* or *Sceptre* shows us to be: *Return to the Snake*

The Sceptre here referred to is the rod which Moses had in his hand and when thrown on the ground YaHWaH changed it into a snake so that: *they may believe*:

Exodus 4:5 *"That they may believe that the YaHWaH Elohim of their fathers, the Elohim of Abraham, the Elohim of Isaac, and the Elohim of Jacob, hath appeared unto thee."*

This rod carried the authority of YaHWaH and was therefore called the *Rod of Elohim*.

Exodus 4:20 *"... and Moses took the rod of Elohim in his hand."*

It was with the rod of Elohim that he smote the rock...twice.

Numbers 20:11 *“And Moses lifted up his hand, and with his rod he smote the rock twice: and the water came out abundantly...”*

This prophesies that Israel as a people have to be stricken twice, before they can drink from the ‘living water’ out of the rock, which is Yahshua.

For his disbelieve, his sin, Moses could not bring Israel into the Promised Land:

Numbers 20:12 *“But YaHWaH spake unto Moses and Aaron, because ye believed me not, to sanctify me in the eyes of the children of Israel, therefore ye shall not bring this congregation into the land which I have given them.”*

This story analogizes with Israel’s down fall and her present day leadership, the Royal House of Judah in England. This Royal House will not be qualified to bring Israel into the Kingdom, they have not carried the sceptre as the **Rod of Elohim**, the sceptre they carried have not returned them and their kingdom **to the Snake**, that **they may believe**.

As the Eagle, Dan will bear Israel on Eagle wings unto Himself (Exodus 19:4) and as a **Bee** Dan will facilitate the union of them with the Father. It is thus Dan who will transfer the King’s regalia, including the Sceptre, to the King of Kings.

The Lion is the King of the animals and Judah has the Lion in his emblem. We see thus the Lion in the coat of arms of most of the Royal Houses in Israel and they all descend from King David. The Lion is also the symbol of our adversary. Judah himself who was given the Kingship over the tribes knew that his Royal House would be diminished, his power terminated until the coming of Yahshua.

That the ‘flesh’ rule of the Royal House of Judah will be facilitated into the Spirit government (as a Spirit direction in Oneness) by Dan is further expounded upon in the book: “The Testament of the Twelve Patriarchs” wherein Judah told his sons:

Verse 17 *“And now, my children, I command you not to love money or to gaze on the beauty of women. Because it was on account of money and attractive appearance that I was led astray to Bathshua the Canaanite. And I know that on account of these two things my tribe is doomed to wickedness. For even the wise men from among my sons will be changed for the worse, and the Kingdom of Judah they shall cause to be diminished...”*

Verse 22 *“YaHWaH will instigate among them factions set against each other and conflicts will persist in Israel. My rule shall be terminated by men of alien race, until the salvation of Israel comes, until the coming of the El of righteousness.”*

Verse 24 *“And after this there shall arise for you a Star from Jacob in peace: And a man shall arise from my posterity like the Sun of righteousness...”*

The Sun of Righteousness will take over the Sceptre from Judah He will not be inaugurated by the present Royal Branch who represents “*the wickedness of the tribe*”, but He will come forth through ‘Judging’, which means: **‘to surround the beginning and**

*devour it*⁶. It is the Judge Dan who is symbolized as the **Bee** who **works** and thus facilitates his brothers to ‘see’ the authority of the Father, carrying them on His Eagle’s wings.

The Bee

Scripturally, **Bees** are symbolic for wisdom. In the Septuagint this is clearly shown⁷.

Proverbs 6:8 “Go to the **bee**, and learn how diligent she is, and what a noble work she produces; whose labour kings and private men use for their health. She is desired and honoured by all, and, though weak in strength, yet since she values wisdom she prevails.”

In nature **bees** built their hives in trees or, inaccessible to man, they resort to clefts in rocks. As trees are symbolic for man (Mark 8:24 “...I see men as trees walking”) so is true wisdom either ‘given’ to man or is inaccessible for him.

