

Love and Marriage Explained

Preface

For those of you who have not read my papers, "Good and Evil" and "Circumcision and the Abrahamic Covenants", I would like to encourage you to do so. If you do not, it could well be that at some stage you will loose me and need to go to these articles to understand.

This paper will explain an understanding that, I believe, is given to me by our Father whom I call YaHWaH¹. Why did He give that to me? I do not know! I do not think of myself as a special gifted teacher, writer or even student. I consider myself as a man of no esteem. A man with many mistakes, who is daily confronted with his many sins, but, at the same time, I feel inside of me the burning desire to be a suitable tool in my Fathers hand. This parallels my desire that all my brothers and sisters come to a fuller understanding of our Fathers Love, because I know that we are standing at the threshold of a new era and that the revelation of Love within some of us will inaugurate this era. He has given me words to understand and compelled me to write them down. It is my hope that you who read this paper may experience an inner joy never felt before, through His Spirit that communicates with your Spirit. When that happens to you, you know that He is very near and His gladness will fill your heart.

Introduction

The subject 'marriage' is often times spoken of as a rapidly disappearing institution in our Western Society. One may question why that is so. Some argue that this old fashioned life style commitment does not fit with our fast changing world wherein the concepts, ideas and values of today may be obsolete tomorrow. Partners are often only fulfilling a timely need and therefore become redundant and disposable. The sought after new lifestyle seems to be incompatible with the perceived mundane task of bringing up a family.

If the idea of changing this institution of marriage into a somewhat looser concept would work then one may have a point, however it does not seem to work. Our society is rapidly turning inward, and becoming more and more egocentric. For many years we show a negative growth in our western world. Our young people stay alone, oftentimes

¹ See Appendix A, page 26

being hurt or afraid to be hurt, by broken trust, ever determined not to be damaged again. They close their heart and focus on what they 'want', which is so different from what they 'need'. Their understanding of Marriage is a corrupted and twisted view brought about by a lack of understanding amongst the generations of their parents. Thus they can only see the bad example of a 'form' of commitment which stifles their concept of freedom and happiness. An example set before them, which lacks the understanding of the deeper dimension of marriage, but retains its appearance in perceived burdensome commitments. Such an example can not reveal to them that missing dimension and because the blind are leading the blind the younger generations, realizing that their role models are outdated, are giving ear to their feelings, thereby locking themselves out of the Love that they need. They learn to chase surrogates trying to fulfill what they want, hurting others and themselves in the process.

With the inauguration of a new era the time has arrived that many amongst us will be revealed the mystery of marriage and the meaning of Love. It becomes understood that the institute of marriage is the foundation and the apex of our existence in the body, in the mind and in the spirit. This revelation is the climax of all the teaching in the Scriptures and the purpose of the comings of the Messiah. May Father open the Hearts of all who read.

Can we understand Love?

Before we delve into the subject of marriage we need to come to an understanding of LOVE. What really is Love? Can we explain it? Love is the most written, sung, talked, dreamed and read about subject in the world. It permeates, characterizes and defines all cultures. It has influenced the birth and demise of empires throughout history. It determines our health, physically, mentally and spiritually. But what is it? Can we find this out, or will we end up describing our inner feelings much alike the innumerable writers, poets or singers of the past. Will it then again be nothing more than conveying a perception of an experience and so doing adding another story about love to the long list?

I believe that we can come to an exact understanding. An understanding, which will include the origin, the foundation and substance of Love. An understanding that is not new and which has always been there, but has been hidden away from us.

YaHWaH's Sovereignty

I need to give you first a summary of the essence of the Sovereignty of Father and our identity as a Spirit coming from Him. A summary of the things that are explained in the aforementioned studies. When you read this for the first time it may unsettle you, because it is so contrary of that which is presently taught. If you do not immediately grasp some of the things I write, let it not discourage you, just continue and leave the questions in your mind unanswered. Next time you are confronted with them, some may have dissolved, while other issues may need more time still.

We are living an illusion or a dream that we have a 'self will'. Yes, Father has created us on purpose with this illusion that we are master of our own destiny. An illusion has only its reality within an illusion, however when that illusion is known as an illusion we find ourselves on the outside and discover that the perceived reality was only relative to that dream. It is a real dream. Life is like a play, a pageant whereby Father is the director and we are the actors. This is not a good analogy, because the actors in a play know that they are acting, most of us do not know. Why is that?

To remind you, Father desires to manifest or to express himself in the flesh, within us. We, the creature, need to be made subject to Him. One could say: "Well, if He is the Creator then the creature is always subject to Him" and that is true, but to manifest Himself fully in us, that is, into our *consciousness* as well as into our *body*, requires the *awareness* and the subsequent *birth* of Himself within us, within our flesh

The conception precedes that birth and this is a spiritual manifestation of our divine being into our flesh being. *Our divine spiritual awareness awakened into our flesh consciousness.* That spiritual manifestation is an expression of His Glory through you and me and all of us. That manifestation can only be brought about if we do not hold any esteem of ourselves. Why is that so?

As long as we are holding on to any esteem of our flesh being, an esteem that 'we can do', then this birth, this manifestation cannot take place, because it wants to make the conception and birth dependant or subject to 'self'. The crucial point to understand is that this esteem needs to be changed. The esteem of the flesh being needs to be brought down to make place for the esteem of the Spirit being. The esteem of "I will" needs to be changed into the awareness of "I have no will". This will then automatically transfer all power once accredited to the flesh or to self, to the Spirit of Father within oneself. The Spirit, which comes from the Father and from whom we have come '*before the world began*' [2Tim1:9].

Generally speaking we have no recollection of having any existence before our physical birth. With our brain capacity we have no idea of our true identity other than the shell we see in the mirror. And sure this shell is an expression of Him but it is not *who* we are. ***We are Spirit*** and we *come* from the Father. His Spirit, our true identity, is symbolically seated in our Heart. At this moment, most of us are totally unaware of His presence in us. He has blinded us, He has closed the veil of our heart and He made us unable to access Him. Having no vision, relying on the flesh and ruled by the brain, we face and experience our existence in this flesh life with gross limitations. We are limited in our control and ability to discipline ourselves and our environment, constrained within the confines of our existence in the flesh, we are unaware that this existence in the flesh is, like anything else in this created realm, totally dependant upon His Sovereign Power over us and within us.

As a consequence of this feeling of inability to control, the vast majority of us become

desperate. Desperate through the pain and sufferings we experience, because we cannot become perfect. Through our quest of satisfying the only thing we 'know', that is our senses and mind, we create war and chaos within ourselves, our environment and the world, which inevitably ends with death.

This all is exactly according to Fathers plan and His perfect Will. Pain and hurt, suffering and persecution which, for all of us, ends in death. It is the death of 'self'. Self needs to be killed and that hurts. When self is killed, He will reveal Himself. This is the process of His glorious revelation within us. There is no one besides Him. There is no esteem of self that can stand in the face of Him. When self starts dying, the transformation begins, not earlier.

With this Sovereign awareness we will come to understand that our Father takes the full liability for our sins and has therefore sacrificed His only begotten Son, who was innocent, and through whom we now have Life, real LIFE, outside this real dream. Father draws us to himself through the death of the flesh and then we will come through Yahshua to receive LIFE.

John 6:44 *"No man can come to me, except the Father which hath sent me draw him: and I will raise him up at the last day."*

We will be transformed into divine beings, as perfect expressions of Father. Already ONE in Spirit and now becoming ONE in the FLESH with our Father. This is the purpose of our life here in this earth.

Our Identity

Regarding Love and what it really is we have groped in the dark for such a long time. Most of us categorize every form of affection as a form of Love. It confuses many older people to be confronted with deviations of their concept of Love, seeing that their children and society have adopted a concept of Love of which they earlier believed that to be a departure of their moral principles and to be sinful. Because of this lack of understanding of what LOVE really is, we are unable to see the deep creative energy force that forms the foundation of an ever expanding divine intimacy, which exists in all of us.

How do we know and how do we experience that energy force?

Genesis 1:26 *"And Elohim said, "Let Us make man in Our image, according to Our likeness..."*

At that point He decided His great plan to manifest Himself in man.

In Adam He gave us the breath of LIFE, He has put His Spirit within us. Our true identity is not our flesh body, but our Heart Spirit.

Romans 8:9 *"But you are not in the flesh but in the Spirit, if indeed the Spirit of Elohim dwells in you."*

He has chosen us in Him before the foundation of the world.

Eph 1:4 *"According as he hath chosen us in Him before the foundation of the world..."*

We are Spirit and Father has put us, as His spirit and our identity, in man, male and female.

Adam was formed and some time later Father made Eve out of Adam. They became husband and wife. Out of ONE body the Elohim made TWO bodies. Out of ONE Spirit identity He made TWO Spirit identities².

Genesis 2:23, 24 *"And the man said, 'This is now bone of my bones and flesh of my flesh. This one is called 'woman,' because she was taken out of man. **For this cause a man shall leave his father and mother, and cleave to his wife, and they shall become one flesh.**'"*

Adam and Eve are TWO Spirit identities though in the beginning they were ONE, in Adam. Adam had the Breath of Life blown into him. They were separated with the birth of Eve. Eve was his spiritual counterpart, of the same kind and, according to the plan of Father, they were to become ONE again to produce in the process offspring that has the Spirit of LIFE within them. Because of this Eve was later called *"the mother of all living"*, she gave birth to the generations who have LIFE imbued into them. To produce, one needs to be separated first, and then united, to become Two. Anything else is adultery. If one takes one of another kind to produce, one is not united with his spiritual counterpart not united with his kin and so not in accord with the law of 'kind after kind'.