John 6:44 “No man can come to me, except the Father which hath sent me draw him: and I will raise him up at the last day.”

The Scriptural Hebrew word for “**Bee**” is Strong’s 1683 דַּבַּר־הַ debôrâh. The word picture shows us the following:

- דַּ Dalet Literal meaning: *door*; Symbolic meaning: *pathway, to enter*
- בַּ Bet Literal meaning: *house*; Symbolic meaning: *household, in, into, family*
- רַ Reysh Literal meaning: *Head*; Symbolic meaning: *the head, the highest*
- הַ Hey Literal meaning: *behold*; Symbolic meaning: *‘the’, to reveal*

When the *hey* is placed at the end of a word it shows that the word is feminine and means ‘*what comes from*’ as Eve is feminine and *came out of* Adam. With that in mind the word picture shows us:

The Door of the House comes from the Highest

Or

The Pathway Into, Revealed by the Highest

This is the meaning of the word **Bee**. She is The Pathway Into, Revealed (= **Work**) by the Highest. The Highest is no one less than Yahshua because He is the revealed Father or the manifested Father thus, the **Bee** is figuratively the action, the way or the work of Yahshua, in other words, the **Bee embodies the WORK of Yahshua**.

⁶ See page 6 of ‘The Judge Dan’

⁷ See Appendix on page 16

This **WORK** encapsulates the WORD⁸ (Spoken into existence) which is introduced to us, by revelation, in the book of John.

And:

As the New Order Judge Dan is identified with the **Bee**, so does the New Order Judges embody the WORK (or the Word) of Yahshua.

As the New Order Judge embodies the **Work** of Yahshua then the natural work of the **Bees** should picture this. Let us have a closer look at their work.

The labour of the **Honey Bee** is phenomenal and her tasks are numerous. Just to mention a few of them: She produces Royal Jelly, wax and propolis, gathers pollen and nectar, she builds honey comb, cleans, cools and guards the hive, nurtures and grooms the **Queen** and she feeds the young. All her tasks are directed towards one purpose which is to serve the **Queen**. Therefore, the **Queen** shows to represent Yahshua. As we were “given” to Him before He started His Ministry (John 17:9) so has the **Queen Bee** been given all of her descendants as sperm (Life) before she starts her reign, “and they are thine” (verse 10). The **Queen Bee** draws on that sperm for her complete lifecycle of about 5 years, creating, in the height of her production, 2000 offspring per day.

We may thus infer that the **work** of the **Honey Bee** is directly or indirectly aimed towards realizing this great **work**. The **work** of facilitating Life.

Honey

The main sustenance of the **Honey Bee** is Honey. So, all the great work the **Honey Bee** performs is energized by Honey but it is not only the energy that the Honey gives to this wonderful creature, but consider what she makes out of it. Out of Honey she makes wax and this comes out of her small body in thin flakes, which she chews and prepares for different purposes as building blocks for her hive. She makes a substance called Royal Jelly which she secretes from tiny glands close to her head. This Royal Jelly is the ‘miracle’ food, it is the only food an ordinary larva is fed on which makes this larva into a **Queen Bee**. The **Queen Bee** is thus not born as a **Queen Bee**, but is made a **Queen Bee**.

⁸ The word *debôrâh* (**Bee**) is derived from the Hebrew word for ‘speech’, which is: דָּבַר (Strong’s 1697) ‘dâbâr’. Yahshua, as the manifestation of Father is ‘the spoken word’ and He spoke (dâbâr) all things into be(e)ing John 1:3. He is feminine because He ‘came out of’ the Father. He is the ‘door’ of Father’s House as He said: “*I am the resurrection and the Life*” John 11:25. All of Israel need to go through the Door, to be resurrected into Life through Him, all of Israel need to be spoken into be(e)ing, which is the **WORK**. This is the pathway to come into Enlightenment towards Life. This is the ONLY pathway.

See also Appendix 2.

Think about it for a moment, a **Worker Bee** excretes a substance out of which a **Queen Bee** is made who is not only far superior than herself but who will give birth to a New Life Cycle by bringing forth males who bring forth Life and this Royal Jelly is made out of Honey...! So, Life must be in Honey!

It is through the **WORK** of the **Bee** that the **Queen Bee** is made. So, it is through **WORK**, not 'by the works' that the Father is made manifest in man and His manifestation is our Brother Yahshua.

The Scriptural Meaning of Honey

In the Scriptures Honey is allegorical for enlightenment. Having read the above that is not surprising. Life begins when Spirit and flesh unites. Why is that so? Because they were One before they entered into this realm. This truth is explained in the first few verses of John 1 "*and the Word was Elohim... and the Word was made flesh*" (verses 1 and 14). It is the male who has Life in his sperm which the female, who came out of him, receives and nurtures into New Life. This is the wonderful cycle which is described in my paper "The Sexual Drive".

Enlightenment, and thus Honey, carries the meaning of Life, through understanding (understanding = mind = flesh) the Spirit. The dictionaries give as the meaning of 'enlightenment' "*The attainment of Spiritual insight*" and thus we are enlightened when the conscious flesh mind becomes ONE with Spirit or attains Spirit.

1 Samuel 14:27 "*But Jonathan ...put forth the end of the rod that was in his hand, and dipped it in an honeycomb, and put his hand to his mouth; and his eyes were enlightened.*"

1 Samuel 14:29 "... *I pray you, how mine eyes have been enlightened, because I tasted a little of this honey.*"

Proverbs 24:13,14 "*My son, eat thou honey, because it is good; and the honeycomb, which is sweet to thy taste: So shall the knowledge of wisdom be unto thy soul:*"

Let us have a look what the Word picture of the Scriptural Hebrew word for Honey is.

Honey is Strong's 1706 **דבש** *debash* = Honey

ד *Dalet* Literal meaning: **Door** Symbolic meaning: *pathway, to enter*

ב *Bet* Literal meaning: **House** Symbolic meaning: *household, in, into, family*

ש *Sheen* Literal meaning: **Teeth** Symbolic meaning: **to consume**

The three letters together form the word **דבש** *debash* and shows: "***The door of the house is consumed***". As Yahshua is our Door and when He is consumed, that is, has become One with us, we can enter in. We then, in our flesh consciousness, see the Father. Then we are "Enlightened".

Yahshua said:

John 10:30 *"I and my Father are one."*

John 11:25 *"Yahshua said... I am... the life."*

John 10:7 *"Then said Yahshua ... I am the door of the sheep."*

Eating of Honey is:

Becoming One with Father.

Now that we know that Honey means *"The door of the house is consumed"*, Honey must have Life in it and if it indeed has Life in it, then this Honey must contain the Power of Oneness and this Power of Oneness is the "creative energy of the amalgamation of Flesh and Spirit" or,

The Enlightenment.

Now our next question is, where do the **Bees** get the Honey from and when is this Power of Oneness imbued into the Honey?

Nectar

The **Bees** make Honey from Nectar, by dehydrating it through the fanning of their wings, until the water contents is reduced until approx. 18%.

Nectar is liquid produced by mature flowers that is by flowers whose stamen and/or pistils are developed.

The word 'Nectar' is derived from the Latin word with the same spelling; *nectar* and meaning; "drink of the gods". This word in turn has its origin in the Greek word νέκταρ (*néktar*) and is **presumed to be a compound of the elements nek- "death" and -tar "overcoming"** (Wikipedia under '*nectar*'). Is this Nectar (Honey) not a wonderful *"drink of the gods (Israel)" "Overcoming Death"?*

In the paper "The Sexual Drive" I have written that the Sexual Drive, all our Sexual Drive, is the Desire from our Father to become One with the flesh through Yahshua. For a good understanding it is necessary to read this paper. For now, to refresh the memories of those who have read this, we know that as Eve came out of Adam, a wife comes out of her husband, they have been One before time began. Within their time here in this realm of time and space they come together, they reunite and become One in the flesh to bring forth New Life.