As our Father and Yahshua were One before times of old, Yahshua, being taken out of Him and became, as His feminine or created side, the WORD, the perfect man. Father the ONE spirit and out of THE ONE He made TWO to produce offspring. As Eve was the corruptible mother of all living, so became Yahshua, in that sense, the incorruptible mother of all Living. All of His people out from the Father, from Him. Gestated and birthed by Yahshua. Yahshua, giving birth to children, Spirits of the NEW LIFE, which were begotten of the Father, to become full SONS of the Father. Manifesting Himself in them, to become exactly like Him, YAHWaH manifesting Himself in the flesh.

So too are they who are married, or will be married in this realm, born in part and are, or will be, united with their spouses of old again. They were separated in this realm, to produce LIVING offspring.

We were in our F(f)ather and came out of H(h)im. Conceived as a physical being with inherent LIFE into the created realm within our natural mother. Conceived in the Spirit with the baptism of the Spirit, our Pentecost experience within Yahshua.

John 6:37 *"All that the Father giveth me shall come to me; and him that cometh*

² See Appendix C. page no.: 30, which shows a diagram explaining Elohim separating Himself in man to give birth to physical man with the "Breath of Life".

to me I will in no wise cast out.”

Please consider and take the time to meditate on this.

Now you may understand me when I say, my wife Lida and I were ONE before we were born. She came out of me and was placed in the fetus of a girl to be born out of parents living 40 miles from where I was placed in the same manner. With our flesh minds we thought that we found each other and fell in Love. We felt ‘attracted’ to each other and married, while in reality it was Father who opened our Hearts and in our subconscious *we 'saw' the part that complemented us in the spirit!* We saw *the part that was missing in the Spirit!* Better still: *we 'saw' our Father, our identity, in each other!* Our Flesh mind registered and experienced that meeting as "falling in Love". With our Hearts we had a taste of His magnificent Glory. Because of an unveiling of that part of our ‘heart mind’ we experienced that what we all like to call 'fall in love'. Everyone who has ever experienced to have ‘fallen in love’ has ‘seen’ the Spirit of Father!

The Meaning of the Word Love

Let me now explain to you the meaning of the word LOVE out of the Hebrew language. We will discover the magnificent truth that confirms what I wrote in the previous paragraph.

The Hebrew language is a pictorial language³, much like Chinese and ancient Egyptian, Every letter is a picture and adding pictures/characters together it draws a *word picture*. Though the Modern Hebrew letters have evolved and have slightly, or sometimes dramatically, changed in shape, the ancient Semitic characters show clearly the meaning.

The Hebrew word for LOVE is אהב *a-hav*

The first letter is א *Alef*, The ancient Semitic character shows the head of an ox and has the symbolic meaning of: *Strength, leader, first*.

The last letter is ב *Bet*, This letter shows a tent or a house in the original ancient writing and has the symbolic meaning of: *Household, In, Into, Family*.

These two letters together is אב *Ab or Av*, and means *Father*. It shows that the Father is *the leader or the strength of the family*.

The middle letter is the letter ה *Hey*; the picture of this letter shows a man with his hands lifted up, or an open window. Its literal meaning is: *Behold* and it's symbolic meaning: *The, to Reveal*. When the *Hey* is placed in the middle of a word it reveals *All, especially the Heart*

³ Dr. Frank T. Seekings writes in his book “Hebrew Word Pictures” that Hebrew used to be an ideographic language (i.e. many pictures are used to describe a word). This knowledge is virtually lost amongst the scholars of today. Having insight into the meaning of every letter of the alphabet is fascinating and gives a much deeper understanding of the Scriptures.

אָהַב *a-hav* means LOVE. By placing the letter 'hey' in the middle of the word for Father, the word picture for LOVE is painted as "*the Heart of the Father revealed*".

This beautiful Truth that LOVE is THE HEART OF FATHER REVEALED is more than we can comprehend. It is not like, Love is *sometimes* the heart of Father revealed, no, it means Love is The Heart of Father revealed! ALL LOVE in the entire world, whether it is felt, expressed or experienced is THE HEART OF FATHER REVEALED. There is NO Love outside the HEART of Father!

There is only One who is seated in the Heart and that is our Heavenly Father. That Heart of our Father is within us! It is our Spirit in our Heart, which is His Spirit! When our Heart opens then His Spirit goes forth. When we experience the feeling of LOVE, He reveals His Heart to us.

Love...within Us...!

The intensity of this beauty is so great that it is too difficult to describe and I fall hopelessly short trying to do so, but I will still try to elaborate on this wonderful revelation. What I say is, that what we experience within us, I mean the feeling of LOVE, is nothing short of Father revealing Himself within us. His Heart in us...! As I described before, but now with even more understanding, when we, my wife and I, "fell in LOVE", that is, when Father opened our Hearts towards each other, my Spirit 'RECOGNISED' in her, her Spirit, which was mine and..... WHICH WAS HIS SPIRIT...! Sure we were still blinded for His presence in us, for our identity, but it was this re-cognizing, this transferring, this revealing of His Spirit within me and her which gave us the feeling of LOVE.

We experienced this feeling of LOVE like so many other people, a beautiful 'feeling' of happiness, knowing that we were 'meant' for each other. Happiness that fuelled the desire to be attracted to and to be made whole again. We called that feeling, LOVE. She, coming out of me, as my Spirit, equals HIS Spirit. As Adam said "*she is now flesh of my flesh*" I can now say: *she is Spirit of my Spirit*. My Spirit, coming out of Father, which is His Spirit. His Spirit, His Heart, which resides in the heart of my wife, was revealed to His Spirit that resides in my heart and we are united again.

To learn this, realizing this into our consciousness, which is an even higher revelation, makes our feeling of LOVE greater than it has ever been, while knowing that there will be more LOVE than ever, still...! How incredibly beautiful, how indescribably great, how incomprehensibly wonderful. This is the essence of LOVE, *the Heart of Father Revealed*.

The LOVE that we feel for each other, has not just led us to the experience in becoming united in the flesh, which is that what we call a sexual experience, but it brings us far beyond that. It leads us to the full realization of being united and 'whole' in the Spirit, Father's Spirit, while we are in our flesh body! Now please understand that identical

Spirits, are united by its very nature. I am saying here that our LOVE experience will lead us to the ultimate *consciousness in the flesh* of being ONE in Spirit....! This LOVE expresses itself with intensity in the flesh.

The very moment two people are FULLY united in the flesh is the moment that his sperm goes out from him and fertilizes the egg within her. This is the very moment that H(h)is Spirit within him unites with H(h)is Spirit within her, united and becoming ONE as they were *before time began*. They become the manifestation of YaHWaH, as Adam was and they were before their creation.

This 'electrifying' moment of uniting is the flesh manifestation of the spiritual reality of giving LIFE. It causes a new life frequency. This uniting of Two, who have been separated and are coming together again, causes the birth of that new frequency, which we call the New Life. That is the LIFE that gives LIFE to the NEW SPIRIT MAN or WOMAN!⁴ It is the Breath of Life, His love, His Heart revealed, in BOTH that energizes this unification of the sperm and the egg, giving the embryo Life. It is Him who passes through, giving LIFE to the New SPIRIT MAN / WOMAN

Now, even now, my Heart is moved because of the beauty of it all!

Timing of the Marriage

We need to take a step back. The moment that Father *opens* the hearts of two people, that is the moment that they start to become united, which culminates into the conception of 'New Life'. The unveiling of the heart towards each other is the time of their marriage. There is nothing in the world that supersedes this moment of joining together.

Math.19:6 "...*what Elohim has joined together, let man not separate.*"

Yes, I realize that our culture is far removed from recognizing this. Our culture has led us to accept that a vow given in the presence of witnesses and ratified by a priest or celebrant is the moment of uniting or marriage. This understanding is based upon man's interpretation of Love and Marriage. We are far removed and blinded from the truth by institutionalizing Love and Marriage. I am not saying that marriages initiated, as it is done in the present time, have less validity. No not at all! When couples have committed themselves to each other in the body and/or mind they are married. Generally speaking, in our present culture, we have the timing of marriage wrong. Marriage becomes a fact when two hearts start to communicate. Therefore the truth is that most couples are already married before they appear before the celebrant! Understand too that there are many people who have been married before, without them realizing that as such!

⁴ It is important to understand that what is described in this paragraph is independent of the feelings two people have towards each other. Whether the consciousness experiences the union act as love or as lust, the Spirit flows regardless.

Love and Lust

Now then, can we say that all attractiveness is LOVE? No, not at all! All of the attractiveness that we see with the eye and the brain *only* is LUST, but that what we see with the Heart is LOVE. From the outside LUST and LOVE is often hard to differentiate though they are as far as the East is from the West. We can see two people being affectionate together; this can be their expression of LUST or of LOVE. A husband and a wife can be intimate together, the one can Lust and the other can Love.

Our society is so degenerated; our hearts have been bashed, hurt and broken so much that we are mistaken in our real understanding of LOVE. We have labeled all of the expressions of Lust that we see around us as Love. Our understanding of Love limits itself by the quenching of the senses and the demand of our body. We experience the call of our hormones as our need to self satisfaction, leaving us disappointed and frustrated. In reality the sound of our hormones is an awakening call from the heart to the body, to be answered only in marriage, to express an awareness of our divinity, an experience that accelerates the desire of every cell in the body to unite, to become whole.

In LOVE the mind and the body reflect the expression of uniting; in LUST they are the objects to be satisfied. The Lust that one mistakes for Love is a Lie. We can see this all around us. Many practice this lie, striving with the mind towards fulfillment and it leaves one empty. When one lives this lie, the lie that tells that sex is the ultimate motivating force in life, one looks for anything that excites the body and its senses to attain sexual gratification. The body tells that lie and the mind affirms it. Because every time this lie of self gratification is practiced, it disappoints. Every time one has reached the height of sexual excitement it leaves one discontented. This is Lust. It never fulfills neither can it. Being blinded for the precious truth of LOVE and desperately looking for fulfillment one yields to ones impulses finally indulging oneself in the lowest forms of pleasure. Loosing self respect and as a consequence the respect for others, one injures him or herself and hurts the one they should be close with. How sad this is.

Make no mistake, within the marriages of many nowadays, LOVE is dormant or absent, while lust proliferates. Our society reflects this. Married couples who, at one stage, may have had the experience of LOVE, may have had His Heart revealed, have been blinded. They mistakenly think that fulfillment of their concept of their sexual life, accommodated and pushed upon them by our degenerated environment, is the summit of LOVE. I pray that our Elohim will lift the veil of their hearts, ending their suffering and directing their road to restoration in Oneness.

The Spirit makes Complete

As a figure of speech one likes to say that beauty is in the eye of the beholder. This is deceptive, because the eye sees LUST, but the Heart sees LOVE. We do not want to see with our flesh eyes, which give us double vision; rather we want to see with the single eye of the Heart. Lust sees the satisfying of the mind and body, Love sees the Spirit or

the Heart of Father.

Some people advocate that it is the intelligence of both partners that gives Love in marriage the desired fulfillment. That husband and wife need to be intellectually challenged, that intellect is the missing dimension in LOVE. Sure, to give marriage a good foundation it is desirable that partners have some compatibility in their social, cultural as well as in their intellectual levels. However, these are not prerequisites for marriage fulfillment. Intellect is ruled by the brain and therefore of the flesh.

Compatible intelligence, beauty, character, personality as well as the same social and cultural backgrounds too will not lead to ultimate fulfillment. As a matter of fact they may even hinder and be more obstructive, because these traits have an inherent 'flesh' nature and therefore, on their own, they will compete between the partners instead of complement. The only essence that brings a couple to their marriage fulfillment is *the revelation of their spiritual potential*, their Spiritual Oneness, the Heart of Father.

Why is that so? Because the inherent nature of Spirit is Oneness, or LOVE. The Spirit woman coming out of the Spirit man, coming from the Father, living in physical bodies and being united with Him again in the Spirit as well as in the FLESH through Yahshua. This spiritual dimension, which, gradually revealed by our heavenly Father, will give both, the husband and his wife, expression within their bodies and mind until their transformation is complete and they have reached their potential. Reunited in the Spirit, giving birth to a new creation: Their full manifestation of Father in their FLESH.

When all of Israel will thus be transformed they will be united within the Son, our elder brother Yahshua. He will be the perfect Bride and be united with the Father, who is our Husband or our Elohim and We will be All in All. This is the unfolding and revealing of our Spirit. This is the Spirit of LOVE, the Spirit that makes complete and fills All. This awesome plan is so great and so beautiful and so perfect, a plan impossible for the human mind to comprehend, but can only be revealed to you and me by the unveiling of the Heart, Father in us. His LOVE in us. This is our Faith.

The Mechanics of Marriage

Love is the energizing factor in marriage or uniting. Principally, Love drives two forces and these forces are Power and Trust. Both forces are present in a man and a woman. Separated from each other they are dormant and have no effect. Energized by LOVE however they become creative and united. How does the interchange of these forces, Power and Trust, energized by LOVE, operate within a marriage?

When a man sets his eye on a woman, that is, when Father opens the heart of a man showing His LOVE towards her, this man is called upon to impress her with his strengths and his ability to look after her. Unbeknown to himself this reflects his true character, his spirit, which is the Spirit of Father. In his humanity he is deluded in thinking that these character traits that drive these faculties are his, belonging to his flesh or his mental

abilities and qualities. This display of traits towards her is his expression of *exercising his power over her*. He shows her that he is able and qualified. In other words; *He gives her, his trust.*

She in turn, is impressed by him. Being convinced by her Heart mind of his power over her, his abilities to take care of her, to look after her best interests she experiences that as *having trust in him*. Having trust in him gives her an automatic response to *surrender all her power to him.*

A man gives his trust and experiences that as power; a woman gives her power and experiences that as trust. This is the mechanics of courting. He **needs** her power and gives her all his trust; she **needs** his trust and gives him all her power. This interchange of energy is dynamic and activates in both the revelation of the oneness of their divinity. Once set in motion it stays alive, it may stagnate, but it will never die. Why is that so? Because it is Spirit, it reveals the Heart. This 'feeling' of LOVE has started its first step in their conscious awareness and will stay alive past every pleasure and pain. The more the Heart reveals, the more the Heart accelerates this process of interchange of power and trust.

Much can be said about this basic process. The giving of 'trust' and 'power' by the man and the woman is a process of self surrender. It is not rigid, male and female sacrifice themselves within their own dominion. The male is the world and the female is the home. To impress her, to give her his trust, he sacrifices his self interests to create the physical and spiritual conditions for her and the family to prosper. To surrender her power, she sacrifices herself to nurture these conditions thereby stimulating his abilities. In the natural, men need to possess, women need to be possessed. She complements, she does not compete. He is the sword, she is the sheath.

Sure, man is fallible and intended to be so. The lust of the flesh, or self interest, interferes and this will stagnate or stop these dynamics. For instance, if a husband is unfaithful and stops exercising his power over her, to be her strength, he ceases to give her his trust, he thus breaks the trust. If a wife stops her submissiveness or stops giving him her power she loses her trust in him. In both cases Love suffers while lust takes over. Love stagnates and may come to a halt and the Heart is veiled again. How painful this may be, this development is necessary to bring both to their full potential still.

Armed with this knowledge we understand that anything other than these dynamics of male and female or husband and wife is a perversion, a distortion of the truth. Any deviation from this characterizes 'the lust of the flesh', be it sexual practices or otherwise. It is sad to know that we live in a generation that has been brought up without proper foundational knowledge and role models regarding marriage and sex. I feel that I need to emphasize that we have hurt ourselves and others because of that. We have been blinded thinking with our head instead of with our heart. We exercise lust and mistake that for love. We listen to our bodies and give it what it wants instead of what it needs. Even within most marriages the intimacy is often not more than an attempt of self fulfillment

of the body and mind. More and more people, running out on fantasies of the mind that gives them the necessary fix to come to some sexual gratification, running to new partners and continue their search for fulfillment that they cannot find. As I have indicated before, many couples spend their years in disappointment, becoming more and more unhappy and self-centered, blinded and not being able to rediscover their potential.

I like to stress that there is hope for all, how difficult, complex or chaotic relationships and marriages are or may have been. Hope and fulfillment for all who have been hurt in the process.

Isaiah 42:16 *“And I will bring the blind by a way that they know not; in paths that they know not will I lead them; I will make darkness light before them, and crooked places straight. These things will I do, and I will not forsake them.”*

More than one Marriage

Before we continue, I would like to make a few comments for those who have had more than one marriage. As I have said before, the moment a marriage takes place that is, the moment that Father opens the Heart of a man and of a woman towards each other, they are united. This may occur without ever being blessed by a priest, minister or celebrant. It is Father who opens the heart; it is Father who unites, not to be separated by man.

Math.19:6 *“...what Elohim has joined together, let man not separate.”*

These separated Spirits are becoming one Spirit, despite man's attempts to undo. The revealing of the uniting Spirit into the consciousness may stagnate or even stop, but will never die. In the resurrection they will be Two bodies, but One Spirit. The resurrected bodies appear to be male or female their Spirit is ONE. If one has had more than one husband or more than one wife, the bodies will be resurrected in all their differences, their Spirit identity will be, the same. Not two, three or seven different Spirits, but ONE SPIRIT. Yahshua replied to a question regarding this with the following words:

Math 22:29-32 *“and Yahshua answering, said to them, “You go astray, not knowing the Scriptures nor the power of Elohim. For in the resurrection they do not marry, nor are they given in marriage, but are as messengers of Elohim in heaven. And concerning the resurrection of the dead, have you not read what was spoken to you by Elohim, saying, ‘I am the Elohim of Abraham, and the Elohim of Isaac, and the Elohim of Jacob’? Elohim is not the Elohim of the dead, but of the living.”*

YaHWaH will be our Elohim. The Elohim is more than a Husband. The Elohim includes the wife. So when Elohim said to be the Elohim of our three ancestors Abraham, Isaac and Jacob (that is not of their flesh) *but of the living* (that is of their Spirit), the interpretation of His words are that He will be united with all three of them in their Spirit. He will be the Husband and them the wife(s). Of the ONE Spirit kind, of the same Spirit kin!