They both display the Desire⁹, that is, not their flesh lust, but, as most do not realize that they are Spirit, they display the Desire of Father. It is this Desire of the attraction towards each other, an active energy to be made full because in the flesh they are part, and their longing is to fulfillment.

In other words they carry within themselves the blueprint of who they are including their 'missing part', so to speak. The Desire is an active energy, and can be compared as a magnet. When the Desire towards each other is conveyed in their conscious mind this Desire, this blueprint, is expressed in the fluid they both excrete through the glands of their genital organs.

Indeed this fluid is **His Desire "Expressed"**. When both Desires come together and the fluids are mixed in the vulval vestibule, the Creative Energy, the Power of Oneness is unleashed to them both. They 'consume' this Power of Oneness then they 'know' each other, they are ONE. Their blueprint is made complete, the Door is consumed and man and wife can enter into her Garden of Eden, which is now their Garden and they can partake of the Tree of Life and bring forth.

When plants come into season and the reproductive structures in their flowers are fully grown, the Desire to become One is expressed by both male and female through the excretion of sweet liquid from their glands. The **Worker Bee** visits and consumes this Nectar from male and female then the Creative Power of Oneness is unleashed, the pollen released to be received by the ovum and the New Life starts. The mixed Nectar, the fluid with the Power of Oneness, is being taken into the hive to be made into Honey.

The WORK of the Bee is characterised by bringing the Desire of the Male and the Female together.

⁹ The word 'Desire' is a composite word, composed of two words; 'de' and 'sire'. The word 'sire' means; *to beget or to father*. The only One who can 'bring about' in man is Him who has made man. Thus, it is Yah who 'Sires', who begets, and it is **Him in her**, in Israel, who makes the body 'whole' **He 'de-sires' in her**. The word 'de' is used to describe *the action of the intent*, like *to fend* and *to de-fend* (the action is to fend hence 'a fence' is a de-fence).

When we 'desire', it is Father in us, who 'sires', who unites Himself with us.

To confirm this we will look at the Scriptural Hebrew word for *Sire* which is: שור (shur) Strong 7786: *hold dominion, to constitute Princes*. To de-sire means to gain dominion or to be established a Prince.

The Hebrew word picture provides a third confirmation:

ש (sheen) Literal meaning: *Teeth*, Symbolic meaning: *to consume, (to assimilate)*

ו (vav) Literal meaning: *nail*, Symbolic meaning: *'and', to add, to secure;*

ר (reysh) Literal meaning: *Head*, Symbolic meaning: *the head, the highest*.

All three together: שור (shur) meaning: *The highest is consumed*.

(the word 'to consume' should not be understood as 'to destroy', rather as 'to wholly be taken in').

When a male, who is the highest, sires offspring, the female (him in her) de-sires him, he is then actually *consummated* by his offspring giving them His complete genetic code, so that his offspring become the highest.

This is the Truth of our existence; Father will *sire* Himself in the flesh and Father in the flesh (you and me) de-sire Him so that He is 'consumed', 'wholly be taken in', in the flesh to become the Highest.

A Fusion which is called:

The Creative Power of Oneness.

This **Creative Power of Oneness** is the **Life of the Honey**. This is the mystery of the Honey unfolded and performed (worked) by the **Honey Bee**. This **Life** is the Healing, Restoring, Rejuvenating biologic¹⁰ power of Honey, it is the Power of Oneness.

Facilitating the Desire of the Female to the Desire of the Male is the **work** of the New Order Judge Dan. The Male is our Spirit Father and the Female is Israel who came out of Him.

Declaring or solving the Riddle

Now we have come to the final part of this paper we are ready to summarize and to declare or to solve the Riddle of Samson. As I have stated before, the Riddle of Samson was a Riddle not just for him and the Philistines but also for the ages following and finally for this time concluding.