So will they too become united, who have had more than one husband or more than one

wife in their lifetime. They become ONE with those that Father has opened His heart towards. This was the answer that our brother Yahshua gave to the Pharisees. All Spirits that are united or married in this realm will be united in the resurrection, whether one has had one, two or seven wives or husbands. Man may be separated by death or be separated by defrauding a partner in this realm, the Spirit will not be separated nor will it be defrauded and will bring about in the resurrection what it has established *before time began*. What a wonderful restoration, how great is His LOVE!

Trust and Faith

Now I want to come back to the mechanics of marriage: “The mechanics of a man and a woman becoming re-united”. As I have explained these mechanics consist of an interchange between husband and wife of the two forces they have within them: Power and Trust. These two forces are energized by a third and divine force, which is LOVE.

A man is energized to give his trust and experiences that as power, a woman, who came out of him, is energized to give her power and experiences this as trust. This is the exact blueprint of the mechanics that works within the marriage between Father and us. We, coming out of the Father, become re-united with Him.

Father opens His Heart to us, before time began. He shows us His LOVE, the energizing force. He reveals to us His identity and He shows us His sovereign power in our lives, blessing and cursing, joy and grief. By this revelation of His Sovereign Power that works within us we become aware that everything will work out within His divine plan for us and Him, who were One and will become ONE again. This is the intimacy of His Heart. This is the energizing force that we experience and will dis-cover as LOVE.

Through this energizing force He gives us His TRUST or His FAITH...and we TRUST Him... we have... FAITH in Him! We receive FAITH from Him, we did not have it! He has created FAITH in us by giving it to us. Father, our Elohim who gives us ALL THE TRUST, ALL THE FAITH we *do not give* it to Him, we *receive* FAITH. We cannot have Faith before it is given to us! We cannot work it up ourselves; it is given to us when He shows His power over us. He exercises His power over us. POWER and FAITH is HIS!

When we receive that FAITH from Him, our Heart starts to become unveiled and that energizing force that breaks forth from our Heart, relinquishes, as an automatic response, the power that our flesh-mind ‘thought’ to have had. We give up the esteem of the flesh, eventually becoming totally humbled before Him, which leaves us with an abundance of FAITH in Him, consciously knowing with our heart mind that everything that He has and will communicate to us will come to pass and is done. Knowing that all we are in the flesh as well as in the spirit is an expression of His Divine Will.

This is the mechanics of our marriage in the flesh as well as in the spirit. This is the process that will be accomplished within us; Father gives us All His Trust/Faith by

exercising His Power over us, we 'give' all our power we thought we had to Him to whom it belongs and experience that as complete Faith. For His great plan to become One, we **need** His complete Trust/Faith, Father **needs** all our power/humbleness.

The words Trust and Faith have the same meaning. We like to use the word Trust, when we are dealing with people and we like to use the word Faith when we are talking about the unseen. In essence, however they are different words with the same meaning so, synonyms.

Power and Faith / Trust

In our flesh thinking, the words Power and Trust are antonyms or words that mean the opposite of each other. Power demonstrates the ability and Trust relies on that ability. In our generation we are taught equality. Humanistic thinking does not regard respect for the harmonious interchange between two opposites to become one creative force. It cannot see that because it lacks spiritual understanding. In our society at this time and age we are taught equal exercising of power within marriage. Well this cannot be done without breaking trust. As I have explained before, if a woman exercises her power over her husband, she shows herself un-trustful or un-faithful. She shows that she does not trust him and has insufficient faith in him. This hurts him. In turn, if he does not receive all of her power, he cannot give her the trust she needs and consequently she is hurt.

The fruits of our society show us that we have lost this marriage blue print of the interchange of Power and Trust almost completely. Again, the majority of our young people do not marry anymore, consciously or subconsciously afraid to be hurt. Young men and women are taking their lives because of 'broken' partnerships. Many married couples separate from their partners more than once in their life-time. Others become increasingly lonely in their marriage, lonely because of broken trust, having no faith, no trust in their spouse.

The wonder of wonders is that Power and Faith/Trust are no opposites. Yes, in the 'human' realm they appear to be opposites this is, because power and trust never come to full fruition. In our humanity power wants to oppress, instill fear, while trust is always wanting. Both entities prove insufficient to ever come to their fullness, while in the spirit realm they will come to their fullness, become each others equal and accelerate each other to heights unknown and incomprehensible to our minds.

When Power is completely surrendered there is complete Faith. Faith that has completely absorbed Power... .. becomes complete Power, then Power is Faith and Faith is Power... .. Absolute Power equals Absolute Faith... ..! Please consider...! This is the creative thrust, Power and Faith energized by Love.

When the husband gives his full trust/faith and experiences that as power and the wife, having received his trust/faith, completely relinquishes all her power and experiences that as trust/faith then the two, having full power and full trust/faith, are ONE. In the resurrection they will be two beings, however neither male nor female, he in her and she

in him. Power made Faith and Faith made Power energized through LOVE. This is the Love of our Father and His Son who are ONE. This is the Love of YaHWaH making the husband and his wife united again.

Both husband and wife are united in Yahshua and form together with all of His people Israel, the Bride. We re-united with our husband YaHWaH, who will be Elohim to us. ONE in POWER **and** ONE in FAITH... ..! Oh, wonder of wonders... ..!

Father's Name

The first time that YaHWaH introduced Himself with His name was when Moses met Father near Horeb when he was tending the flock of Jethro, his father in law. Here Father told him of His plan to bring His people out of Egypt. Moses asked Father what he should say to the children of Israel if they would ask him the name of Him that had sent him. Father replied:

Exodus 3:14 *"Thus shalt thou say unto the children of Israel, I AM hath sent me unto you."*

His name was to be "I AM" this is Strong's no.:1961, which is היה (hâyâh)⁵.

His name hâyâh means: *to be, to exist or to become.* According to some authorities היה (hâyâh), as used in this verse, means more than just *to be or to exist* It carries the thought of *causing into existence or causing to exist.* A good rendition would be *"I WILL CAUSE TO BE or I CAUSE TO BE"*. His Name has the connotative idea of covenanting, uniting or marrying. Let us look at the word 'marry' in the Scriptures.

There are different Hebrew words used for the English word 'Marry' and derivative words, like *marrieth, marriage etc.*

Remarkably one of the Hebrew words translated as 'Marry' is the word: היה(hâyâh)...! This word describes the uniting in marriage of two of His people, those who have the breath of Life in them! That is, when Father describes two of His own people becoming One, to manifest Himself in them this word היה(hâyâh) is used "Marry" or "Cause to be"! In other words, when two people, who have the breath of life in them, are marrying, He causes Himself to be in them, He manifests Himself in them!

You may want to read the following references.

Numbers 36:3 *"Now if they are **married** היה to any of the sons of the other tribes of the children of Israel, then their inheritance shall be taken from the inheritance of our fathers, and shall be added to the inheritance of the tribe into which they **marry**, היה and taken from the lot of our inheritance."*

Numbers 36:6 *"This is the word which YaHWaH has commanded, for the daughters of Zelophehad, saying, 'Let them **marry** היה who is good in their eyes,*

⁵ See Appendix B, page 28

*but let them **marry** יהיה only within the clan of their father's tribe.”*
Numbers 36:11 *“For Mahlah, Tirzah, and Hoglah, and Milcah, and Noah, the daughters of Zelophehad were **married** יהיה to the sons of their father's brothers.”*
Numbers 36:12 *“And they were **married** יהיה into the clans of the children of Manasseh, the son of Joseph, and their inheritance **remained** יהיה in the tribe of their father's clan.”*

When we marry it is: **Him who causes Himself to be within us... ..!**

We have always believed that we have chosen the one we married and that we have brought forth children according to our choice and decision, but now we may understand that this has always been an illusion! Now Father has given us the understanding that He...IS... the "I AM" in our physical bodies....! He is the ONE who ACCOMPLISHES in us. He is the ONE who BECOMES or COME TO PASS.....! Can we hear?

A few years ago I knew one of the pioneers in the natural healing arts. He indeed was far ahead with his understanding of the diseases in man than most of his contemporary colleagues. He was an exceptionally gifted man and he knew that too. His superior understanding led him to know that there is a divine spirit in man and that He, as a man, was that spirit. He used to sign his papers with the words "I am". He taught that principle and he found his theory well accepted. What was wrong with that? This man was deceived in his thinking that he, as flesh man, was divine. He did not have the revelation and understanding that it was Him as a Spirit who was divine. No flesh man can 'become' himself, no one physical being can יהיה (hâyâh) himself. He died when he reached the age of 66, being two (2) sixes (6). Scriptural knowledge of numbers teaches us that six (6) is the number of man and two (2) in connection with man testifies of his *fall*. The symbolic meaning of the number 'two' implies *opposition*, and *insufficiency*. In this case this man, with his uncircumcised heart, was in *opposition* against Yahshua and marked as *insufficient* before YaHWaH.

Yahshua the Bride

Father demonstrated that for our transformation into divine man we need to go through the Door. The Door is Yahshua. We cannot by-pass Him.