Judges 14:14 "... Out of the **eater** came forth **meat**, and out of the **strong** came forth **sweetness**."

and

Judges 14:18 "What is **sweeter** than honey? and what is **stronger** than a lion?"

As will be shown there is more than one application of the solution.

1. The first application is the one that the Philistines came up with. This was not really theirs because, as they were flesh and did not have spiritual insight, they extracted an answer from Delilah. Delilah herself was one of them and thus 'flesh' therefore the answer extracted did not reveal the Riddle. As a result Samson killed 30 (completion of the perfection of Divine order) Philistines (flesh), Prophesying the completion of a **WORK** of the consuming of all flesh establishing a New and Perfect order. We can therefore be assured that all flesh will die, flesh meaning, our 'Self-consciousness' establishing 'Yah-consciousness'.

In other words; our self-consciousness, our idea of individuality, our separateness or our singularity (1) will be made complete with the consciousness of the Father (2), through the Son (3) to be made One in *perfection*, showing that nothing is wanting, completing the full cycle (10).

¹⁰ Honey is truly "Bio-logic", 'Bio' is **Life** and 'logic' is derived from **Logos**. *Biologic* therefore means "**Life-Word**". Yahshua is the Word, the Logos, He is the Life and He and the Father are ONE. The word *Biologic* therefore carries the **Power of Oneness**.

Presumed by some is that the English word 'Bee' is derived from the Greek word βίος 'Bios' (life) and originates from the Hebrew word אָזַר 'Boaz', meaning: **bo** אָזַר **inside** and **az** אָזַר **strong**. 'Inside Strong' = Life. This is interesting because the manifested Father is the 'inside' of man and He is 'strong', He is **Life**.

2. The second application, starting in Judges 14:14, is that the *'eater'* is the Lion of the Royal House of Judah who holds the Sceptre. The present authority and head of the Royal House in Israel is diseased and almost dead. This authority will certainly not bring forth the Kingdom. However out of this kingly reign, the body of Israel, comes forth *'meat'* in the form of a swarm of **Bees** which represents the New Order Judges of Dan. They are transformed in the image of the *'strong'*, through **WORK** (to emphasise, not through their own **work** but through His **work**). Made One with Yahshua Messiah, the Judges of Dan will judge Israel, leading them on their *'Pathway to Life'*, facilitating their flesh to unite with their Spirit, their true identity, their Father, bringing forth *'Sweetness'*, the Honey meaning, the Oneness. Then Yahshua, as the Sovereign, will take over the Sceptre from the flesh Monarch(s), who have been brought down through **work**, realizing that his/her flesh cannot do and is subsequently raised up in order that He becomes King of Kings.

For the explanation of Judges 14:18 the answer is found in Psalm 19 which is a wonderful Ode to our Father describing His Glory and the outworking of His Glory in this realm. This Glory, which includes the Oneness of the Honey, is indeed *'sweeter'*. The Kingly line of Judah, the *'Lion'* will be terminated and a *'stronger'* One will rule and He comes forth from the House of Dan through the New Order Judges.

3. The third application is the personal application and will be performed within all of the descendants of Israel. The *'eater'* is our adversary, our Self Consciousness; it is the fruit that makes wise. When we eat enough of this fruit we come to the realization that our wisdom, our self consciousness, cannot bring us to Life and we die to self. We then consume Sin.

Then we have come to the realization that sin is "incompleteness" and served us as a Desire to come to Oneness expressed on a flesh level as **work**, which has brought us down. This is the intrinsic or fundamental purpose of sin so that we can 'see' that we cannot 'become' by **work**. When we have eaten enough, when we have consumed our sin, we 'see' that sin had been a steppingstone to be made complete into His manifestation which is Yahshua. Then we eat of His Flesh, not of our flesh, which is lust, but of His Flesh which leads to Life eternal. This is the *'Meat'* which comes forth. This is the *'Meat'* which bring us into Life eternal.