John 6:44 *“No man can come to me, except the Father which hath sent me draw him: and I will raise him up at the last day.”*

Yahshua fulfilled the law on our account as our sinless older brother, paying the price for our sins. As a perfect Son of YaHWaH, He is the only one eligible,

Yahshua prayed to His Father at the start of His final suffering, pleading with the Father to execute His Will.

Luke 22:42 *“Saying, Father, if thou be willing, remove this cup from me: nevertheless not my will, but thine, be done.”*

Yahshua knew that He did not have a “will’ of His own and that He could only do the Will of His Father.

John 5:30 *“I can of mine own self do nothing: as I hear, I judge: and my judgment is just; because I seek not mine own will, but the will of the Father which hath sent me.”*

When we realize Father’s sovereign power in us and, as an automatic response, our flesh nature begins to die, then we know that we are crucified with Him. He made us partake of His Body, so too are we partakers of His death and are crucified with Him.

Romans 6:6 *“Knowing this, that our old man is crucified with him, that the body of sin might be destroyed, that henceforth we should not serve sin.”*

Galatians 2:20 *“I am crucified with Messiah: nevertheless I live; yet not I, but Messiah liveth in me: and the life which I now live in the flesh I live by the faith of the Son of Elohim, who loved me, and gave himself for me.”*

He overcame the world as a man as Yahshua in the flesh.

John 16:33 *“These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.”*

So too have we overcome, who are still in the world, but not of it

1John 4:3,4 *“And every spirit that confesseth not that Yahshua Messiah has come in the flesh is not of Elohim: and this is that spirit of anti-Messiah, whereof ye have heard that it should come; and even now already is it in the world. Ye are of Elohim, little children, and have overcome them: because greater is he that is in you, than he that is in the world.”*

Many regard Yahshua as the El of the Old Testament. That Father, as the former husband, needed to die in Yahshua to be able to remarry. This is a mistake. Father did not die, neither can He. He can’t be just ‘absent’, not even for a moment. He also can not symbolically ‘die’ to fulfill the law, as some advocate. Symbols, representation and shadows that are used in the Scriptures have to be as just and true as that what it symbolizes, represents or depicts. According to His law His ‘old’ wife needed to die, to enable Him to remarry her anew.

Yahshua addressed His disciples in Mark chapter 10 and told them that a husband cannot put away his wife and marry another. Here He said:

Mark 10:11 *“And he saith unto them, Whosoever shall put away his wife, and marry another, committeth adultery against her.”*

The greater part of His people whom He divorced and had sent away are scattered and blinded. However they are still alive and in existence today, known to be predominantly as the people of Northern Europe and those emigrated from there. He cannot marry another wife for as long as she is alive according to His own Law.

The Husband can also not go back to her and remarry her, because she has been defiled.

Deut. 24:4 *“Her former husband, which sent her away, may not take her again to*

be his wife, after that she is defiled; for that is abomination before YaHWaH..."
For these reasons His wife, His people needs to die in order that out of the OLD wife a NEW wife can be born.

Yahshua has died and paid the price for their fornication, their trespasses and sins. With His death Israel became eligible to become married by her former husband. At the time of Yahshua's physical death all of the people Israel born and yet to be born, died in Him. They are now ready individually and collectively to be courted again by their former Husband. Yet individually, being spirit beings and living in a flesh body, all of the people of Israel need to go through the realization of their death in Him. As Paul went through that too:

Galatians 2:20 I am crucified with Messiah: nevertheless I live; yet not I, but Messiah liveth in me: and the life which I now live in the flesh I live by the faith of the Son of Elohim, who loved me, and gave himself for me.

The 'man child' needs to be born within them, within His own people that has the Breath of Life within them. Immediately after Yahshua told His disciples the law in Mark 10:11,12 they brought little children to Him that He should touch them.

Mark 10:13-16 "And they were bringing little children for Him to touch them, but the taught ones were rebuking those who were bringing them. And when Yahshua saw it, He was much displeased and said to them, "Let the little children come to Me, and do not forbid them, for of such is the reign of Elohim. Truly, I say to you, whoever does not receive the reign of Elohim as a little child, shall certainly not enter into it. And taking them up in His arms, laying His hands on them, He blessed them."

His disciples may not have quite understood Him when Yahshua corrected them to allow the little children to come and touch Him. They did not yet know that ONLY children, born out of the 'old wife' as the 'new wife' to be, could enter into Tabernacles or *the reign of Elohim*. Anyone else shall certainly not enter into it. NO marriage with the old wife, but with the NEW wife. *"He took them up in His arms, laying His hands on them, He blessed them."*

The carnal nature in the old man needed to die to make place for the NEW LIFE the new and perfect nature in the new man to be. This death could only be accomplished by the perfect man Yahshua and this NEW LIFE could only be given through the perfect NEW LIFE nature of Yahshua. He washed Israel completely clean so that the new Israel could receive the NEW LIFE through Him. Just to repeat, Yahshua Messiah was the only one of His people qualified, as the perfect man, who could repay our debt. We all have died with Him and in our awareness we will depart from our carnality and die with Him, to receive our NEW LIFE nature in our consciousness. We all will, because Father has foreordained to have it so.

Yahshua, who came out of the Father as His feminine creative part, had complete Faith in the Father, because He was the only begotten Son in the flesh, having all of His 'genetic' make-up. He relinquished all His power to the Father. In other words, He knew with His

Heart mind that He was Spirit and was of the Father living in Him. Therefore, He *knew* that He had complete power to take His 'bodily' Life again. (Remember, complete faith equals complete power.)

John 10:18 *"No man taketh it from me, but I lay it down of myself. I have power to lay it down, and I have power to take it again. This commandment have I received of my Father."*

When He took His life again with His resurrection it was the incorruptible virgin body made ready to become united with the Father and to bring forth.

Re-united with the Father, He became the Father not only in the Spirit, but now also in the perfect FLESH. They were One in the Spirit and have become One again. United with the Father, He became the NEW LIFE, perfectly manifesting Him. This "NEW LIFE" is a **NEW CREATION!** As an analogy a wife becomes her husband (her Adam) when He unites with her. She becomes a new born creation and she will bring forth offspring with the nature and genetic code of BOTH, something that she could not have done before.

Yahshua conceived in His NEW LIFE Body, at that moment of uniting this NEW LIFE nature, the offspring of the united YaHWaH and Yahshua. Remember the Law of the Covenants, that I have explained in my previous paper "Circumcision and the Abrahamic Covenants", which teaches us that when ONE is divided and becomes ONE again by the Spirit who divided and that '*passes through*', that this union produces something NEW.

Father took out of Himself Yahshua, a sinless and a mortal man and united the redeemed and immortal man Yahshua through Love (His Heart unveiled) again with Himself. This made Yahshua a newborn creation. Yahshua the First Born, having the power to manifest the Father in the spirit as well as in the perfect flesh. As a full manifestation of the Father and being united with Him, He conceived, this NEW LIFE. **His New Life conceived in us.** This conception occurred at that time, that Father united with Him. Father produced this NEW LIFE this **NEW CREATION** within the millions of His people through Him and in Him!⁶

Now we have been given, in our feminine side, the conception of the nature of the immortal 'virgin bride' Yahshua. Made immortal in this realm of mortality, which is the realm of time and space, through the perfect faith of the only begotten Son who, because of His perfect and complete faith, had therefore the full power to take on immortality. Father produced in us, through Yahshua, this incorruptible New Life nature.

The New Life nature that will replace our corrupt flesh nature that we have from Eve through whom we have our 'begotten' Spirit Life of the Father, as our male side. Our New Life within us will become our new and perfect flesh nature and will be made ready to be united and conceive. Then Father and this New Life, the seed and the egg, need to

⁶ See Appendix D. page no.:31, which explains Elohim separated Himself into Yahshua to give birth to the "NEW LIFE".

unite and become One through the unveiling of the Heart to finally birth the man-child within us, The Perfect Man.

Our Pentecost

Through His death, the people of Israel, His Body, is now washed, baptized with water and completely clean of her former fornication in the flesh.

Because Yahshua and the Father united, Israel is now qualified to become the new virgin wife, The New Bride. Yahshua united with the Father has conceived NEW LIFE nature into His New Corporate Body. Through Him, Israel has been given this NEW LIFE within her. The man Yahshua fulfilled His promise of sending the Comforter with the baptism of the Spirit. This moment marks the countdown to Pentecost, the Feast of Weeks or the Feast of the First Fruits, Yahshua being the **First** of the First Fruits.

Please consider this great moment in the history of Israel. This is the moment of His conception within us as our new feminine created side, a conception of the new egg, the ability to bring forth the perfect flesh/spirit man. We NEED this vital AWARENESS, this awareness of our NEW LIFE into our flesh in order to birth within our sinful bodies, to become... transformed.

Be mindful that this conception of NEW LIFE within us as our new feminine side replaces our old feminine Carnal Eve nature within us (our masculine side and identity is Father in us!)

This conception has taken place within ALL of us some 2000 years ago. Our New Life within us as our new feminine side became a FACT... at that time... never to be reversed! On a personal level, the birth of our new feminine side, which happens into our consciousness, occurs at the time that we are baptized with the Spirit during this age as the **First Fruits**. Then this new flesh/spirit reproductive nature (feminine, egg) within us, that will replace our old flesh nature (feminine), is made ready for the Spirit of Father (masculine, sperm) that resides in our heart to conceive, coinciding when Father unveils our heart.

This birth of our NEW LIFE nature, in our feminine side, is our comforter. Our promised comforter is NOT the Spirit of Yahshua neither is it per se the Spirit of Father, no our comforter is OUR NEW LIFE AWARENESS! The Offspring of the Father and the Son within us (feminine) Please take the time to meditate on this.

John 14:26 But the Comforter, which is the Holy Spirit, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

Please bear with me, I want to repeat this view from another angle to emphasize this momentous occasion.⁷

Eve brings forth ‘Living’ Children with a carnal or flesh nature and is called ‘mother of all Living’ (Gen.3:20). She brings forth children who have the ‘Breath of Life’, the Spirit of Father in them, our **Masculine Spirit**, our true identity, though we are still born of the flesh through a ‘flesh’ woman. Yahshua brings forth the NEW LIFE nature. He replaced the corruptible flesh nature with His incorruptible Flesh nature, both part of this *created* realm and so feminine. This NEW LIFE comes forth from the Father through our Spiritual Mother Yahshua, hence this Flesh/Spirit nature has become our **Feminine “created” Flesh/Spirit Nature now within All of us.**

As the offspring of Eve (you and me) need their Spirit counterpart (our husbands or wives) to produce (our physical children), so need the offspring of Yahshua (you and me, female) their Spiritual counterpart Father (you and me, male) to produce children (you and me, the man-child).

The Spirit of Father is within our Heart, as we were begotten of the Father before Time began. That Spirit is the ‘Breath of Life’ and came through our mother Eve and resides within our flesh body. This is who we are, our identity, our complete spiritual genetic make-up. This male part, Father’s Spirit within us, will unite, IN OUR CONSCIOUSNESS, with His feminine part within us. our **NEW LIFE** to give birth to the man-child.

1Co 15:53,54 *“For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory”.*

In other words: Father in us, our Spirit heart (male) can not unite with sinful flesh (female). Father will unite with our flesh through Yahshua or better said, Father will unite with the created NEW LIFE nature (female). The NEW LIFE, which comes through our Spiritual Mother and is the fruit of the united Father and Yahshua, unites with Father within us to bring forth a new creature **IN THE FLESH**, the Perfect Man, fully manifesting the Father in the Spirit as well as in the Flesh.

The moment of the ascension of Yahshua marks the beginning of the era of Pentecost, Our Pentecost. This is the time that the priest offered a sheaf of barley and a lamb without blemish symbolizing the ascension and uniting of the first of the first fruits, Yahshua. This time signals the beginning of the barley harvest, the first fruits, the elect to be followed 50 days later with the wheat harvest, which pictures the rest of Israel.

The word ‘Pentecost’ means *fiftieth*. The number 50 is the number of *Jubilee* it is the number of deliverance. Our deliverance from the illusion of the captivity of the flesh into

⁷ See Appendix E. page no.: 32, which explains Elohim separated Himself into man to give birth to the “man-child”

the Freedom of the awareness of our NEW LIFE nature within us marks our Pentecost, our baptism of the Spirit. This awareness, this baptism is our ‘comforter’. Now our male side, the Spirit of Father within us, can unite with our female side, our New Flesh/Spirit Life to conceive the Man Child.

This conception will ultimately lead to the birth of the Sons of YaHWaH at the feast of Tabernacles. When all of the Sons have birthed, they form the Bride completed. All of Israel, having died in the flesh, made ready to be United with our Husband to become All in All.. ... ! Perfect Flesh/Spirit bodies made subject to Father and fully manifesting Him. Father in the flesh, YAHWAH...has become Elohim to us!

What a splendid plan...! What a wonderful revelation...!

Can we see The Father?

No one can see the Father without eating of His flesh. No one can live and see the Father outside the Bride. Yahshua is the Bride and we, as the people of Israel, are the body. Once we have gone through the Door, Father will be ELOHIM to us and we can and will see Him.

John 6:46 *“Not that any man hath seen the Father, save he which is of Elohim, he hath seen the Father.”*

But what then about the following, YaHWaH tells Moses that *“no man shall see Me and live”*?

Exodus 33:19-20 *“And he said, I will make all my goodness pass before thee, and will proclaim the name of YaHWaH before thee; and I will be gracious to whom I will be gracious, and will show mercy on whom I will show mercy. And he said, Thou canst not see my face; for man shall not see me and live.”*

Does this contradict what we have learned?

Father told Moses *“...I will proclaim the name of YaHWaH before thee”* His name was to be “I AM” [or הִיָּהוּ (hâyâh)] (Exodus 3:14).

The word ‘proclaim’ is the Hebrew word: קָרָא (qârâ) Strong’s 7122. It means *to proclaim, to call, to address by name.*

The word ‘before’ is the Hebrew word: פָּנָה (pâzar) Strong’s 6440. It means *face.*

“I will proclaim the name of YaHWaH before thee”... What Father said was, in other words: “Wherever you look, my name (nature) will be *in your face*” or, “Where ever you look you *see*, הִיָּהוּ (hâyâh)”!

Father continues and says that we cannot see his face, פָּנָה (pah-nah) and live. Indeed this seems to contradict. However as we read in Exodus 33:20 *“...for man shall not see*

me and live". The word 'live' is the Hebrew word: חיה (châyâh) Strong's 2421, this word implies to cause to live, or to give life to, to make to live. In other words, this word does not mean to have life. One could use this word: חיה (châyâh) to convey the thought of *giving* life to something (*to make* something else "do" something), or to *mimic* life.

The words חיה (hâyâh) and חיה (châyâh) look so much alike, only the first letter differ, though there is a vast difference between them. In the Scriptures both words are translated as LIFE or LIVE. However חיה (hâyâh) means to HAVE life, to BE life, while חיה (châyâh) means to MIMIC life.

Before our transformation we live in an illusion that we *have* life. In reality we *mimic* life, much like the life of a puppet that is *made* 'alive' through the puppeteer we: חיה (châyâh) live. Man can not see the Father while mimicking life, while having the illusion 'to live', while חיה (châyâh). When we are His, when *His goodness has passed before thee*, that is, when He has opened His heart to us, given us His Faith, that is, when we *be married or to become or cause to be*, then we can *see* Him and LIVE חיה (hâyâh).

In other words again, Father said: "... man shall not see me and live (mimicking life or having an illusionary life). Man has to die first and when the illusionary self dies and the manifestation of Father in the flesh starts, then the flesh sees Him as He is.

Moses saw Him as He is. Do we.....? Will we.....? Most definitely.

Now I have come to the conclusion of this paper. Much more can be said about that what I have written in this article. Writing about these revelations has been a tremendous blessing to me. I hope and pray that studying this paper has given you the same blessing and that we can together look forward to the revelation of even more of His Words which leads us into His Glory, becoming All in All.

Epilogue

There are still a few words that I need to add to this paper. There is so much misunderstanding about “marriage” in the Scriptures, it may well be one of the least understood issues and purposely so.

Many churches are confused with who the Bride and the Bridegroom are in the Scriptures and they thus obscure and confuse the identity of the, *guests, virgins, children, friends, the king etc.* as well.

Foundational knowledge is that the Bride consists of All the people of Israel embodied within Yahshua and that the Bridegroom is YaHWaH. This, I hope, is shown within the contents of this study.

The Marriage or Union occurs at different times. Without this understanding it is hard to distinguish the different time frames for the fulfillment of the marriage in the Scriptures on a personal and, for the whole of Israel, on a corporate level.

Further it is essential not to take allegories, parables or figures of speech literally, but for what they are and need to be understood in the context of the subject. Failing to do so adds to the confusion.

Within this epilogue I will explain one Scripture passage that may cause confusion with many after reading this paper, but the explanation will show clearly who the Bride and the Bridegroom are.

The passage of Mathew 9 runs parallel with Mark 2:18-22

Math 9:14-17 Then the taught ones of John came to Him, saying, “Why do we and the Pharisees fast often, but Your taught ones do not fast?” And Yahshua said to them, “Are the friends of the bridegroom able to mourn as long as the bridegroom is with them? But the days shall come when the bridegroom is taken away from them, and then they shall fast. “And no one puts a piece of unshrunk cloth on an old garment, for the patch pulls away from the garment, and the tear is made worse. “Neither do they put new wine into old wineskins, or else the wineskins burst, and the wine is spilled, and the wineskins are ruined. But they put new wine into fresh wineskins, and both are preserved.”

At the first sight we seem to read that Yahshua is the Bridegroom instead of the Bride. However let us consider the following. The students of Yahshua did not fast, while the students of the Pharisees and of John did. Yahshua clarified why they did not fast. He compared His students with unshrunk cloth and with new wine. They were new entities. They had dis-covered their identity. In other words they were seeing the sovereignty of Father and they realized that they were Spirit. They were clean and righteous. They were born of Elohim and could not sin (1John3:9), and because they could not sin they needed not to fast nor to mourn.

Yahshua referred to them as friends of the bridegroom, that is, they were attached to the Father. As these friends/students were being referred to as Spirit identities, they were spiritually connected with their Father/Husband. The friends were in the presence with the Bridegroom through Yahshua, because Yahshua and the Father are ONE

John 10:30 *"I and my Father are One"*

The friends 'saw' the Father in Yahshua, they saw Yahshua as the full manifestation of Father and as Spirit, as they understood themselves to be Spirit. As Spirit beings they were righteous and the new wine, members of the barley harvest, the elect. The taught ones or students of John saw Yahshua as a flesh man and understood Him to become the Bridegroom as so many religious students do today being blinded not (yet) having received the revelation of Father's sovereignty, a revelation which will show them that it is Father who is the Bridegroom⁸ and Yahshua the Bride comprising of all of Israel, Yahshua the head, the elect the neck and the rest of Israel the body.