John 6:27 "Labour not for the *meat* which perisheth, but for that *meat* which endureth unto everlasting life, which the Son of man shall give unto you: for the Father Elohim has set His seal on Him."

John 6:32 "Then Yahshua said... my Father giveth you the true bread (*meat*) from heaven."

John 6:35 "I am the bread (*meat*) of life..."

The *'Meat'* has come forth out of the *'eater'*. Out of our flesh consciousness we have come to the awareness of Him in us, He is our true identity,

John 6:55 "For my flesh is *meat*".

This first part of Judges 14:14 is also wonderfully expressed in the life of the **Worker Bee**. She gathers the nectar to feed herself as the *'eater'*, sustaining the flesh or herself and the colony, but out of her gathering, building, storing and feeding or, in short, out of her *'work'* a **Queen Bee** (Yahshua) is made. As is explained before, she herself cannot bring forth from her womb, but it is through her **work** that a **Queen Bee** is made. She as a **Worker Bee** BECOMING the *'Meat'*.

Now that we may know that we are His (YaHWaH's) manifestation in Yahshua, we know that we are *'the Strong'* and out of *'the Strong'* comes forth the unity of the flesh and the spirit the *Creative Power of Oneness*, the *'Sweetness'*.

This also applies to the **Bees**. As their natural **work** is a **work** that leads to the manifestation of the **Queen Bee**, they unite the Desire of the male and female (spirit and flesh) flowers and this brings forth the *Creative Power of Oneness*, the Honey, the *'Sweetness'*.

The application of Judges 14:18 is given in point no.2 but now on a personal level. It is His Glory which is *'sweeter than honey* (oneness)' because His Glory includes oneness.

John 17:22 *"And the glory which thou gavest me I have given them; that they may be one, even as we are one."*

The Lion is the Manifested Father and His Name is Yahshua.

2 Corinthians 5:21 *For he hath made him to be sin*

He said:

John 14:12 *"Verily, verily, I say unto you, He that believeth (He who is revealed to be the manifested Father through Yahshua¹¹) on me, the **works** (towards the completion or fullness of sin) that I do shall he do also; and **greater works than these shall he do.**"*

When one has become One with the Father through Yahshua, One has become *'stronger than a lion'*. Then the Spirit Father has made complete sinful flesh through the Life of the Lion. Then greater and stronger works than Yahshua will be done completing the whole of creation bringing all into the Glory of Him, the One, the One who created the Alpha and the Omega, the One who Is Life.

This paper has answered, through the unraveling of the Riddle of Samson, the question: *Why the Bee...?* We have come to see that the task of the **Bee** is to bring the Desire of the Male and the Female together, that is the Spirit and the Flesh, in order that the Life of the Honey, the Oneness, can be manifested through the **Queen Bee**. This has been, throughout the Ages, the task of many of the rulers in Israel men and women of the House of Dan who have been instrumental of bringing the flesh down in idolatry so that

¹¹ See for the explanation of the word *believe* the paper "Believe..."

the New order Judges of the House of Dan can lead Israel on their *'Pathway to Life'*, facilitating them to come to 'see' their True Identity, bringing their flesh and Spirit together, through the manifested Father, Being ONE.

Thank You My Father,

Appendix 1

An exposition of the words ‘Bee’ and ‘Ant’ in Proverbs 6:6-8 of the LXX (Septuagint).

Prov. 6:6 “Go to the ant, O sluggard... and become wiser...”

Prov. 6:8 “...Or go to the **Bee**, and learn how diligent she is, and how earnestly she is engaged...”

There is some confusion amongst the translators regarding the word ‘ant’ which is translated from the word נמלה *nemalah* in Proverbs 6:6 and listed as Strong’s 5244. Rather than to accentuate the character trait of the **Bee** in her acquisition of wisdom, illustrated in the word נמלה *nemalah*, most, if not all, translators missed the descriptiveness of the name, but ‘named’ a different insect, hence they came up with the ‘ant’.

Scholars are forthcoming in their expressions of doubt as to the authority of the word ‘ant’, a doubt which is caused by their blindness. This short study attempts to shed Light on the word נמלה *nemalah* which, indeed, should be translated as **Bee**.

Though, despite of the blindness of the translators, they do point into the right direction. As we will discover, this direction holds the key to a correct translation. Strong says that this word comes from 5243 and further from its root: גלל “to cut off, to be cast off”. Gesenius tells us “perhaps so called from its cutting off” and “circumcise”. Jeff Benner says in his book “Ancient Hebrew Lexicon of the Bible” “to cut the tip or end, cut off, cut down, circumcise”. So it is ‘circumcision’ which should form the root of this word and the word ‘circumcision’ is revelatory! Most translators however could not ‘see’ and took the word literal thus settled for the ‘ant’ because of its segmented (cut) body.

This is the way our Father has blinded Israel because if translators and readers would ‘see’ they would have ‘gone’ to the bee, knowing they were the **Bee** in the analogy and by knowing they would then have shown themselves to be circumcised. The question to

many today, including our translators and teachers, is: “when will thou arise out of thy sleep” and “go to the **נ מ ל ה** *nemalah*”, thus ‘see’ that ‘thou are the **Bee**’? Father provides the answer because, He says that not being circumcised or not **bee**ing (revealed to **bee**) **נ מ ל ה** *nemalah* the **Bee**, brings poverty (verse11) and surely ultimately death in order that they will ‘see’.

It is for this reason, to bring Israel to her DEATH, that Israel has been blinded through most of our present translations executed by our Father Himself. For all that time throughout history He has given Israel an ‘ant’, which cannot reveal the true meaning.

And the **Bees**...? The **Bees**... they are dying...!

But through Death they will be revealed **LIFE**.

The Word Picture

If we look at the Paleo Hebrew ‘word picture’ of this word **נ מ ל ה** *nemalah*, a wonderful truth will be disclosed which lies truly at the very Heart of ‘Circumcision’.

נ *Noon* means ‘Fish, or Life, Activity’,

מ *Mem* means ‘Water’.

The two together **נ מ** shows: ‘**Living Water**’.

ל *Lamed* means ‘Staff or **Authority**’ and

ה *Hey* means (when it is added to the end of the word) ‘what **comes from**’.

So, the four letters together show the word **נ מ ל ה** *nemalah* meaning:

‘The Authority comes from the Living Water’.

The Living Water is our elder brother Yahshua. Authority, Power, Energy or in other words “Work” comes **out** of Him. You may remember the meaning of the word **Bee given** on page 8 of the paper ‘Why the **Bee**...?’, which describes that the **Bee** embodies the **WORK** of Yahshua or ‘The Work of the Living Water’. It is through Work, not by ‘the works’, that we will receive Life. Exactly as the **worker bee** who, through Work, works herself to death and... brings forth.

A correct understanding of the circumcision of the Heart is, that one becomes aware of his/her true identity, that one is Him manifested and that through WORK one comes to this realization. In other words, we cannot ‘become’ by our works but that through our works we die in order that we become circumcised and ‘see’ our identity, our **Life**.

This is the true circumcision of the Heart, this is becoming aware that you are ‘**The Work of the Living Water**’, becoming aware that you are the ‘**Bee**’.

The Wisdom of Ants...? Or of Bees?

As is explained in “Why the **Bee**...? **Bees** are in the Scriptures symbolic for ‘*Wisdom*’, they gather in the nectar and produce Honey which is symbolic for ‘*Enlightenment*’; 1Samuel 14:27,29 and Proverbs 24:13,14.

The Ants are carriers of burdens they are hard workers, though they do not have the wisdom of the Bees. Therefore, as a figure of speech, the Ant could be used to describe the flesh. As a secular witness I like to mention a quote from Leonardo da Vinci:

“The men of experiment are like the ant; they only collect and use. But the **bee** . . . gathers its materials from the flowers of the garden and of the field, but transforms and digests it by a power of its own.”