The friends of the bridegroom were in this parable all those who experienced the manifestation of Father in them.

Revelation 20:7 *And when the thousand years are expired, Satan shall be loosed out of his prison,*

This reference explains the expression of Yahshua: *"But the days shall come when the bridegroom is taken away from them, and then they shall fast."* There will come a time that His people will be blinded again, once again being left to their human nature, a period of time where they have no revelation of Fathers Sovereignty, where man thus relies on his own ability, his own understanding of overcoming sin. That will be the time that human nature is once again mans adversary. The time when the Bridegroom will be taken away. The time when the ones with the uncircumcised heart need to mourn or fast. Not the uncircumcised, they cannot sin, but the students who need to go through their experience of overcoming through the death of self.

Yahshua taught that new cloth damaged the old garment and both were useless, so was the new wine spoiled in the old skin and made the skin burst and useless. It is remarkable that Yahshua regarded the old garment and the old wineskin. He found the old very useful because it needed to be kept as such, not to be fixed up.

The old garment and old skin is the old man. The new garment and the new skin is the righteous man, the spirit man. The old needs to be worn out, the old needs to run out its course and be made useless. There is nothing in the old man that can be fixed up. The

⁸ The Theology that Yahshua is the El of the Old Testament obscures the marriage truth. When Father reveals Himself as the former Husband who will remarry His Bride after her death one understands his/her identity. He blinded Israel by scattering them amongst the nations, worshipping Gods with strange names making them to misunderstand their vital relationship as a divorcee of the Father and not of the Son, so that His Glory will abound at the time that He reveals the Truth to them, which reveals who He is, and that He is so much more than the God they thought they 'knew'

Friends that Yahshua referred to were manifesting Father, they needed not to fix up their old garment by fasting for their garment or for their flesh.

Again, old garments, old wineskins are good and need to be retained as old. Not by fixing them up, but by wearing them out, making them run their course so that they fulfill their use to become useless, which is their destiny.

The students of John and the Pharisees were still in their *old garment* or *old wineskin*. The friends of the Bridegroom were elevated and pictured as *unshrunk cloth* and as *new wine*. Mixing the two together in intent and purpose would mean the delay of the death of the old man and so extending the suffering of John's students and of the Pharisees, while at the same time it would lower the elevated position of the students elect of Yahshua. In other words it would destroy the potential of both groups of students.

We do not want to be fixed up with some bits of knowledge. We desire to wear out our old garment to drink our old wine, so that its wineskin can be thrown out, then we will be clothed with a new garment and new wine can be poured into our new wineskin. We will be called the Friends of the Bridegroom as the ones Yahshua was referring to. We will be in communion with our Bridegroom, our Husband through Yahshua.

Appendix A

I call Our Father, YaHWaH and His Son Yahshua, as is correctly transliterated from the Hebrew words יהוה and יהושע. Once a name is made known, one transliterates, though never translates it. Most of you will call Him God and Jesus, as I did in the past. I have learned that the word God is not a name, but a title. It means: Mighty One. There are many gods or mighty ones in the Scriptures. YaHWaH does not share His name with any one, He Is The One. The word Jesus is a name. It is a transliteration from the name 'Zeus', the Greek god and is not a translation of His real name Yahshua, as some claim. As our Father has chosen to blind His people and make them lose their identity, they lost the knowledge of His name for this same reason. A man, who has lost his identity, has lost the name of his father. Once he knows the name of his father he re-members who he is.

There is so much in a name. In effect, a name does not only reveal someone's personality, it describes the very character of a person. It is very precise and exact too. Our Father's Name includes everything there is about, and of Him, seen and unseen. His titles, including that of 'God' or 'Father', fall hopelessly short to what He is. His Name, like any other name or word, carries a frequency. When we mention His name in prayer or otherwise, we do not only acknowledge all the esteem or glory that His name encompasses, we bring Him into our awareness, into our presence. In so doing we establish His frequency around us and within us.

We too have a frequency. It is the frequency of our humanity. Unique as it is, our frequency shows not just our character and personality, but our level and form of faith in Him as well, it shows even the thoughts of the moment. As long as we live in our sinful carnality our frequency in our consciousness is not in accord with His frequency. Some of us have more resistance within areas of our humanity towards areas of His divinity than others. For some of us it is therefore harder to mention His Name, bringing into existence His frequency, which will hurt their frequency and are therefore more comfortable to avoid mentioning His Name.

In short, it is 'Self' that causes havoc in a person's frequency and generates elements of discord with His frequency. Many sects in ancient history as well as some today understood that this discord caused by pronouncing His Name was 'defiling His Name' and for that reason His Name was only spoken of by mentioning 'the four letter word' (יהוה) or 'Tetragrammaton'.

Yahshua's name is much like Father's name in that it has the addition of 'He Saves'. I am looking forward to fully "know" Him by His Name, because, if I fully "know" Him by His name, I will be like Him. I hope to get some time soon to write about, what I know of His Name.

Ezekiel 39:7 "and my holy name will I make known in the midst of my people Israel; neither will I suffer my holy name to be profaned any more: and the nations shall know that I am יהוה YaHWaH, the Holy One in Israel."

Appendix B

Some time later in Exodus 6:3 Father told Moses that Abraham, Isaac, and Jacob did not know Him by His Name, YaHWaH. This word יהוה (YaHWaH) is the third person singular of the word: היה (hâyâh) and, though seemingly the same, the word יהוה (YaHWaH) has a much extended meaning.

The first time the word יהוה YaHWaH appeared in the scriptures was in Genesis chapter 2.

Though there is only One 'Elohim', our Father appears in the Scriptures under different names and titles, whereby He expresses Himself in different relationships and offices of His Deity.

In Chapter One of the book of Genesis the records show us that Father uses His name as the אלהים (Elohim). The fact that in chapter Two Father uses a more extended form of His name יהוה אלהים (YaHWaH Elohim), is one of the reasons which indicate that this chapter deals with a different event in the creation. Here Father is dealing in His capacity of a *Covenant* maker. While the first man was *created* by the Elohim, the second was *formed* by YaHWaH Elohim. It was His *Breath* that ratified and gave LIFE to ADAM man.⁹

Genesis 2:7 “*And YaHWaH Elohim formed the man out of the dust from the ground, and breathed into his nostrils breath of life. And the man became a living being.*”

He made a covenant with the formed man by transferring His Spiritual Life Force, identified as “Breath”, into man. Enabling Him to give to physical man, that is, a man formed of the earth, a Spiritual identity and expression: “.....*and the man became a living being.*” Living is the Hebrew word חי (chay) and has the connotation of ‘*separated and having the expression from and connection with the strong one*’. In other words, this part of the Scriptures deals with the account of Father giving Himself expression in man forming this man after ‘*Our image*’ (shadow = flesh) **and** ‘*Our likeness*’ (exact copy = spirit) by breathing into him the ‘Breath of Life’. He made a Breath Covenant with formed man.

Now we come to the word YaHWaH. The word YaHWaH in the Hebrew language is made up by four letters, the so called Tetragrammaton, which means ‘the four letter word’. These letters are יהוה YHVH

Separated these letters are:

Y = Yood י the meaning of this letter is: *the Hand, the manifested(power)*: **His Presence**

H = Hey ה the meaning of this letter is: *behold, the , reveal, the Spirit*: **His Breath**

V = Vav ו the meaning of this letter is: *nail, peg*, it is symbolic for ‘and’. In other

⁹ For an explanation on how a covenant is ratified, see my paper: “Circumcision and the Abrahamic Covenants.”

words this letter *nails* or *adds* or *makes union* with the previous letter and the letter following: **Makes Union**

H = Hey ה When the letter Hey ends in a word, the word is feminine. It means ‘what comes out of’ ...His Spirit breathed into His people, as from Adam, who “*came out of Him.*” Therefore the correct understanding is: **Our Breath**

Bringing the four letters together the word YaHWaH gives us the understanding that:

Y = His Presence,

H = His Breath,

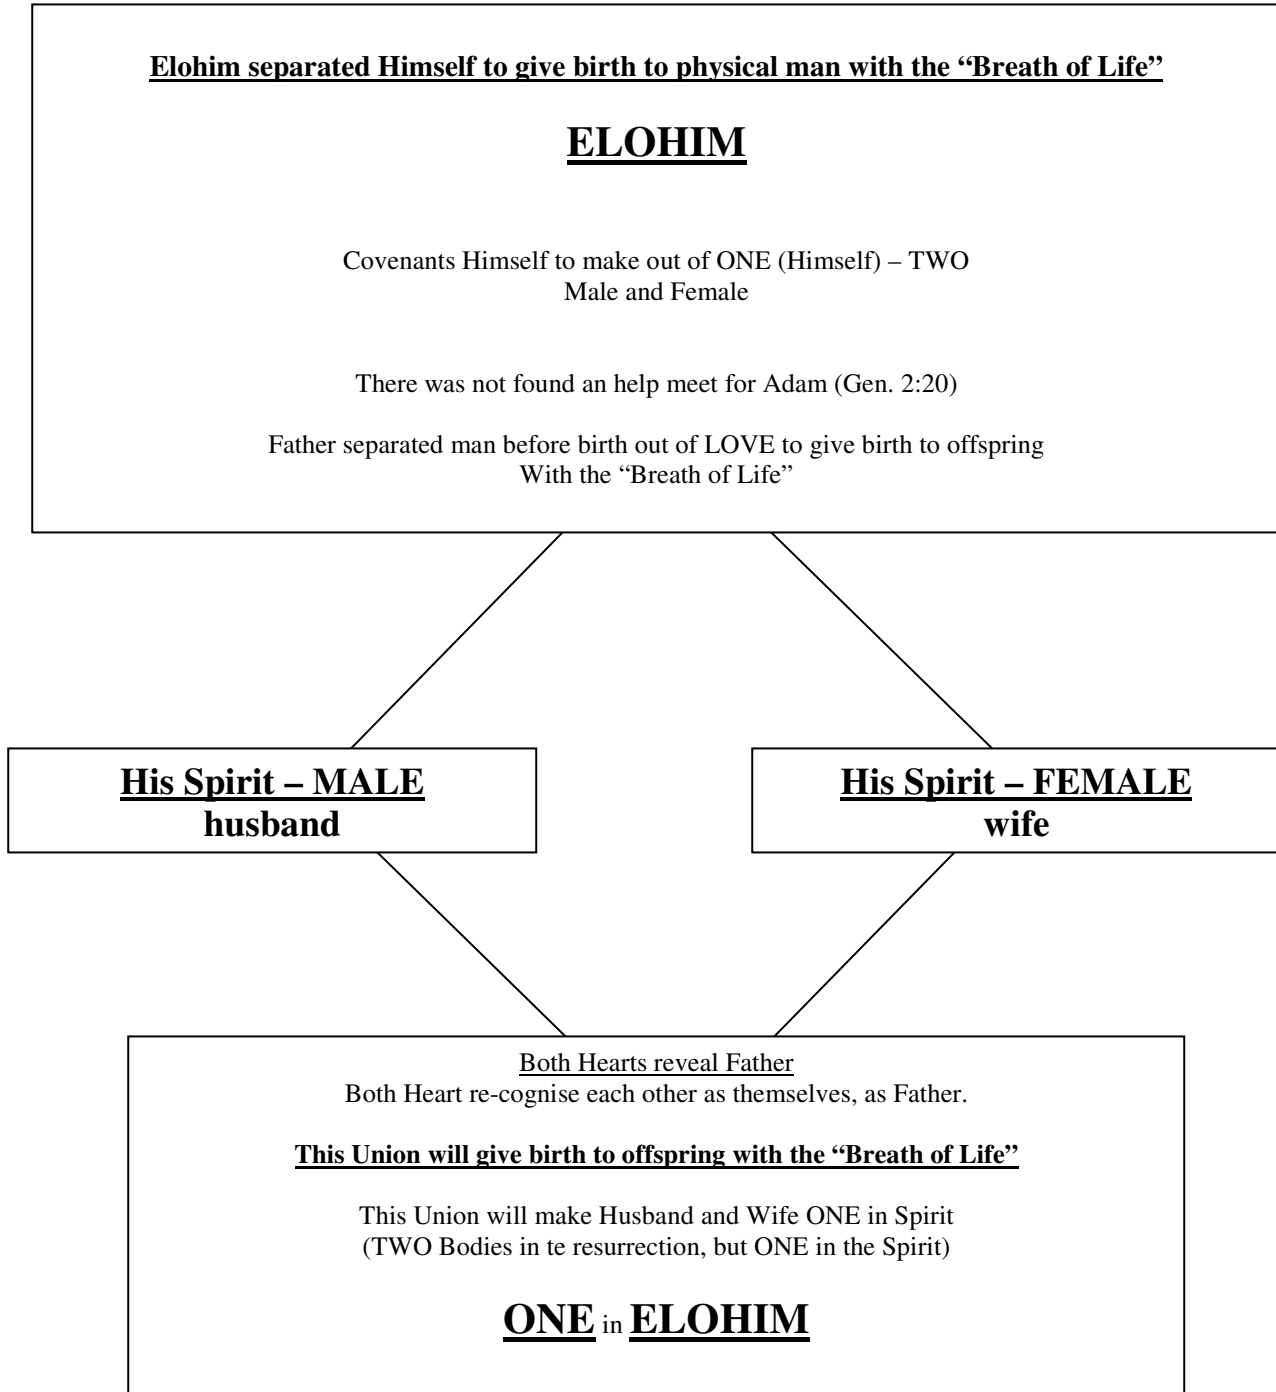

V = The Union; He in you with you in Him

H = Your Breath as His Breath

In other words: He is Him and You United.

Although, as from Adam all his descendants, including Abraham, Isaac and Jacob, had the breath of Life, they did not ‘know’ Him by the name of YaHWaH. It was not until the Father closed the Marriage covenant at Mount Sinai that the people of Israel “knew” Him. In other words it was not until the people of Israel said: “*All that YaHWaH had spoken, we will do*” (Exodus 19:6) that they ‘knew’ Him as a Bridegroom, their Husband.

Appendix D

Elohim separated Himself into Yahshua to give birth to the “NEW LIFE”

ELOHIM

ONE

He separated Himself. Out of the ONE, He made TWO. Yahshua
Through LOVE. John 3:16

His Masculine Side, the Spirit

Begotten of the Spirit by Father.

Before the start of His Ministry
His Heart was completely
Circumcised. Father’s Heart
revealed. Full of LOVE.

as a
consequence
----->

His Feminine side, the Flesh

Begotten in the flesh by the Father.

Born of the Father (John 1:13), with the carnal nature of His
Mother Maria (Eve).

His Carnal nature died with His baptism, His Passover.

“He who believeth on Him that sent Him hath everlasting life”
(John 5:24). As a consequence He was baptized with the Spirit,
(Luke 3:22) He received the full measure and became the qualified
SON of the Father. This was His Pentecost

His 40 days in the Wilderness mark the time of testing (“to reveal
what is in the inside”, see page 4 of my paper “Good and Evil”). It
also pictures the 40 jubilees (2000 years) of testing of Israel in their
Wilderness.

After His Wilderness experience, He was made ready to begin His
Ministry, to preach the acceptable year of YaHWaH. This was His
Tabernacle experience and it started therefore with the wedding
feast, which culminates at the end of the thousand years with the
wedding.

The TWO become **ONE ELOHIM** again through **LOVE**

(His Heart revealed)

At the end of Yahshua’s ministry He was united with the Father,
through an act of LOVE (Father’s Heart revealed).

This act of LOVE killed His flesh, but He took it up after 3 days to be united (married)
with the Father. This union changed Yahshua into a New Man, Full and Perfect in the Spirit **And** in the Flesh.

This Union with Father, an act of intense LOVE and ONENESS, had two consequences. Firstly, NEW LIFE was
created in Yahshua, He became ONE with Father and secondly, He conceived this NEW LIFE as the Comforter
within Him in the innumerable number of His People.

A conception in their created feminine side

Appendix E

Elohim separated Himself into man to give birth to the “man-child”

ELOHIM

Covenants Himself to make out of ONE – TWO in Adam,
HIS people ISRAEL, YOU and ME through LOVE. Deut.7:8

His / Our Masculine side, The Father

Our true identity: Spirit. Begotten before times of old (2Tim. 1:9)
Imbued into us as the “Breath of Life”

When Father starts to reveal His Heart in us, to circumcise our Heart or to give birth to His / Our Spirit in us, we recognize the folly of “Self Will”

as a
consequence
----->

His / Our Feminine Side, The Son

Carnal nature (Eve). A body with an illusionary “Self Will”.
Conceived and birthed through the union of our physical parents.

Our carnal nature (Eve) dies, crucifies on the cross. This is our Water baptism / Passover.

As a consequence, we hear and believe His Word and receive Life. (John 5:24)

The Comforter, our New Flesh / Spirit nature or our NEW LIFE gives birth in us. This NEW LIFE was conceived in us through Yahshua some 2000 years ago. That was the time that He became the Full manifestation in the Spirit and in the Flesh of the Father when Father married Him after His ascension. He became the New Man or the NEW LIFE. It is not the resurrection that gives us Life. It is the Union with the Father that this NEW LIFE is given to us in Him, the New Man Yahshua, a true virgin bride indeed (Isaiah 62:5). We receive this as the birth of our NEW LIFE at the baptism of the Spirit. This NEW LIFE is our Comforter, our Pentecost.

The TWO become ONE again through LOVE
(His Heart revealed)

Now the birthed Spirit (circumcised Heart) can marry the birthed NEW LIFE in us. Our masculine side in union with our feminine side. This union changes us in our Consciousness and marks the conception of the “man-child” within us. Towards the Birth of the perfect man.

The birthing of the “man-child” occurs at the moment that our feminine, or our re-productive side gives birth to the NEW LIFE in us at our Feast of Tabernacles. The timing is not the same for everyone, see 1 Cor. 15:23,24. This is the moment we can manifest ourselves perfect in Spirit as well as in the Flesh. Into a NEW CREATION of our divinity, ONE with the Father and the SON.

We become the