“Men of **experiment**”, as the ants are referred to, are characterized by their outward (ex) attempts (perior). They gather and *collect* (outside) and consume (*use*), therefore they picture the ‘flesh life’. The **bee**, who has “a *power of its own* (inside), *transforms* (nectar into honey) *and digests* Honey (enlightenment/wisdom), which gives **Life**.”

The **Bee**, as she is analogue to all of the descendants of Israel, is truly the holder of Wisdom and is now revealed to **be(e)**.

Appendix 2

In the pseudepigraphal book 'Joseph and Aseneth', Aseneth, the wife of Joseph, represents allegorically the elect of Israel, or the New Order Judges of Dan, who, as principal idolaters, come out of the darkness of their captivity into the Light. It is in this book that 'speech', 'dâbâr' and 'the bees' *debôrâh* are closely connected as, after young Aseneth's conversion, **bees** encircled her mouth where they 'made upon her mouth and her lips a comb' (Chapter 16 verse 19). Therefore 'speech', or 'the work', **produces Honey** which means 'enlightenment'.

It is thus pure Wisdom of the WORD, which produces this 'enlightenment' and wisdom means vision, vision from the circumcised Heart. When this wisdom is spoken or manifested it is established. Earlier in the same chapter 16 Aseneth herself was brought to enlightenment when she was asked by a 'heavenly man' to bring **Honeycomb** from her storeroom [mind]. She claimed not to have **Honeycomb** in her storeroom (because Wisdom/vision is not accessible by flesh and the product of it, which is **Honey**, cannot be found in the mind/storeroom), but the man told her to "*proceed and you will find*". When she 'found' it, through her Heart being circumcised by Him, thus seeing her true identity, she **said**: "*Surely this came out of your mouth, because its exhalation is like breath [Breath = Life = Enlightenment] of your mouth*". Now Aseneth's **Enlightenment is established** because verse 12 continues:

*"And the man smiled at Aseneth's understanding, and called her to himself ['her' = mind, called to 'himself' = heart or, the amalgamation of flesh and spirit] ...and said, Happy are you, Aseneth, because the ineffable mysteries of the Most High have been revealed to you, and happy are all who attach themselves to YaHWaH in repentance, because they will eat from this comb. For this comb is full of the Spirit of Life. And the **bees** of the paradise of delight have **made** [emphasis added] this from the dew [nectar] of the roses¹² of life that are in the paradise of YaHWaH. And all the angels of YaHWaH eat of it and all the chosen of Elohim and All the sons of the Most High, because this is a comb of life and everyone who eats of it will not die for ever and ever.*

When Aseneth 'ate' of this Enlightenment, this **Honeycomb**, which was put in her mouth by the man (and the man is the Spirit Father within her), and thus her flesh/mind assimilated into her true identity, which is spirit, He said to her:

Verse 16: "*Behold you have eaten bread of Life [honey], and drunk a cup of immortality [honey], and been anointed with ointment of incorruptibility [honey]. Behold, from today your flesh will flourish like flowers of Life from the ground of the Most High, and your bones will grow strong like the cedars of the paradise of delight of Elohim, and untiring powers will embrace you, and your youth will not see old age, and your beauty will not fail forever. And you shall be like a walled*

¹² The Pictorial meaning of the Hebrew word for 'Rose', Strong's 2261 חֲבַצְלֵת *chabatstseleth* is: **The Concealed Heart desires to Reveal** (page 4,5 of the paper 'Rose and Heart United into Love'). It is thus the essence of the Rose/Heart, or the nectar, or this "*expression of His desire*", or His Desire made manifest (see page 11,12), which is **produced** by the **bees** into Honey / Enlightenment.

mother-city of all who take refuge with the name of YaHWaH Elohim, the King of the ages.”
